Books

This book is the most comprehensive and authoritative reference ever published on the wide range of martial arts disciplines practiced in cultures

around the world. ABC-CLIO's Martial Arts of the World: An Encyclopedia of History and Innovation is the most authoritative reference ever published on combat disciplines from around the world and across history. Coverage includes Shaolin monks, jousting knights, Roman gladiators, Westerner gunfighters, samurai warriors, and heavyweight boxers. These iconic figures

and many more are featured in this title, as well as representatives of less well known but no less fascinating systems, all vividly characterized by expert contributors from around the world who are themselves martial arts practitioners. *Martial Arts of the World* comprises 120 entries in two volumes. The first volume is organized geographically to explore the historic development of martial arts styles in Asia, Africa, Europe, and the Americas. The second volume looks at martial arts thematically, with coverage of belief systems, modern martial arts competitions, and a wide range of such topics as folklore, women in martial arts, martial arts and the military, and martial arts and the media.

Guide du Routard Paris exotique

Librairie Droz
Brazilian Bodies, and their Choreographies of Identification retraces the presence of a particular way of swaying the body that, in Brazil, is commonly known as *ginga*. Cristina Rosa traces its presence across distinct and specific realms: *samba-de-roda* (samba-in-a-circle) dances, *capoeira angola* games, and the repertoire of *Grupo Corpo*.

Capoeira do Brasil Taylor & Francis
 À travers la pratique de certains loisirs sportifs ou certaines disciplines artistiques, comme le hip-hop, le body system ou la glisse urbaine, peuvent transparaître des facettes de la mondialisation, de l'occidentalisation, de l'urbanité et de la domination planétaire culturelle des États-Unis. Mais comment

l'agglomération de Fort-de-France (Martinique) est-elle devenue un véritable centre relais dynamique de cultures états-uniennes ? Autour de phénomènes de mode d'origines américaines, Corinne Plantin signe une enquête pluridisciplinaire, historique, géographique et sociologique, à travers laquelle elle analyse avec une véritable rigueur scientifique le succès de ce qui est devenu un véritable raz-de-marée culturel. Des années 1960 jusqu'au XXIe siècle, des États-Unis à la Martinique, c'est à un voyage saisissant au sein de la urban culture (culture urbaine) qu'elle nous convie.

Capoeira Editions L'Harmattan

A brilliant study of violent self-defense in the struggle for liberation by an award-winning philosopher Is violent self-

defense ethical? In the history of colonialism, racism, sexism, capitalism, there has long been a dividing line between bodies "worthy of defending" and those who have been disarmed and rendered defenseless. In 1685, for example, France's infamous "Code Noir" forbade slaves from carrying weapons, under penalty of the whip. In nineteenth-century Algeria, the colonial state outlawed the use of arms by Algerians, but granted French settlers the right to bear arms. Today, some lives are seen to be worth so little that Black teenagers can be shot in the back for appearing "threatening" while their killers are understood, by the state, to be justified. That those subject to the most violence have been forcibly made defenseless raises, for any movement of liberation,

the question of using violence in the interest of self-defense. Here, philosopher Elsa Dorlin looks across the global history of the left - from slave revolts to the knitting women of the French Revolution and British suffragists' training in ju-jitsu, from the Warsaw Ghetto Uprising to the Black Panther Party, from queer neighborhood patrols to Black Lives Matter, to trace the politics, philosophy, and ethics of self defense. In this history she finds a "martial ethics of the self": a practice in which violent self defense is the only means for the oppressed to ensure survival and to build a liveable future. In this sparkling and provocative book, drawing on theorists from Thomas Hobbes to Fred Hampton, Frantz Fanon to Judith Butler, Michel Foucault to June

Jordan, Dorlin has reworked the very idea of modern governance and political subjectivity. Translated from the French by Kieran Aarons.

