LYONS CLARE

The Lincoln Highway Bloomsbury Publishing

Winner of the Gold Dagger for Best Crime Novel from the Crime Writers' Association (UK) Winner for Best International Crime Fiction from Australian Crime Writers Association An Instant New York Times Bestseller "A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it." —Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* and *The Four Winds* Right. Wrong. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he's in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. *We Begin at the End* is an extraordinary novel about two kinds of families—the ones we are born into and the ones we create.

Everyday Dress of Rural America, 1783-1800 Tomfoolery Press

Brimming with intricate drawings, color photos, and excerpts from 18th-century writings, this enthralling book is your passport to a bygone age. Fashion and textiles lecturer Gail Marsh offers insights into the lives of 18th-century embroiderers; their equipment, stitches, and threads; and techniques such as working with metal thread and spangles, silk embroidery, tambour, and the forgotten arts of Hollie Point and knotting. A must-have for historical costume creators, collectors, and needlework enthusiasts.

Creating Historical Clothes Turtleback Books

It was a love so strong, a king renounced his kingdom—all for that woman. Or was she just an escape route for a monarch who never wanted to rule? Bestselling author Wendy Holden takes an intimate look at one of the most notorious scandals of the 20th century. 1928. A middle-aged foreigner comes to London with average looks, no money and no connections. Wallis's first months in the city are lonely, dull and depressing. With no friends of her own she follows the glamorous set in magazines and goes to watch society weddings. Her stuffy husband Ernest's idea of fun, meanwhile, is touring historic monuments. When an unexpected encounter leads to a house party with the Prince of Wales, Wallis's star begins to rise. Her secret weapon is her American pep and honesty. For the prince she is a breath of fresh air. As her friendship with him grows, their relationship deepens into love. Wallis is plunged into a world of unimaginable luxury and privilege, enjoying weekends together at his private palace on the grounds of Windsor Castle. Wallis knows the fun and excitement can't last. The prince will have to marry and she will return to Ernest. The sudden death of George V

seems to make this inevitable; the Prince of Wales is now King Edward VIII. When, to her shock and amazement, he refuses to give her up--or recognize that they are facing impossible odds--her fairy tale becomes a nightmare. The royal family close ranks to shut her out and Ernest gives an ultimatum. Wallis finds herself trapped when Edward insists on abdicating his throne. She can't escape the overwhelming public outrage and villainized, she becomes the woman everyone blames—the face of the most dramatic royal scandal of the twentieth century.

The White Man's Guide to White Male Writers of the Western Canon GMC Publications

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

[The Glitter and the Gold](#) Owens Press

In the tradition of Edith Wharton and Henry James--part one of a romantic duology featuring an indomitable American heiress torn between her quest for romance and her equal desire for independence, and the autocratic English duke she loves, who harbors a dark secret. Perfect for fans of Downton Abbey and Upstairs Downstairs! The Buccaneers--fresh, untutored, and easy-going--conquered 1870s English society, but in Edwardian England, American heiresses were supposed to be cool and level-headed about their pursuit of titles. Amanda Vandewater embodied this new wave of American invaders when she meets and marries the 9th Duke of Malvern, though she soon discovers she desires more than a coronet and strawberry leaves: she desires his heart. But the duke's heart isn't his to give, trapped as he is by old promises and a haunting past that binds him to the very traditions that stole his independence. Set against the backdrop of the rise of aviation, the suffragette movement, and the turbulent years leading up to WWI, *An Ideal Duchess* is the tale of an idealistic American heiress who must fight for her position--and for love--in the face of the strict adherence to duty over desire, of reputation over understanding, and of clinging to the past over embracing the present. The only question is if Amanda is strong enough to withstand the pressure.

