*Nordic Europe - Berlitz Phrasebook and Dictionary* Harper Collins

Order your sill or any other dish on the smorgasbord in Swedish, enjoy Danish Hygge and chat with a couple of Norwegians while checking out their favorite fjord. Make the most of Iceland's Bjordagurinn celebrations, stop for a late night snack at a Finnish grilli and yell yourself hoarse at a traditional Faroese rowing competition. In This Guide:

Essential language for festivals, camping and the outdoors. Comprehensive food guide, including menu decoder in each language. Easy pronunciation guide, with tips throughout. Packed with useful phrases for sightseeing, shopping and getting around. Includes Danish, Swedish, Norwegian, Finnish, Faroese, and Icelandic.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and

turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Finland: the world's best-kept secret Finland, Cultural Lone Wolf is the story of an accomplished nation and her extraordinary people. Pursuing a "Lone Wolf" policy, Finland raised itself from a struggling, war-battered state in 1945 to one of the most developed countries in the world. The exponential rise of Nokia from tire and timbers to leading the world's telecommunication industry is indicative of the Finns and their characteristic business style. These remarkable people speak a language unique in its origins and have kept their cultural identity intact despite the influences of powerful neighbors, Sweden and Russia. Uniquely qualified to write about Finland, best-selling author Richard Lewis traces the fascinating Finnish origins, as well as her history, geography, values and culture. His extensive experience with Finnish business provides him with keen insight

on leadership style, negotiation strategies and the uniquely Finnish suomi-kuva (Finland image). And Lewis shines when describing Finnish humor, complete with hilarious jokes and stories. Finland, Cultural Lone Wolf shows a nation and a writer at their best. Speak Texan in 30 Minutes Or Less

Berlitz Languages, Incorporated  
All Latin American countries have most major factors related to English Language Teaching (ELT) in common, but many are notably different from countries in Europe, Asia and Africa. This book is about ELT specifically in Latin America, past, present and future. Between August 2018 and July 2020, Paul Davies published, edited and wrote articles for the 24 monthly numbers of an open access online magazine, English Language Teaching in Latin America. This book contains most of his articles in that magazine and citation of articles by other contributors.

In and Out of English Harmony  
Aramaic is now recognised throughout the world as the language spoken by Christ and the Apostles. Contrary to popular belief, however, it is very much a 'living' language spoken today by the Assyrian peoples in Iran, Iraq, Syria and Turkey. It is also heard in Assyrian emigre communities of the US, Europe and Australia. Modern Aramaic or Assyrian is made up of a number of dialects. The two major ones are Swadaya (Eastern) and Turoyo (Western). This unique dictionary and phrasebook incorporates both dialects in a way that illustrates the differences and gives the reader a complete understanding of both. The dialects are presented in an easy-to-read romanised form that will help the reader to be understood.

### **Revitalizing Endangered Languages**

Berlitz Languages, Incorporated  
Of the approximately 7,000 languages in the world, at least half may no longer be spoken by the end of the twenty-first century. Languages are endangered by a number of factors, including globalization, education policies, and the political, economic and cultural marginalization of minority groups. This guidebook provides ideas and strategies, as well as some background, to help with the effective revitalization of endangered languages. It covers a broad scope of themes including effective planning, benefits, wellbeing, economic aspects, attitudes and ideologies. The chapter authors have hands-on experience of language revitalization in many countries around the world, and each chapter includes a wealth of examples, such as case studies from specific languages and language areas. Clearly and accessibly written, it is suitable for non-specialists as well as academic researchers and students

interested in language revitalization.

This book is also available as Open Access on Cambridge Core.

Berlitz Phrase Book and Dictionary Danish (Bilingual Dictionary) Great Texas Line Press

*In and out of English: For Better, For Worse?* is concerned with the impact of English as the lingua franca of today's world, in particular its relationship with the languages of Europe. Within this framework a number of themes are explored, including linguistic imperialism, change as the result of language contact, the concept of the English native speaker, and the increasing need in an enlarged Europe for translation into as well as out of English.