CJLACS IRD Editions

This new and completely revised edition of Colloquial Portuguese of Brazil provides a step-by-step course in Portuguese as it is written and spoken in Brazil today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Brazilian Portuguese in a broad range of situations. No prior knowledge of the language is required. This edition features: progressive coverage of speaking, listening, reading and writing skills structured, jargon-free

explanations of grammar an extensive range of focused and stimulating exercises realistic and entertaining dialogues covering a broad variety of scenarios useful vocabulary lists throughout the text Balanced, comprehensive and rewarding, Colloquial Portuguese of Brazil will be an indispensable resource both for independent learners and students taking courses in Brazilian Portuguese. Colloquials are now supported by FREE AUDIO available online. All audio tracks referenced within the text are free to stream or download from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio complements the book and will help enhance learners' listening and speaking skills. By the end of this course, you will

be at level A1 to A2 of the Common European Framework for Languages and Novice Low to Mid on the ACTFL proficiency scales.

Dans la solitude des champs de coton de Bernard-Marie Koltès Open Road + Grove/Atlantic

The term 'Black Atlantic' was coined to describe the social, cultural and political space that emerged out of the experience of slavery, exile, oppression, exploitation and resistance. This volume seeks to recast a new map of the 'Black Atlantic' beyond the Anglophone Atlantic zone by focusing on Brazil as a social and cultural space born out of the Atlantic slave trade. The contributors draw from the recently reinvigorated scholarly debates which have shifted inquiry from the explicit study of cultural

'survival' and 'acculturation' towards an emphasis on placing Africans and their descendants at the center of their own histories. Going beyond the notion of cultural 'survival' or 'creolization', the contributors explore different sites of power and resistance, gendered cartographies, memory, and the various social and cultural networks and institutions that Africans and their descendants created and developed in Brazil. This book illuminates the linkages, networks, disjunctions, sense of collective consciousness, memory and cultural imagination among the African-descended populations in Brazil. This book was originally published as a special issue of *African and Black Diaspora: An International Journal*.

A well placed kick can mean the difference between victory and defeat in a fight! This illustrated guide to martial arts kicks provides the reader with a wealth of information on 89 different types of kicks from various styles. This martial arts book features kicks from Karate, Muay Thai, Taekwondo, Kung Fu, Kempo, Capoeira, Jeet Kune Do, and more. In a self defense situation there is no room for defeat. Readers will learn how to unleash a devastating barrage of kicks to throw their opponents off guard and leave every match in victory. The *Essential Book of Martial Arts Kicks* has one purpose: to help readers hone their kicking proficiency so that they can readily deploy the most powerful tool in the fighter's repertoire. It contains

contains thousands of photos and diagrams to show readers exactly how to perform all of the 89 kicks inside this book. Packed with full color photos, detailed diagrams and a companion DVD featuring 50 of the most powerful kicks, this book is required reading for every martial artist who wants to sharpen and expand their kicking skills. You'll learn all about: Front Kicks Side Kicks Roundhouse Kicks Back Kicks Hook Kicks Crescent Kicks And many more!

Tiamat - maîtrise de l'esprit University of Texas Press

With a wealth of information about an array of performance genres related to the fighting art of pencak silat, this volume articulates for the very first time fascinating dimensions of the beauty, philosophy and diversity of Southeast

Asian cultural life.

Black Dance Taylor & Francis

Capoeira began as a martial art developed by enslaved Afro-Brazilians. Today, the practice incorporates song, dance, acrobatics, and theatrical improvisation—and leads many participants into activism. Lauren Miller Griffith's extensive participant observation with multiple capoeira groups informs her ethnography of capoeiristas--both individuals and groups--in the United States. Griffith follows practitioners beyond their physical training into social justice activities that illuminate capoeira's strong connection to resistance and subversion. As both individuals and communities of capoeiristas, participants march against racial discrimination,

celebrate Martin Luther King Jr. Day and Juneteenth, organize professional clothing drives for job seekers, and pursue economic and environmental justice in their neighborhoods. For these people, capoeira becomes a type of serious leisure that contributes to personal growth, a sense of belonging, and an overall sense of self, while also imposing duties and obligations. An innovative look at capoeira in America, *Graceful Resistance* reveals how the practicing of an art can catalyze action and transform communities.

