Oak Island Illustrated Dundurn

You are intrigued by the legend of Oak Island, Nova Scotia, and determined to search out its secrets, and the reader will decide which of the many choices and clues

you will follow--to become the discoverer of the truth or the seventh victim of the curse of Oak Island.

The Secret Dossier of a Knight Templar of the Sangreal James Lorimer & Company

For a much less expensive ebook version of this book, check out: <http://www.mysteriesofcanada.com/downloads/oak-island/> Oak Island is a

small island located in Mahone Bay off the coast of Nova Scotia where people have been searching for buried treasure since 1795. To date, no one truly knows what, if anything, lies buried there, although theories abound. The purpose of this book is to provide you, the reader, with a comprehensive report of the facts and

speculation surrounding Oak Island so that you might come to your own conclusion regarding the nature of this great Mystery of Canada. This book is divided into three sections: 1) History; 2) The Curse of Oak Island; 3) Theories. In History, you'll find a chronological account of all major treasure hunts on Oak Island from 1795-2005. Each chapter is subdivided into a History section recounting the story of each respective treasure hunt, a Discoveries section

detailing the various findings made by the treasure hunters; and a Characters section describing the colourful men who risked social condemnation, financial ruin, and even their very lives in an effort to get to the bottom of the Oak Island mystery. In The Curse of Oak Island, you'll find a detailed analysis of the current treasure hunt on Oak Island, conducted by Michigan brothers Rick and Marty Lagina and their crew, and documented in the History Channel's TV series The

Curse of Oak Island. Each chapter is subdivided into a Plot section outlining the synopsis of each of The Curse of Oak Island's episodes, and an Analysis section in which the discoveries made in the episodes are thoroughly investigated. In Theories, you'll find the various hypotheses formulated by Oak Island researchers regarding the nature of Oak Island's supposed extraordinary treasure. Each chapter is subdivided into the 'Five Ws' of research, namely Who? What? When?

Where? and Why?, along with an Evidence section describing the hard facts and circumstantial evidence which led proponents of each respective theory to come to the conclusions they did.

Oak Island and Its Lost Treasure Createspace Independent Publishing Platform

The Oak Island mystery has been the world's greatest and strangest treasure hunt, and after years of research the authors have finally solved the sinister with an

answer that is challenging, controversial, and disturbing. In 1795 three boys discovered the top of an ancient shaft on uninhabited Oak Island in Mahone Bay, Nova Scotia. The boys began to dig, and what they uncovered started the world's greatest and strangest treasure hunt but nobody knows what the treasure is. Two hundred years of courage, back-breaking effort, ingenuity, and engineering skills have failed to retrieve what is concealed there. Theories of what the treasure could

be include Captain Kidd's bloodstained pirate gold, an army payroll left by the French or British military engineers, priceless ancient manuscripts, the body of an Arif or other religious refugee leader, or the lost treasure of the Templars. The Oak Island curse prophesies that the treasure will not be found until seven men are dead and the last oak has fallen. That last oak has already gone, and six treasure hunters have been killed. After years of research, the authors have finally solved the

sinister riddle of Oak Island, but their answer is challenging, controversial, and disturbing. Something beyond price still lies waiting in the labyrinth.

You Had Me at Oak Island Nimbus Publishing Limited

Daniel is a typical teenager who just wants to spend his summer

vacation with his friends. Unfortunately, he must spend another summer in Canada, where his father works. Will his summer be as boring as the last, or will he manage to make the most of it in the absence of his friends? Will he find adventure and excitement in the long days ahead?

Oak Island And The Mayflower Nimbus+ORM

It started on a summer afternoon in 1795 when a young man named Daniel McGinnis found what appeared to be an old site on an island off the

Acadian coast, a coastline fabled for the skullduggery of pirates. The notorious Captain Kidd was rumored to have left part of his treasure somewhere along here, and as McGinnis and two friends started to dig, they found what turned out to be an elaborately engineered shaft constructed of oak logs, nonindigenous coconut mats, and landfill that came to be known as the Money Pit. Ever since that summer day in 1795, the possibility of what might be hidden in the depths of

a small island off the south coast of Nova Scotia, Canada, has made it the site of the world's longest, most expensive, and most perplexing treasure hunt. Author D'Arcy O'Connor recounts the fascinating stories and amazing discoveries of past and current treasure seekers who have sought Oak Island's fabled treasure for over two hundred years. It has baffled scientists and madmen, scholars and idiots, millionaires and get-rich-quick schemers, psychics, engineers,

charlatans, and even a former president of the United States. The island has consumed the fortunes-and in some cases, the lives-of those who have obsessively set out to unlock its secret. Despite all their efforts, the mystery remains unsolved, and not a single dime of treasure has ever been recovered. The present-day search is an archaeological dig exceeding anything ever done anywhere for similar purposes, and it may well result in the discovery of one of the world's richest

and most historically significant treasures. But this is also the story of individuals who have dedicated years of their lives to discover what was buried long ago beneath this strange island. They are driven by a lust for gold, by archaeological curiosity, and by their determination to outwit the engineer who was responsible for the Oak Island enigma.