Vintage Hairstyling Vintage

Before there was Meghan Markle, there was Consuelo Vanderbilt, the original American Duchess. Perfect for readers of Jennifer Robson and lovers of Downton Abbey. Karen Harper tells the tale of Consuelo Vanderbilt, her “The Wedding of the Century” to the Duke of Marlborough, and her quest to find meaning behind “the glitter and the gold.” On a cold November day in 1895, a carriage approaches St Thomas Episcopal Church on New York City’s Fifth Avenue. Massive crowds surge forward, awaiting their glimpse of heiress Consuelo Vanderbilt. Just 18, the beautiful bride has not only arrived late, but in tears, yet her marriage to the aloof Duke of Marlborough proceeds. Bullied into the wedding by her indomitable mother, Alva, Consuelo loves another. But a deal was made, trading some of the vast Vanderbilt wealth for a title and prestige, and Consuelo, bred to obey, realizes she must make the best of things. At Blenheim Palace, Consuelo is confronted with an overwhelming list of duties, including producing an “heir and a spare,” but her relationship with the duke quickly disintegrates. Consuelo finds an inner strength, charming everyone from debutantes to diplomats including Winston Churchill, as she fights for women’s suffrage. And when she takes a scandalous leap, can she hope to attain love at last...? From the dawning of the opulent Gilded Age, to the battles of the Second World War, *American Duchess* is a riveting tale of one woman’s quest to attain independence—at any price.

The Lazy Historian's Guide to the Wives of Henry VIII Random House

“As juicy and enlightening as a page in Meghan Markle's diary.”—InStyle “Presidential darling, America’s sweetheart, national rebel: Teddy Roosevelt’s swashbuckling daughter Alice springs to life in this raucous anthem to a remarkable woman.”—Kate Quinn, New York Times bestselling author of *The Alice Network* and *The Huntress* A sweeping novel from renowned author Stephanie Marie Thornton... Alice may be the president's daughter, but she's nobody's darling. As bold as her signature color Alice Blue, the gum-chewing, cigarette-smoking, poker-playing First Daughter discovers that the only way for a woman to stand out in Washington is to make waves—oceans of them. With the canny sophistication of the savviest politician on the Hill, Alice uses her celebrity to her advantage, testing the limits of her power and the seductive thrill of political entanglements. But Washington, DC is rife with heartaches and betrayals, and when Alice falls hard for a smooth-talking congressman it will take everything this rebel has to emerge triumphant and claim her place as an American icon. As Alice soldiers through the devastation of two world wars and brazens out a cutting feud with her famous Roosevelt cousins, it's no wonder everyone in the capital refers to her as the Other Washington Monument—and Alice intends to outlast them all.

[We Begin at the End](#) Costume & Fashion Press

Stays and Corsets: Historical Patterns Translated for the Modern Body goes a step beyond traditional historical costuming texts by not only providing you with historical pattern diagrams and information, but by showing you how to adapt these patterns to the contemporary body shape. Using her original pattern-drafting system, author Mandy Barrington will show you how to draft a historical pattern for a modern body shape, while still retaining an accurate historical silhouette. Each pattern has been generated from an original stay, corset, or pattern taken from a historical garment. The instructions to follow these new patterns are designed to accommodate any size of female figure, allowing you to avoid extremely difficult, time consuming, and inaccurate historical pattern re-sizing Requiring only basic prior knowledge of pattern drafting, all calculations have been worked out for the costume maker and are provided in simple tables accompanied by easy-to-read, step-by-step diagrams that clearly show how the historical pattern is plotted onto the female basic block, coupled with photographs of the constructed stays and corsets.

18th Century Embroidery Techniques Scurlock Publishing Company, Incorporated

Subtitle on cover: Pattern cutting from the 16th to the 19th centuries.

The American Heiress Simon and Schuster

In 1980, Lady Caroline Blackwood was commissioned by The Sunday Times to write an article on the aging Duchess of Windsor, who was said to be convalescing in her French mansion in the Bois de Boulogne. Yet what began as a curiosity was to become for Blackwood one of the most challenging experiences of her writing career, launching her into a battle of wits with the Duchess's formidable lawyer, Maître Suzanne Blum. Maître Blum refused to let Blackwood near the Duchess, spinning elaborate excuses as to why she was unavailable and threatening anyone who dared suggest that she was in anything other than the best of health. Still, while Blum's machinations restricted Blackwood's ability to publish a frank interview, it only served

to pique her interest in the bizarre relationship between the infamous Duchess—a woman who once inspired a king to abdicate his crown—and her eccentric, domineering gatekeeper. Sixteen years later, Blackwood turned her experiences into this riveting and excoriating modern classic about the frailties of old age, the foibles of society, and the dual-edged nature of celebrity.

