The Sunrise Lands Penguin

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

"This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years." – Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi—or for the world that he knows—will ever be the same...

The Sunrise New York Review of Books

First in a new trilogy, this book continues the successful alternate history saga of "A Meeting at Corvallis, The Protectors War," and "Dies the Fire," all of which have been selections of the Science Fiction Book Club.

Dead Land Headline

"A major work by an authentic master of alternate history." – Booklist (Starred Review) In the tenth year of the Change, the survivors in western Oregon live in a world without technology. Michael Havel's Bearkillers hold the lands west of Salem in peace and order. To the east, the Clan Mackenzie flourishes under the leadership of Juniper Mackenzie, bard and High Priestess. Together, they have

held Norman Arminger—the warlord of Portland—at bay. With his dark fantasies of a neofeudal empire, Arminger rules much of the Pacific Northwest, spreading fear with his knights, castles, and holy inquisition. Even more dangerous, and perhaps Arminger's most powerful weapon of all, is his ruthlessly cunning consort, Lady Sandra. These factions haven't met in battle because Arminger's daughter has fallen into Clan Mackenzie's hands. But Lady Sandra has a plan to retrieve her—even if it means plunging the entire region into open warfare...

An American Sunrise: Poems HarperCollins

"First rate suspense, with a soupcon of horror in the Hannibal Lecter vein... You won't be disappointed." —Stephen King From Peter Blauner, the writer Dennis Lehane calls "one of the most consistently bracing and interesting voices in American crime literature," comes a new thriller about a lone young cop on the trail of a powerful killer determined not just to stop her, but to make her pay. In the summer of Star Wars and Son of Sam, a Long Island schoolgirl is found gruesomely murdered. A local prosecutor turns a troubled teenager known as JT from a suspect to a star witness in the case, putting away a high school football star who claimed to be innocent. Forty years later, JT has risen to chief of police, but there's a trail of a dozen dead women that reaches from Brooklyn across Long Island, along the Sunrise Highway, and it's possible that his actions actually enabled a killer. That's when Lourdes Robles, a relentless young Latina detective for the NYPD, steps in to track the serial killer. She discovers a deep and sinister web of connections between the victims and some of the most powerful political figures in the region, including JT himself. Now Lourdes not only has to catch a killer, but maybe dismantle an entire system that's protected him, possibly at the cost of her own life.

The Outsiders Penguin

A stunning middle-grade debut--full of heart, humor, and nonstop action It's tough to be thirteen, especially when somebody's trying to kill you. Not that Egg's life was ever easy, growing up on sweaty, pirate-infested Deadweather Island with no company except an incompetent tutor and a pair of unusually violent siblings who hate his guts. accident, Egg finds himself a long-term guest at the mansion of the glamorous Pembroke family and their beautiful, sharp-tongued daughter Millicent. Finally, life seems perfect. Until someone tries to throw him off a cliff. Suddenly, Egg's running for his life in a bewildering world of cutthroat pirates, villainous businessmen, and strange Native legends. The only people who can help him sort out the mystery of why he's been marked for death are Millicent and a one-handed, possibly deranged cabin boy. Come along for the ride. You'll be glad you did.

The Land Beneath Us (Sunrise at Normandy Book #3) A&C Black

This is the story of Sam, a young man who leaves the countryside for the big city to work as a cyclo driver, piloting his three-wheeled bicycle taxi through busy streets. Sam just wants to earn an honest wage, but he is constantly thwarted by those with money: his landlord, factory bosses, politicians, even the woman who rents him his cyclo. The city takes its toll, and Sam's humanity is denied him at every turn, leading to the devastation of his small family and his surrender to temptation. But a dramatic change to Sam's fortunes is heralded by the country's liberation from colonial rule. Sam returns to the countryside to discover that "the life of the peasants that had been filled with suffering and decline, was filled with a fresh joy and happiness, and a new hope." First published in 1961, eight years after Cambodia gained independence from French colonial rule, *A New Sun Rises Over the Old Land* is an iconic work of modern Khmer literature, a singularly illuminating document of the new nation. This is one of the first English translations of a modern Khmer novel, and the text is accompanied by an extended introduction that situates the author in his historical and artistic context and examines the novel's literary value.

Island in the Sea of Time Penguin

S. M. Stirling presents his first Novel of the Change, the start of the New York Times bestselling postapocalyptic saga set in a world where all technology has been rendered useless. The Change occurred when an electrical storm centered over the island of Nantucket produced a blinding white flash that rendered all electronic devices and fuels inoperable—and plunged the world into a dark age humanity was unprepared to face... Michael Pound was flying over Idaho en route to the holiday home of his passengers when the plane's engines inexplicably died, forcing a less than perfect landing in the wilderness. And as Michael leads his charges to safety, he begins to realize that the

engine failure was not an isolated incident. Juniper McKenzie was singing and playing guitar in a pub when her small Oregon town was thrust into darkness. Now, taking refuge in her family's cabin with her daughter and a growing circle of friends, Juniper is determined to create a farming community to benefit the survivors of this crisis. But even as people band together to help one another, others are building armies for conquest...

Sunrise Highway Penguin

From the internationally bestselling author of *The Island* comes a stirring novel about loyalty, love, and resilience in the face of tremendous upheaval—a saga of survival set during the 1974 Cypriot coup d'état that tells the intersecting stories of three families whose lives are decimated when brewing ethnic tensions erupt into conflict. Summer 1972—Famagusta is Cyprus's most glamorous city and the most desirable tourist destination in the Mediterranean, and the Papacostas are right at the center of it. Aphroditis and her husband Savvas own *The Sunrise*, a wildly successful new luxury hotel. Frequented by only the very wealthiest of Europe's elite, *The Sunrise*—especially its alluring nightclub—quickly becomes the place to see and be seen. Yet beneath the veneer of tranquil opulence simmers mounting hostility between the Greeks and the Turks. Years of unrest and ethnic violence come to a head when, in 1974, Greece's coup d'état provokes a Turkish attack on beautiful Famagusta. The fallout sends the island's inhabitants spiraling into fear and chaos, and the Papacostas join an exodus of people who must abandon their idyllic lives in Famagusta and flee to refugee camps. In the end, only two families remain in the decimated city: the Özkans and the Georgious. One is Turkish Cypriot, the other Greek Cypriot and the tension between them is palpable. But with resources scarce and the Turkish militia looming large, both families must take shelter in the deserted hotel as they battle illness, hunger, fear, and their own prejudices while struggling to stay alive. Juxtaposing a powerful narrative of war against the glittering affluence of the 1970s Mediterranean coast, *The Sunrise* is a moving story about the measures we take to protect what we love.
