PRECIOUS COOPER

Remarks on the Geology and Mineralogy of Nova Scotia London : H. Colburn and R. Bentley
 This book is primarily concerned with describing and attempting to account for, first, the continuing economic hamperment Massachusetts had during most of the period from 1630 to 1784 over the neighbouring colony and, second, the various military thrusts sent from New England to the region to the northeast.

 Every parent knows that travelling with kids has its ups and downs, but if the kids are happy, everyone's happy. Helen Earley has travelled across Nova Scotia to find the very best kid-friendly adventures so families can make the most of their time together. The result is twenty-five full-day adventures and experiences that include options for every season and price point. From a family hike through history on McNabs Island to a backcountry canoeing adventure or exploring the Shearwater Aviation Museum, the author has included something to suit every taste. She highlights adventures — especially less well known ones — for every season. There are tips on the best time of day or season to visit each location, how to save money and all-important information on where bathrooms and snack bars are located. For families in Halifax and in every other part of Nova Scotia, this book offers great ideas about how to fill a day with nearby fun adventures. This book will to help every family achieve maximum fun with minimum stress.
Nova Scotia & PEI Backroad Mapbook McGill-Queen's Press - MQUP
 Providing a rich cultural history of Nova Scotia, this book is rooted in a lifetime of research and a broad reading of secondary sources relating to issues of class, race, gender, and politics.
Fodor's Nova Scotia & Atlantic Canada Halifax, N.S. : A. & W. Mackinlay
 The province of Nova Scotia boasts a rugged and beautiful maritime landscape, as well as a unique culture steeped in Acadian, Celtic, Mi'kmaq and African tradition. Best known for the cultural hub of Halifax, the wildlands of Cape Breton and the countless coastal fishing villages that seem untouched by time, Nova Scotia is an explorer's paradise. With no portion of the province further than 56 km (35 mi) from the ocean, Nova Scotia is a land ruled by water. Bask in the salty air of the Atlantic as you watch puffins, dolphins and whales from the shore, explore remote backroads on your way to a picturesque lighthouse, hike the fabled trails of Cape Breton Highlands National Park or take a trip across the Northumberland Strait to relax on PEI's perfect beaches – with the newest edition of our Nova Scotia/Prince Edward Island Mapbook in hand, there is no limit to what you can discover in this maritime wonderland. Features - Map Key & Legend - Topographic Maps - Detailed Adventure Section >> Backroad Attractions, Fishing Locations, Hunting Areas, Paddling Routes, Parks & Campsites, Trail Systems, ATV Routes, Snowmobile Areas, Wildlife Viewing, Winter Recreation, Service Directory, Accommodations, Sales & Services, Tours & Guides, Index, Adventure Index, Map Index, Trip Planning Tools,
The Revised Statutes of Nova Scotia Mussio Ventures Ltd.
 Nova Scotia is an attractive destination for travellers from all over the world. This book is the authoritative independent guide to the province's best attractions many of them well-known, but many little-known even to Nova Scotia residents. Along with the activity guide are reliable, independent recommendations for accommodations and dining throughout the province. Written with local knowledge, and entirely independent in its descriptions and recommendations, this book offers reliable and consistent advice and comment which is unavailable from any other source on the web or in book form. It is the key to enjoyable and exciting travel in Nova Scotia. This new edition includes a very wide range of activities, from sea kayaking to golf, from shopping trips to genealogy searches. Dale Dunlop and Alison Scott take the readers down every interesting back

road in the province.

Proceedings of the Grand Chapter of Royal Arch Masons of Nova Scotia at the ... Annual Grand Convocation Halifax, N.S. : Gossip and Coade

This sixth edition of the Nova Scotia Atlas provides in-depth coverage of the entire province unavailable anywhere else. The maps include numbered and colour-coded highways with exit numbers, hiking trails and national parks. There are details such as power lines, ferry routes, hospitals and communication towers. Airports, helipads and landing strips are mapped. Also included are all provincial parks (campgrounds, picnic sites, boat launches), with a text description of each. The maps clearly show physical features, including rivers, lakes, hills, islands, marshes and beaches. The revisions in this new edition include all new highway construction completed in the past five years, three new wilderness areas and six new nature reserves. Waterfalls are now shown, and Crown land information has been extensively updated. All paved and unpaved roads (longer than 200 m) are included, as are a myriad of protected areas including game sanctuaries, wilderness and wildlife management areas. County and municipal boundaries are shown.

Let's Visit Nova Scotia Gr. 2-4 McGill-Queen's Press - MQUP

The Far Reaches of Empire chronicles the half century of Anglo-American efforts to establish dominion in Nova Scotia, an important French foothold in the New World. John Grenier examines the conflict of cultures and peoples in the colonial Northeast through the lens of military history as he tells how Britons and Yankees waged a tremendously efficient counterinsurgency that ultimately crushed every remnant of Acadian, Indian, and French resistance in Nova Scotia. The author demonstrates the importance of warfare in the Anglo-French competition for North America, showing especially how Anglo-Americans used brutal but effective measures to wrest control of Nova Scotia from French and Indian enemies who were no less ruthless. He explores the influence of Abenakis, Maliseets, and Mi'kmaq in shaping the region's history, revealing them to be more than the supposed pawns of outsiders; and he describes the machinations of French officials, military officers, and Catholic priests in stirring up resistance. Arguing that the Acadians were not merely helpless victims of ethnic cleansing, Grenier shows that individual actions and larger forces of history influenced the decision to remove them. The Far Reaches of Empire illuminates the primacy of war in establishing British supremacy in northeastern North America.