Soyez curieux, l'exotisme est au coin de la rue.

The Fighting Art of Pencak Silat and its Music Editions Publibook

Capoeira, a Brazilian battle dance and national sport, has become popular all over the world. First brought to Brazil by

African slaves and first documented in the late eighteenth century, capoeira has undergone many transformations as it has diffused throughout Brazilian society and beyond, taking on a multiplicity of meanings for those who participate in it and for the societies in which it is practiced. In this book, Maya Talmon-Chvaicer combines cultural history with anthropological research to offer an in-depth study of the development and meaning of capoeira, starting with the African cultures in which it originated and continuing up to the present day. Using a wealth of primary sources, Talmon-Chvaicer analyzes the outlooks on life, symbols, and rituals of the three major cultures that inspired capoeira—the Congolese (the historic area known today as Congo-

Angola), the Yoruban, and the Catholic Portuguese cultures. As she traces the evolution of capoeira through successive historical eras, Talmon-Chvaicer maintains a dual perspective, depicting capoeira as it was experienced, observed, and understood by both Europeans and Africans, as well as by their descendants. This dual perspective uncovers many covert aspects of capoeira that have been repressed by the dominant Brazilian culture. This rich study reclaims the African origins and meanings of capoeira, while also acknowledging the many ways in which Catholic-Christian culture has contributed to it. The book will be fascinating reading not only for scholars but also for capoeira participants who may not know the deeper spiritual

meanings of the customs, amulets, and rituals of this jogo da vida, "game of life."

Américanisation culturelle Psychology Press

A dying screenwriter conjures a fascinating past in a novel "as musical as a Bach prelude" from the Prix Femina-winning author of *Fault Lines* (Elle, France). Renowned screenwriter Milo Noirlac is dying. As he lies in his hospital bed, voices from his past and present come to him, each taking on the rhythm of his favorite Brazilian fight-dance, the capoeira. Seated next to him is Milo's director, co-writer, and lover Paul Schwartz, who coaxes Milo through the complex tale that will be their final masterpiece—his life story. From the abuse Milo suffered as a foster child, to

the loss of his beloved grandfather's priceless library, his imagination brings to life several generations of ancestors: voices in French and English, German and Dutch, Cree and Gaelic. There's his Irish grandfather, a would-be poet, classmate of "Jimmy" Joyce, and agitator against British occupation; Awinita, Milo's biological mother, an Indian teen prostitute; Eugénio, a Brazilian street child whom Milo finds and fosters. As each voice cascades through Milo's memory, a fragment of history—both personal and global—falls into place.

The Diaspora of Brazilian Religions

Editions Ellipses

Capoeira: The History of an Afro-Brazilian Martial Art explores capoeira as a field of confrontation where different struggles that divide Brazilian society are played

out. It contains a first English language scholarly account of capoeira's early history and development to the present day.

Playing Capoeira, or the Dance of War, from 'Picturesque Voyage to Brazil', 1835 (engraving) University of Illinois Press

Découvrez Rio de Janeiro à travers les yeux de ses habitants Portraits de Rio de Janeiro, c'est le seul guide qui vous emmène à Rio sans vous prendre pour un touriste en tongs Havaïanas ! Cette mosaïque composée de quatorze portraits de Cariocas d'origine ou d'adoption vous donne accès aux coulisses et à la subtilité de la deuxième plus grande ville brésilienne. Vous ferez la connaissance du Carioca Flavio, professeur de capoeira, du Belge Michel,