American Duchess Penguin

The winner of Britain's prestigious Whitbread Prize and a bestseller there for months, this wonderfully readable biography offers a rich, rollicking picture of late-eighteenth-century British aristocracy and the intimate story of a woman who for a time was its undisputed leader. Lady Georgiana Spencer was the great-great-great-great-aunt of Diana, Princess of Wales, and was nearly as famous in her day. In 1774, at the age of seventeen, Georgiana achieved immediate celebrity by marrying one of England's richest and most influential aristocrats, the Duke of Devonshire. Launched into a world of wealth and power, she quickly became the queen of fashionable society, adored by the Prince of Wales, a dear friend of Marie-Antoinette, and leader of the most important salon of her time. Not content with the role of society hostess, she used her connections to enter politics, eventually becoming more influential than most of the men who held office. Her good works and social exploits made her loved by the multitudes, but Georgiana's public success, like Diana's, concealed a personal life that was fraught with suffering. The Duke of Devonshire was unimpressed by his wife's legendary charms, preferring instead those of her closest friend, a woman with whom Georgiana herself was rumored to be on intimate terms. For over twenty years, the three lived together in a jealous and uneasy ménage à trois, during which time both women bore the Duke's children—as well as those of other men. Foreman's descriptions of Georgiana's uncontrollable gambling, all- night drinking, drug taking, and love affairs with the leading politicians of the day give us fascinating insight into the lives of the British aristocracy in the era of the madness of King George III, the American and French revolutions, and the defeat of Napoleon. A gifted young historian whom critics are already likening to Antonia Fraser, Amanda Foreman draws on a wealth of fresh research and writes colorfully and penetratingly about the fascinating Georgiana, whose struggle against her own weaknesses, whose great beauty and flamboyance, and whose determination to play a part in the affairs of the world make her a vibrant, astonishingly contemporary figure.

The Workwoman's Guide Hrst Books

There was something very special and beautiful about women in the early- to mid-20th century. The way they dressed was elegant and the way they wore their hair was feminine. This book shows how to create so many of those hairstyles by taking hairstyles from the 1930s, 40s, 50s, and 60s and breaking them down into simple, easy-to-follow instructions. It uses brand new photographs and detailed directions. Not only a manual, it is also fun to read. The Finished Styles chapter of the book contains coffee table book quality images of models with their finished hairstyles. Sprinkled in introductions and throughout the book are interesting facts about the history of hairstyling, origins of styles, and information about starlets and performers who made the styles popular.

The Duchess of Malfi Plum Bun Publishing

"This comprehensive guide will walk you through how to make and wear your 18th century dream gown. [The authors] have endeavored to ... [bring] historically accurate dressmaking techniques into your sewing room. Learn how to make four of the most iconic 18th century silhouettes--the English Gown, Sacque Gown, Italian Gown and Round Gown--using the same hand sewing techniques done by historic dressmakers. From large hoops to full bums, wool petticoats to grand silk gowns, ruffled aprons to big feathered hats, this manual has project patterns and instructions for every level of 18th century sewing enthusiast"--Amazon.com.

The American Duchess: The Real Wallis Simpson Henry Holt and Company

Comprehensive study of late-18th-century clothing worn by settlers and Abenaki Indians of New England. Full descriptions and line drawings with complete instructions for duplicating a wide range of garments: shifts, petticoats, gowns, breeches, waistcoats, headgear, more. Four bibliographies. List of resources. 54 black-and-white illustrations.