Nova Scotia's Massachusetts Halifax, N.S. : Holloway Bros.

Elizabeth Mancke presents a comparative history arguing that differences in the political cultures of Canada and the United States have their origins in changes in the governance of the British Empire in the late seventeenth and early eighteenth centuries.

Nova Scotia Fodor's Travel

Virtually surrounded by the sea, the ocean's salty waters pulse through Nova Scotia's historic veins. Nova Scotia's rich folklore is steeped in sea-related superstitions together with fables, myths, Scottish legends and ghost stories. Here fishermen have cast their nets for centuries and the abundance of contemporary seafood restaurants and historic lighthouses breathe life into their traditions. It includes detailed sections on topics such as wildlife, history, culture, sights and cuisine. Resident in the province David Orkin's insider knowledge provides in-depth insight into the best B & Bs, wineries, beaches, remote villages and top spots to see moose and seals while cycling and walking. Interviews with locals bring the destination to life. For everyone from the first time visitor to the most seasoned traveller, this guide delves deeper than any other guide to reveal the best of this fascinating province both on and off the beaten track.

Exploring Nova Scotia The Countryman Press

The first work devoted exclusively to Acadians in Nova Scotia, this book presents a thorough study of Acadian history from the earliest days of French settlement to present-day Acadian communities. Authors Sally Ross and Alphonse Deveau draw on original seventeenth-century texts, as well as up-to-date sources. They examine the history of the Expulsion--the Grand Dérangement--that began in 1755, and trace the return of the Acadians and their resettlement in seven areas of the province. The authors highlight the distinct features that have developed within these different regions of Nova Scotia and discuss the choices and challenges faced by Acadians today: the linguistic assimilation and preservation of a distinct culture against pressures from the mainstream culture. Acadians of Nova Scotia won the 1993 Dartmouth Book Award for non-fiction and the 1993 Evelyn Richardson Memorial Literary Prize for non-fiction.

Nova Scotia Scholastic Canada

Cape Breton Island and the Bay of Fundy, Cartier and Champlain, miners and fishermen, fiddles and lobsters, the Great Upheaval and the Halifax Explosion: learn all about Nova Scotia! This book introduces this eastern province's special landmarks, events, culture, geography, and cities to young readers.

A Geography and History of the County of Digby, Nova Scotia Fodor's

Despite notable variation in health care policy from province to province, most scholarship published on the health care system in Canada uses a broad national perspective. Focusing on the health care systems of individual Canadian provinces and territories, our new series, Health System Profiles, examines the social, political, economic, and epidemiological context of health care policy in each Canadian province. Turning a critical eye to the health care system in Nova Scotia, author Katherine Fierlbeck outlines the organizational and regulatory frameworks structuring provincial health care, while providing a detailed assessment of Nova Scotia's health financing, physical infrastructure, service provision, and the efficacy of technological resources used in data tracking and health quality assessments. Structured for ease of comparison, Nova Scotia: A Health System Profile will, along with other volumes in the series, help scholars draw analytic evidence-based policy conclusions about the health system of Nova Scotia and other Canadian provinces and territories.

25 Family Adventures in Nova Scotia Formac Publishing Company

Outdoorsman Andrew Hempstead offers an inside glimpse of the best of Nova Scotia, from taking a tour of Alexander Keith's Brewery to witnessing the world's highest tides at the funnel-shaped Bay of Fundy. Annals of Yarmouth and Barrington (Nova Scotia) in the Revolutionary War Halifax, N.S. : A. & W. MacKinlay

This is the first fully documented and detailed account, produced in recent times, of one of the greatest early migrations of Scots to North America. The arrival of the Hector in 1773, with nearly 200 Scottish passengers, sparked a huge influx of Scots to Nova Scotia and Cape Breton. Thousands of Scots, mainly from the Highlands and Islands, streamed into the province during the late 1700s and the first half of the nineteenth century. Lucille Campey traces the process of emigration and explains why Scots chose their different settlement locations in Nova Scotia and Cape Breton. Much detailed information has been distilled to provide new insights on how, why and when the province came to acquire its distinctive Scottish communities. Challenging the widely held assumption that this was primarily a flight from poverty, After the Hector reveals how Scots were being influenced by positive factors, such as the opportunity for greater freedoms and better livelihoods. The suffering and turmoil of the later Highland Clearances have cast a long shadow over earlier events, creating a false impression that all emigration had been forced on people. Hard facts show that most emigration was voluntary, self-financed and pursued by people expecting to improve their economic prospects. A combination of push and pull factors brought Scots to Nova Scotia, laying down a rich and deep seam of Scottish culture that continues to flourish. Extensively documented with all known passenger lists and details of over three hundred ship crossings, this book tells their story. "The saga of the Scots who found a home away from home in Nova Scotia, told in a straightforward, unembellished, no-nonsense style with some surprises along the way. This book contains much of vital interest to historians and genealogists." - Professor Edward J. Cowan, University of Glasgow "...a well-written, crisp narrative that provides a useful outline of the known Scottish settlements up to the middle of the 19th century...avoid[s] the sentimental 'victim & scapegoat approach' to the topic and instead has provided an account of the attractions and mechanisms of settlement...." - Professor Michael Vance, St. Mary's University, Halifax