fondateur de Médecins sans frontière au Brésil, du Brésilien Jairzinho, champion du monde de football, de la franco-brésilienne Chloé, manager d'une agence de voyage, du Français Alexandre, entrepreneur et militant de la communauté LGBT, du Carioca Lucas, étudiant, ou encore de Mestre, Juliana, Emmanuelle, Camille, Dominique,... À travers leurs histoires, vous aurez accès à la vraie Rio, la Carioca des Cariocas. Grâce à ces locaux, frayez-vous un chemin jusque dans les favelas, retrouvez les meilleures adresses pour la samba, la feijoada, la capoeira, la baile funk, les bloco, etc. Vivre ma ville, c'est comprendre des parcours de vie qui ont comme point commun le choix de cette ville, tout en découvrant près de 300 adresses, toutes choisies et commentées

par leurs habitués, Cariocas de cœur. Vous n'aurez alors plus qu'une envie : embarquer pour Rio et profiter de ces secrets bien gardés. Avec Portraits de Rio de Janeiro, voici les clés de la ville ! Un guide à plusieurs voix rempli d'adresses utiles ! A PROPOS DE LA COLLECTION « VIVRE MA VILLE » Vivre ma ville, ce sont des livres de voyage avec supplément d'âme. Ils donnent les clés, les conseils, les bonnes adresses, grâce à l'expérience de ceux qui vivent sur place, là où les autres guides se contentent d'auteurs professionnels de passage. Ils offrent aussi des histoires, une chair littéraire par les interviews-portraits d'une dizaine de personnes qui présentent leur lieu de vie. Chaque portrait est un roman. Chaque portrait a un enjeu : comprendre le choix de cette

vie-là. Chaque portrait permet aussi au lecteur de s'identifier, et donc de choisir ses destinations en fonction de ses affinités, en fonction du personnage qui résonne le plus en lui. LES ÉDITIONS HIKARI Hikari Éditions est un éditeur indépendant, dédié à la découverte du monde. Il a été fondé par des journalistes et des auteurs vivant à l'étranger, de l'Asie à l'Amérique du Sud, souhaitant partager leur expérience et leurs histoires au-delà des médias traditionnels.

Brazilian Bodies and Their Choreographies of Identification Éditions Honoré Champion

A groundbreaking investigation into the migration of martial arts techniques across continents and centuries The presence of African influence and

tradition in the Americas has long been recognized in art, music, language, agriculture, and religion. T. J. Desch-Obi explores another cultural continuity that is as old as eighteenth-century slave settlements in South America and as contemporary as hip-hop culture. In this thorough survey of the history of African martial arts techniques, Desch-Obi maps the translation of numerous physical combat techniques across three continents and several centuries to illustrate how these practices evolved over time and are still recognizable in American culture today. Some of these art traditions were part of African military training while others were for self-defense and spiritual discipline. Grounded in historical and cultural anthropological methodologies, Desch-

Obi's investigation traces the influence of well-delineated African traditions on long-observed but misunderstood African and African American cultural activities in North America, Brazil, and the Caribbean. He links the Brazilian martial art capoeira to reports of slave activities recorded in colonial and antebellum North America. Likewise Desch-Obi connects images of the kalenda African stick-fighting techniques to the Haitian Revolution. Throughout the study Desch-Obi examines the ties between physical mastery of these arts and changing perceptions of honor. Including forty-five illustrations, this rich history of the arrival and dissemination of African martial arts in the Atlantic world offers a new vantage for furthering our understanding of the powerful influence

of enslaved populations on our collective social history.

L'arrière-scène du monde des arts martiaux Jarrão Capoeira

Les arts martiaux sont populaires. Même si la plupart des gens en ont une idée plus ou moins précise, chacun possède une référence ou une image qui lui permet d'en parler sans être un expert. Cependant, se pourrait-il que les experts en question, soit les pratiquants eux-mêmes, n'arrivent pas à expliquer et à comprendre ce qu'est le vaste monde des arts martiaux ? Si cet exercice est difficile, c'est parce que la multitude de disciplines qui composent l'univers des arts martiaux forment une mosaïque hétéroclite, un casse-tête dont les pièces ne semblent pas toutes être faites pour s'emboîter. Pour être capables de

déchiffrer la logique de l'organisation sociale qui se cache derrière l'incohérence apparente du tout ce qui compose l'univers des arts martiaux, nous avons besoin d'une clé ! L'accès à cette clé nécessite de prendre du recul, un temps d'arrêt qui nous amène à utiliser des outils différents pour regarder quelque chose que nous pensions connaître. Ces outils sont les sciences sociales et la clé de lecture qu'ils proposent est de voir les arts martiaux comme un phénomène complexe. Le fonctionnement de notre société est complexe, alors pourquoi en serait-il autrement avec les arts martiaux ?

