Du wusstest es doch Catapult

“Daniel Alarcon writes about subterfuge, lies, and the arbitrary recreation of history with a masterful clarity. By accepting the premise that war is senseless, he goes on to make sense of the lives that are destroyed in its wake. Lost City Radio is both ambitious and resonant.” — Ann Patchett, bestselling author of *Bel Canto*

and *The Dutch House* In his critically acclaimed debut novel, award winning author Daniel Alarcón vividly portrays an anonymous nation searching for its identity at the end of a war with no clear right or wrong. For ten years, Norma has been the on-air voice of consolation and hope for the Indians in the mountains and the poor from the barrios—a people broken by war's violence. As the host of Lost City Radio, she reads the names of those who have disappeared—those whom the furiously expanding city has swallowed. Through her efforts lovers are

reunited and the lost are found. But in the aftermath of the decade long bloody civil conflict, her own life is about to forever change—thanks to the arrival of a young boy from the jungle who provides a cryptic clue to the fate of Norma's vanished husband. Stunning, timely, and absolutely mesmerizing, *Lost City Radio* probes the deepest questions of war and its meaning: from its devastating impact on society to the emotional scarring each survivor carries for years after.

Annie Dunne St. Martin's Press
Rome, 2010. En rentrant chez elle, Ilaria

trouve sur le pas de sa porte un jeune Éthiopien. Il dit être à la recherche de son grand-père, Attilio Profeti, qui n'est autre que le père de la jeune femme. Quels secrets le patriarche de la famille Profeti cache-t-il ? Troublée, Ilaria décide d'enquêter. Derrière le passé officiel de son père - deux mariages, quatre enfants et une réussite sociale éclatante -, elle découvre bientôt le parcours sombre et fascinant d'un homme sans scrupule. À mesure que le voile se lève sur la jeunesse d'Attilio apparaît tout un pan occulté de l'histoire italienne : la colonisation de l'Éthiopie sous Mussolini, dont les traces bouleversantes subsistent encore dans l'Italie contemporaine.

Nell'afa dell'estate romana, il giorno prima della visita di stato del colonnello Gheddafi, Ilaria trova ad attenderla davanti alla porta del suo appartamento all'Esquilino un ragazzo africano. È arrivato dall'Etiochia attraversando la Libia e dice di essere nipote di Attilio Profeti, il padre di Ilaria, e della donna con cui questi ha vissuto durante l'occupazione italiana

in Abissinia. All'inizio Ilaria pensa a uno scherzo, eppure nel profondo sa che l'anziano padre è un uomo dai tanti segreti. Dal tentativo di dare un senso a questo inaspettato legame, Ilaria cercherà di comporre le tessere di un mosaico familiare lungo tre generazioni e intrecciato alla storia d'Italia: dal passato coloniale alle bugie del dopoguerra passando dagli anni di Berlusconi fino al presente delle grandi migrazioni. E si renderà conto di non essere la sola a ignorare il portato dei cinque anni di occupazione fascista dell'Etiochia, dal 1936 al 1941: è uno dei grandi rimossi di un'intera nazione, occultato per decenni dalla narrazione collettiva. Romanzo di ampio respiro storico e felice ambizione narrativa, Sangue giusto scandaglia in profondità la coscienza di uomini e donne costretti a confrontarsi con una realtà più complessa di quello che sembra, che sfugge alle definizioni a cui siamo abituati. E si chiede: che cosa sappiamo - e che cosa vogliamo e possiamo veramente sapere - delle persone che amiamo? Fino a che punto siamo in grado di comprenderle e di perdonarle? E che cosa c'entra tutto ciò con chi siamo noi?

Alle, außer mir Verlag Klaus Wagenbach 2010, Rome. Ilaria, la quarantaine, trouve sur le seuil de sa porte un jeune Ethiopien qui dit être à la recherche de son grand-père, Attilio Profeti. Or c'est le père d'Ilaria. A quatre-vingt-quinze ans, le patriarche de la famille Profeti est un homme à qui la chance a toujours souri : deux mariages, quatre enfants, une réussite sociale éclatante. Troublée par sa rencontre avec ce migrant qui déclare être son neveu, Ilaria commence à creuser dans le passé de son père. A travers l'enquête d'Ilaria qui découvre un à un les secrets sur la jeunesse de son père, Francesca Melandri met en lumière tout un pan occulté de l'histoire italienne : la conquête et la colonisation de l'Ethiopie par les chemises noires de Mussolini, de 1936 à 1941 - la violence, les massacres, le sort tragique des populations et, parfois, les liens qu'elles tissent avec certains colons italiens, comme le fut Attilio Profeti. Dans ce roman historique où l'intime se mêle au collectif, Francesca Melandri apporte un éclairage nouveau sur l'Italie actuelle et celle des années Berlusconi, dans ses rapports complexes avec la période fasciste. Naviguant habilement

d'une époque à l'autre, l'auteur nous fait partager l'épopée d'une famille sur trois générations et révèle de façon bouleversante les traces laissées par la colonisation dans nos sociétés contemporaines.

