Tiara He's the pakhan
of a cruel, heartless
bratva mafia. With his
sculpted body, tattoos
on his chest, and his

pair of smoldering eyes, Daniel stole my heart. And the press of his lips on mine, the graze of his stubbly chin, and the touch of his callous hands are enough to make me think about him every night. But I know that I shouldn't look at him as anything more than my client... I've had first-hand experience with falling in love with dangerous men, and I don't want to make the same mistake again. But then, the unlikely happened. I'm pregnant, with his baby, and I know that if he finds out, he will make me his. I have to keep it hidden from him, but he's getting closer to the truth. And I don't know for how much longer I can keep the lie alive... Daniel I would never have met her if my wife hadn't

cheated on me. And she's like no other woman I know. Dark chocolate skin, amber eyes, and lips so full they beg me to kiss them... I had an unforgettable night with Tiara, but since then, she's been avoiding me. I am obsessed, sweating every night as I keep thinking about her. Tiara is hiding something from me. I can't read her mind, but I am going to find out all about it. And every moment I spend with her only strengthens my decision. I am going to marry that gorgeous Queen. Dear reader, this is a dark standalone romance. If you are looking for a story peppered with intense and gripping scenes, steamy moments, and a man

willing to do anything to keep his loved one safe, then this book was made for you.

He's known her since she was a shy kid. When Earl's best friend gets out of prison, he can't find out under any circumstances. One wrong move and LaShawn's prison-hardened brother

Devonté will kill them both... This naughty secret has to stay hog-tied and ball-gagged.

The Intrusion Jolie Damman

A Flirty & Feisty Romance Novel: Love for real Tiara Williams is a damn good therapist from whichever side you look at it. But she's not a manipulator. That's what the too-damn-

sexy, take-me-or-leave-me guy faults her on-of hypnotizing his mind. She might as well steal his peace of mind if he does not stop and allow her get back to helping others recover their sanity. After all, doing what she does best is a sure way to avoid facing the reality she'll end up alone. Rather than with a man whose hands are soiled with blood. Hunter Chase will hurl the wildly crazy, sexy therapist who insists she's not hypnotizing him off her feet until she confesses. Or he'll press her to the floor, not to his bed just to steer her in the direction of crazy like she's doing to him. Why has she taken over his mind, so he can't even stop showing up at the freaking therapy

sessions? Maybe it's got to do with his tormented soul howling at him to tear down her walls, reach her soul, claim her curvy body and have at least six babies with her! But his hands aren't clean and his heart isn't pure. Bound by ethics, he's forbidden to her. Will Hunter Chase go on a hot chase after a woman who's stolen his sanity? MESSAGE TO
POTENTIAL READERS:

This book series is recommended for those who are seeking a very raw, real, deeply emotional, and cerebral story. It is a very long continuous turbulent saga and is, therefore, NOT recommended for those who are seeking a storyline with instant gratification. It is also not recommended for those seeking escapism that only consists of joyous moments. AMAZON REVIEW 5 stars: A must read This is not a frivolous story of a

slave falling in love with her master, it's definitely not a case of Stockholm syndrome. It is the story of a love that began as innocently as children where color barriers and slavery haven't distorted their world yet. -Dona B.

Tamed by the Mafioso

In DisQovery Press From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension

between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been

told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.