L'art de vérifier les dates University-Press.org

Clé de voûte d'une œuvre brève, intense

et interrompue prématurément, Dans la solitude des champs de coton du dramaturge Bernard-Marie Koltès (1948 - 1989) pourrait faire figure de texte total, mais à l'épure, amassant à lui seul toute la poétique de l'auteur, sa conception du théâtre, du monde et des rapports humains. La pièce, pur dialogue, semble lever le théâtre en entier à travers une scène arrachée à la vie même, sa sauvagerie brutale découpée dans le langage virtuose de l'échange : un deal, le soir, dans une de nos villes. Seulement, que propose le Dealer à son Client, qui le refuse ? Pièce de l'énigme qui fonde l'enjeu de toutes relations, elle reste la plus jouée et commentée de l'œuvre d'un auteur majeur du XXe siècle. À PROPOS DE L'AUTEUR Arnaud Maisetti est maître de conférences en

Arts de la Scène à l'université Aix-Marseille. Il est l'auteur de l'essai biographique Bernard-Marie Koltès (2018, Minuit). Critique dramatique au sein du collectif L'Insensé et dramaturge auprès de la Compagnie D'un Pays Lointain, il est également auteur. *African Diaspora in Brazil* BRILL L'approche du genre théâtral résiste souvent à l'analyse : genre complexe par son caractère bitensif, on réduit trop souvent son étude à un simple texte, négligeant toute sa perspective scénique pourtant essentielle. Proposant une double approche de dix-sept pièces d'un répertoire allant de l'Antiquité à nos jours, choisies à la fois pour leur importance dans l'histoire et à la fois parce qu'elles ont été captées, cet ouvrage se propose justement

d'analyser ces deux temps de la création théâtrale. Confrontant une approche textuelle et scénique, cette étude permet de faire émaner des sens et des approches pluriels. Agrémentée par des encarts historiques, critiques, ou esthétiques, elle cherche aussi à rendre accessibles les œuvres présentées à un public large, allant des classes de lycées à l'enseignement supérieur, proposant un enrichissement à la fois pour des étudiants en lettres ou en arts du spectacle, que pour des amoureux de la littérature ou de la scène. Romain Berry est professeur agrégé. Il enseigne les Lettres en CPGE au Lycée Fauriel (Saint-Etienne). Laurent Russo est professeur agrégé. Il enseigne les Lettres et le Théâtre en CPGE au Lycée Mistral (Avignon).

Portraits de Rio de Janeiro DLL PRESSE
DIFFUSION

The practice of capoeira, the Brazilian dance-fight-game, has grown rapidly in recent years. It has become a popular leisure activity in many cultures, as well as a career for Brazilians in countries across the world including the US, the UK, Canada and Australia. This original ethnographic study draws on the latest research conducted on capoeira in the UK to understand this global phenomenon. It not only presents an in-depth investigation of the martial art, but also provides a wealth of data on masculinities, performativity, embodiment, globalisation and rites of passage. Centred in cultural sociology, while drawing on anthropology and the sociology of sport and dance, the book

explores the experiences of those learning and teaching capoeira at a variety of levels. From beginners' first encounters with this martial art to the perspectives of more advanced students, it also sheds light on how teachers experience their own re-enculturation as they embody the exotic 'other'. *Embodying Brazil: An Ethnography of Diasporic Capoeira* is fascinating reading for all capoeira enthusiasts, as well as for anyone interested in the sociology of sport, sport and social theory, sport, race and ethnicity, or Latin-American Studies.
