[Goddess of Nature](#) Royal Botanic Kew Gardens Arts In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy

trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the

question that haunts
her, and she's about to
find out. When one of
the strangers --
beautiful, haunted
Akiva -- fixes his fire-
colored eyes on her in
an alley in Marrakesh,
the result is blood and

starlight, secrets
unveiled, and a star-
crossed love whose
roots drink deep of a
violent past. But will
Karou live to regret
learning the truth
about herself?