Revolver Road Bompiani

Crime reporter Harper McClain is back on the beat when a troubled musician vanishes in Christi Daugherty's *Revolver Road*. Even in the chill of February, no place touches Harper McClain's heart like Savannah. She should be walking beneath the historic city's towering oaks, surrounded by graceful mansions. Instead, she's hiding miles away on Tybee Island after a mysterious voice on the phone warned her that someone wanted her dead. The call was too specific to ignore. The caller knew everything about her. But that was months ago, and she's getting tired of being scared. The police believe he drowned, but Harper suspects his disappearance may be more ominous than that. Something doesn't feel right about it. His bandmates and actress girlfriend say he's run away before. They expect him to come home. Until a body washes up with two bullet holes in it. Now everyone in Rayne's life is a suspect. Now she must solve two murders, or end up dying on *Revolver Road*...

Der große Roman der römischen Autorin Francesca Melandri: eine Familiengeschichte, ein Porträt Italiens im 20. Jahrhundert, eine Geschichte des Kolonialismus und seiner langen Schatten, die bis in die Gegenwart reichen. Kennen Sie Ihren Vater? Wissen Sie, wer er wirklich ist? Kennen Sie seine Vergangenheit? Die vierzigjährige Lehrerin Ilaria hätte diese Fragen wohl mit "ja" beantwortet, und auch ihre Angehörigen

glaubte sie zu kennen – bis eines Tages ein junger Afrikaner auf dem Treppenabsatz vor ihrer Wohnung in Rom sitzt und behauptet, mit ihr verwandt zu sein. In seinem Ausweis steht: Attilio Profeti, das ist der Name ihres Vaters ... Der aber ist zu alt, um noch Auskunft zu geben. Hier beginnt Ilarias Entdeckungsreise, von hier aus entfaltet Francesca Melandri eine schier unglaubliche Familiengeschichte über drei Generationen und ein schonungsloses Porträt der italienischen Gesellschaft. Und sie holt die bisher verdrängte italienische Kolonialgeschichte des 20. Jahrhunderts in die Literatur: die Verbindungen Italiens nach Äthiopien und Eritrea bis hin zu den gegenwärtigen politischen Konflikten verknüpft Melandri mit dem Schicksal der heutigen Geflüchteten – und stellt die Schlüsselfragen unserer Zeit: Was bedeutet es, zufällig im "richtigen" Land geboren zu sein, und wie entstehen Nähe und das Gefühl von Zugehörigkeit?

Named Book of the Year by Elle magazine, this “Italian love story [is] destined to become a classic” (The Gazette). Eva, a forty-year-old public relations professional living in Northern Italy, receives an unexpected message from Southern Italy. Vito, a man she briefly knew as a child as a friend of her mother’s, is very ill and would like to see her one last time. He is a retired police officer who was stationed in the north during the late sixties, a period rife with tension, protest, and violence surrounding disputed land near the border with Austria. These troubles, however, did not stop a hapless young policeman from falling in love with the “wrong” woman, a girl named Gerda from Austrian Tyrol, an inventive and accomplished cook, a northerner, the sister of a terrorist—and Eva’s mother. Vito’s affair with Gerda was a passionate one, but what was the nature of their love? And if he loved her so passionately, why did he return to Calabria? What scars did those years leave on Vito, and on Gerda? It’s time for Eva to find out, in this sweeping literary page-turner about family, forgiveness, and conflict, a bestseller in Italy now translated in English.