Civil engineers Graham

Harris and Les MacPhie have spent over a decade investigating the enigma of Nova Scotia's Oak Island. In this new edition of their book, they set out the previously unknown story of how complex and expensive engineering work was undertaken to create an elaborate flood tunnel on the island. Built to frustrate treasure seekers attempting to get at the valuables buried decades earlier at the bottom of the island's Money Pit, the tunnel has admirably served its purpose. It has ensured

that all efforts up to now to recover the treasure have been unsuccessful. Oak Island poses two different challenges for treasure seekers. There is a deep mine shaft, at the bottom of which the treasure lies. The authors offer evidence that this treasure came from the wreck of a Spanish galleon in the seventeenth century. Even more mystifying than the mine shaft is the complex tunnel which links it to the ocean. Harris and MacPhie have determined that the

project would have required a labour force of over 100 men to supplement a small force of experienced miners. The work would have taken almost two years to complete. In new chapters written for this edition, they present the evidence they have discovered in British military history records which shows who commanded this force, how it reached Nova Scotia, and when the work was carried out. The new facts and insights offered in this book are a startling and convincing addition to

the history of Oak Island.

Oak Island Girl

Hammerson Peters via PublishDrive
A compelling case for the connection between Freemasonry and the notorious Oak Island treasure, written by a historian and Curse of Oak Island guest expert. If you think you know everything about the secrets of Oak Island, think again. Oak Island: A Masonic Quest makes the strongest and most compelling case ever for the truth behind the treasure at Nova Scotia's Oak Island. It also connects two of the world's most baffling

mysteries: the secrets of the arcane and cryptic Freemasons, and the equally enigmatic Oak Island treasure. Through years of extensive research, Scott Clarke -- author, amateur historian, and guest expert on the History Channel's The Curse of Oak Island -- has discovered numerous captivating connections, published here for the first time, that truly show these mysteries to be intertwined, including: Previously unknown connections between Freemasonry and Oak

Island dating from before the discovery of the Money Pit in 1795 Masonic and family connections between two of the most famous treasures of the late eighteenth century and Oak Island The strongest and most evidence-based theory yet for what the treasure at Oak Island might consist of A logical, yet sure-to-be-controversial theory that could rewrite Masonic history The discovery of two previously unknown, centuries-old "treasure maps" that both point to

treasure in Mahone Bay, Nova Scotia. With forty images, including maps and illustrations, *Oak Island Odyssey: A Masonic Quest* offers the freshest and most original take on the mystery yet. [Oak Island Gold](#) Formac Publishing Company Limited In his sixth book on the Oak Island, Nova Scotia, mystery, James McQuiston has discovered some remarkable links of people associated with the arrival of the ship *Mayflower*, in 1620, to some of the more famous and

recognizable names of those who settled or hunted for treasure on Oak Island. Nova Scotia was founded expressly to protect the Plymouth Colony and the colonies shared many of the same families, and to some degree, the same early history. The fact that *Mayflower* related families connect to Oak Island strongly supports McQuiston's theory that Sir William Alexander, a patentee of the Plymouth Colony, and the founder of Nova Scotia, had something significant to

do with the beginning of the Oak Island mystery. This theory has ranked as #6 out of the top 25 with the current searcher for treasure on Oak Island. The family connections found by McQuiston are detailed and very significant in understanding this 225-year-old treasure hunt on Oak Island, as well as the history of the Mayflower descendants, and others who settled in the general area of Plymouth, Massachusetts. [The Curse of Oak Island](#) Createspace Independent

Publishing Platform Your unofficial guide to 'The Curse of Oak Island', Part 2. This book, complete with black-and-white illustrations, is the sequel to 'The Oak Island Encyclopedia' and a companion to Season 7 of the History Channel's TV series 'The Curse of Oak Island'. It contains plot summaries and analyses of each episode of 'The Curse of Oak Island's' Season 7, synopses of Season 7's appendant special episodes, and detailed descriptions of three intriguing new

theories regarding the nature of the Oak Island treasure and the identity of its depositors.

The Templar Mission to Oak Island and Beyond
Grove Press

For 200 years people have sought the treasure buried on Oak Island on Canada's East Coast. Bob Restall got his chance, but it ended in tragedy. A fabulous treasure lies buried deep within an island on Canada's East Coast. Or so they say. For more than 200 years, treasure-hunters have come to Oak Island, spent

fortunes, worked long and hard, and left empty-handed. When Bob Restall and his family got their chance to search for treasure on Oak Island, they believed they soon would succeed where others had failed. But the island resisted. For nearly six years the Restalls lived and laboured on Oak Island, spurred on by small successes and tantalizing clues. And then one August day, the Restall hunt for buried treasure came to a sudden and tragic end. Oak Island Family, written

by Bob and Mildred Restall's daughter, gives a clear account of Oak Islands strange history and the Restall family's attempt to change it. Personal notes and more than 50 never-before-published photographs and sketches help make Oak Island Family an engrossing read. Anyone who loves mystery, adventure, and a good human interest story will enjoy this book. *Can You Uncover the Oak Island Money Pit?* Capstone Do you love the mystery

Oak Island Odyssey

Everest Media LLC

The curse of Oak Island introduces viewers to a small island off the coast of Nova Scotia where two obsessed brothers are attempting to solve a 200-year-old mystery. Rick and Marty Lagina own most of Oak Island and

are determined to find the treasure alleged to be buried there despite the fact that the island is rumoured to be cursed. Legend says seven people must die before the treasure is revealed, and so far, six have lost their lives in the pursuit. Rick and Marty explore an abandoned shaft, a cove, and even drain a swamp

to find the booty, and what they find is enough to make them believe the rumors may be true. Undeterred, even after a visit from a woman who lost her father and brother in a tragic accident on Oak Island years earlier, the brothers press on and make one of the biggest discoveries ever.