The Last of the Duchess Pen and Sword History

A glorious companion volume to *Historical Fashion in Detail- The 17th and 18th Centuries* and *Modern Fashion in Detail*, this book captures the opulence and variety of nineteenth-century fashion through an authoritative text, exquisite colour photography and line drawings of the complete garments. From the delicate embroidery on neoclassical gowns to the vibrant colours of crinolines and the elegant tailoring of men's coats, the richness of the period is revealed in breathtaking detail. The garments showcased here, drawn from the V&A Museum's world famous collection, were at the height of fashion in their time. They display a remarkable range of colours, materials and construction details- from the intricate boning on women's corsets to the patterned silk of men's waistcoats. Seen in close-up for the first time and further illuminated by detailed commentary and line drawings that show the ingenuity of the underlying construction, these carefully chosen garments illustrate some of the major themes of nineteenth-century dress.

A History of the Dukes of Bolton, 1600-1815 Courier Corporation

Costume Close-up discusses the cut, fit, and construction of antique clothing of the second half of the eighteenth century. It will enable talented artisans with advanced skills to construct authentic garments and show curators, conservators, costumers, and reenactors new ways to look at such attire.

The American Duchess Guide to 18th Century Beauty Penguin

Barbara of Austria is plain, quick-witted and sensible. She also desperately needs a husband, for unmarried at twenty-six, she is about to be packed off to a convent, like her sisters before her.

The Duchess Countess Page Street Publishing

Discover the adventurous life of the stylish and scandalous Elizabeth Chudleigh, Duchess of Kingston—a woman whose infamous trial was bigger news in British society than the American War of Independence. “Bridgerton fans take note: For sheer incident and drama, Chudleigh’s story rivals any episode of the popular Regency-era Netflix series. And it’s all true” (The Washington Post). As maid of honor to the Princess of Wales, Elizabeth Chudleigh enjoyed a luxurious life in the inner circle of the Hanoverian court. With her extraordinary style and engaging wit, she both delighted and

scandalized the press and public. She would later even inspire William Thackeray when he was writing his classic *Vanity Fair*, providing the inspiration for the alluring social climber Becky Sharp. But Elizabeth's real story is more complex and surprising than anything out of fiction. A clandestine, candlelit wedding to the young heir to an earldom, a second marriage to a duke, a lust for diamonds, and an electrifying appearance at a masquerade ball in a gossamer dress—it's no wonder that Elizabeth's eventual trial was a sensation. Charged with bigamy, an accusation she vehemently fought against, Elizabeth refused to submit to public humiliation and retire quietly. "A superb, gripping, decadent, colorful biography that brings an extraordinary woman and a whole world blazingly to life" (Simon Sebag Montefiore, *New York Times* bestselling author), *The Duchess Countess* is perfect for fans of *Bridgerton*, *Women of Means*, and *The Crown*.

Household Sewing with Home Dressmaking Moyer Bell Limited

Now including an excerpt from *VICTORIA: A Novel*, by Daisy Goodwin, the Creator/Writer of the Masterpiece Presentation on PBS. "Anyone suffering *Downton Abbey* withdrawal symptoms (who isn't?) will find an instant tonic in Daisy Goodwin's *The American Heiress*. The story of Cora Cash, an American heiress in the 1890s who bags an English duke, this is a deliciously evocative first novel that lingers in the mind." --Allison Pearson, *New York Times* bestselling author of *I Don't Know How She Does It* and *I Think I Love You* Be careful what you wish for. Traveling abroad with her mother

at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage. Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. "For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." --Daisy Goodwin in *The Daily Mail* One of *Library Journal's* Best Historical Fiction Books of 2011

Clothing Construction Random House

John Webster's classic revenge tragedy *The Duchess of Malfi* was first performed in 1613 and published in 1623. This guide offers students an introduction to its critical and performance history, including recent versions on stage and screen. It includes a keynote chapter outlining major areas of current research on the play and four new critical essays presenting new critical positions that offer divergent perspectives on Webster's religious-political allegiances and the politics and gendering of secrecy in the play. Finally, a guide to critical, web-based and production-related resources and an annotated bibliography provide a basis for further individual research.