Ein Erbe gilt es anzutreten. Dafür reisen

die "Hundsköpfe" aus Paris jedenfalls an, aufs Jagdgut von Monsieur Louis, der unerwartet verstarb. Dort erwarten sie die Gutsknechte Aimé und Martial, schlechtes Wetter und einige Unvorhersehbarkeiten. Monsieur Louis ruht unter einem Baum, eine Gewehrkugel im Hals. Ein Selbstmord auf dem Land. In seinem Testament vererbt er den Hof, seinen von Wildschweinen bevölkerten Wald, die Schweinezucht und sogar Aimé, den Hausknecht, an fünf seiner Jagdgäste. Die designierten Erben reisen an: ein Inspektor im Ruhestand, ein habgieriges Ehepaar, ein ehemaliger Offizier und ein schwuler Bordellbesitzer mit Hund. Ohne einen Gedanken an den Verstorbenen erwarten sie misstrauisch und ungeduldig den Notar. Der jedoch nicht kommen wird. Und erst allmählich wird klar, dass die gleichfalls unlängst verstorbene Lucette eigentlich der Anlass dieser Zusammenkunft ist. Émilie de Turckheim erzählt aus der Perspektive des leicht verlangsamten Aimé eine originelle Geschichte von Rache und Vergeltung. Mit der grausamen Ironie und Virtuosität einer Agatha Christie streut sie Zweifel und Indizien und verrät doch nichts.

A gorgeously rendered graphic novel of Daniel Alarcón's story *City of Clowns*. From the author of *The King Is Always Above the People*, which was longlisted for the 2017 National Book Award for Fiction. Oscar "Chino" Uribe is a young Peruvian journalist for a local tabloid paper. After

the recent death of his philandering father, he must confront the idea of his father's other family, and how much of his own identity has been shaped by his father's murky morals. At the same time, he begins to chronicle the life of street clowns, sad characters who populate the violent and corrupt city streets of Lima, and is drawn into their haunting, fantastical world. This remarkably affecting story by Daniel Alarcón was included in his acclaimed first book, *War by Candlelight*, and now, in collaboration with artist Sheila Alvarado, it takes on a new, thrilling form. This graphic novel, with its short punches of action and images, its stark contrasts between light and dark, truth and fiction, perfectly corresponds to the tone of Chino's story. With the city of Lima as a character, and the bold visual language from the story, *City of Clowns* is moving, menacing, and brilliantly vivid.

An in-depth exploration of Ukraine through encounters with the many different people who live there. "Will someone pay for the

spilled blood? No. Nobody.” Mikhail Bulgakov composed this ominous and prophetic phrase in Kiev amid the turmoil of the Russian civil war. Since then, Ukrainian borders have shifted constantly, and its people have suffered numerous military foreign interventions. Ukraine has only existed as an independent state since 1991, and what exactly it was before then is controversial among its people as well as its European neighbors. In *Black Earth: A Journey through the Ukraine*, journalist and celebrated travel writer Jens Mühling takes readers across the country amid the ousting of former president Viktor Yanukovych and the Russian annexation of Crimea. Mühling delves deep into daily life in Ukraine, narrating his encounters with Ukrainian nationalists and old communists, Crimean Tatars and Cossacks, smugglers, and soldiers. *Black Earth* connects all these stories to convey an unconventional and unfiltered view of Ukraine, a country at the crossroads of Europe and Asia and the center of countless conflicts. In this paperback edition, a new preface is included that takes into account recent developments up to the 2022 war between Russia and Ukraine.

Alle, außer mir [CD] Little, Brown Books for Young Readers

Blending fact and fiction, this darkly comic fable "may be the purest distillation yet of Mr. Ma's talent for probing the country's darkest corners and exposing what he regards as the Communist Party's moral failings" (Mike Ives, The New York Times). Called "Red Guards meet Kurt Vonnegut . .

. powerful!" by Margaret Atwood on Twitter, *China Dream* is an unflinching satire of totalitarianism. Ma Daode, a corrupt and lecherous party official, is feeling pleased with himself. He has an impressive office, three properties, and multiple mistresses who text him day and night. After decades of loyal service, he has been appointed director of the China Dream Bureau, charged with replacing people's private dreams with President Xi Jinping's great China Dream of national rejuvenation. But just as he is about to present his plan for a mass golden wedding anniversary celebration, his sanity begins to unravel. Suddenly plagued by flashbacks of the Cultural Revolution, Ma Daode's nightmare visions from the past threaten to destroy his dream of a glorious future. Exposing the damage inflicted on a nation's soul when authoritarian regimes, driven by an insatiable hunger for power, seek to erase memory, rewrite history, and falsify the truth, *China Dream* is a dystopian vision of repression, violence, and state-imposed amnesia that is set not in the future, but in China today.
