All My Life Vintage
Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or

previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers

worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace

of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Like her grandmother, Lucinda J. Miller wears long dresses and a prayer covering. But she uses a cellphone and posts status updates on Facebook, too. Anything but *Simple* is the riveting memoir of a young woman's rich church tradition, lively family life, and longings for a meaningful future within her Mennonite faith. With a roving curiosity and a sometimes saucy tongue, Miller ushers us into her busy life as a young schoolteacher. Book 5 in

the *Plainspoken* series. Hear straight from Amish and Mennonite people themselves as they write about their daily lives and deeply rooted faith in the *Plainspoken* series from Herald Press. Each book includes "A Day in the Life of the Author" and the author's answers to FAQs about the Amish and Mennonites.

keeping a record of every
book you've ever read.
What would this reading
trajectory say about you?
With passion, humor, and
insight, the editor of The
New York Times Book
Review shares the stories

that have shaped her life.
Pamela Paul has kept a
single book by her side for
twenty-eight years –
carried throughout high
school and college, hauled
from Paris to London to
Thailand, from job to job,
safely packed away and
then carefully removed
from apartment to house
to its current perch on a
shelf over her desk –
reliable if frayed,
anonymous-looking yet
deeply personal. This
book has a name: Bob.
Bob is Paul's Book of
Books, a journal that
records every book she's

ever read, from Sweet
Valley High to Anna
Karenina, from Catch-22
to Swimming to
Cambodia, a journey in
reading that reflects her
inner life – her fantasies
and hopes, her mistakes
and missteps, her dreams
and her ideas, both half-
baked and wholehearted.
Her life, in turn, influences
the books she chooses,
whether for solace or
escape, information or
sheer entertainment. But
My Life with Bob isn't
really about those books.
It's about the deep and
powerful relationship

between book and reader. It's about the way books provide each of us the perspective, courage, companionship, and imperfect self-knowledge to forge our own path. It's about why we read what we read and how those choices make us who we are. It's about how we make our own stories. All But My Life Crown Archetype

history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like

to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the

South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Drive and To Sell Is Human, unlocks the scientific secrets to good timing to help you flourish at work, at school, and at home. Everyone knows that timing is everything. But we don't know much about timing itself. Our lives are a never-ending stream of "when" decisions: when to start a business, schedule a class, get serious about a person. Yet we make those decisions based on intuition and guesswork. Timing, it's often assumed, is an art. In *When: The Scientific*

Secrets of Perfect Timing, Pink shows that timing is really a science. Drawing on a rich trove of research from psychology, biology, and economics, Pink reveals how best to live, work, and succeed. How can we use the hidden patterns of the day to build the ideal schedule? Why do certain breaks dramatically improve student test scores? How can we turn a stumbling beginning into a fresh start? Why should we avoid going to the hospital in the afternoon? Why is singing in time

with other people as good for you as exercise? And what is the ideal time to quit a job, switch careers, or get married? In *When*, Pink distills cutting-edge research and data on timing and synthesizes them into a fascinating, readable narrative packed with irresistible stories and practical takeaways that give readers compelling insights into how we can live richer, more engaged lives.

 “Reading this will lead you to a better life.” —Dean

Nelson, author of *God Hides in Plain Sight* In *The 100 Thing Challenge* Dave Bruno relates how he remade his life and regained his soul by getting rid of almost everything. But *The 100 Thing Challenge* is more than just the story of how one man started a movement to unhook himself from consumerism by winnowing his life’s possessions down to 100 things in one year. It’s also an inspiring, invigorating guide to how we all can begin to live simpler, more meaningful

lives.

One day John Freyer decided to sell everything he owned on the internet. He invited his friends over to tag all the possessions in his apartment, and he systematically put them up for sale on eBay. An unopened box of taco shells, half a bottle of mouthwash, almost all of his clothes, his records, his sideburns (in a plastic bag), his family's Christmas presents (not yet given), furniture- John didn't let sentiment or

utility stand in his way. Soon his belongings were sold all over the world, with a bag of Porky's BBQ Pork Skins making its way to Japan, and a chair ending up in the Museum of Modern Art. With almost all the objects in his life now gone, he started the second phase of his journey- to visit his onetime possessions in their new homes.

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome

of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores “what it means to be seen, to find someone with whom you can be your best and most complete self.” When Patchett chose an early galley of actor and

producer Tom Hanks’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and

landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected

influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

 Working as a stripper is anything but easy. You're often treated like a living blow-up doll and a therapist simultaneously. It's a life that many judge easily ... until you know more. Sita Kaylin, a California-based veteran in the sex industry, has lived the pitfalls of being naked in front of strangers and the absurdities that arise when you fake intimacy for a living. She left home when she was sixteen,

worked hard at several jobs and eventually started college after dropping out of high school. There, a roommate turned her on to stripping, revealing a way out of the crushing financial pressures she felt and her struggles as a pre-law student with very little time or energy to study. She had no idea how wild her journey would become and what a large part of her life it would be. Sita's stories take shape through an often altered, occasionally sarcastic, sometimes

illegal and frequently funny magnifying glass she holds up to not just the sex industry, but also to human needs and desires, modern relationships, mental health, personal independence. Anything But a Wasted Life is the memoir of an unorthodox life about a woman who has rarely said 'no' to life. **A Novel** Henry Holt and Company
 “A badass debut by any measure—nimble, knowing, and electrifying.” —Colson Whitehead, Pulitzer Prize-

winning author of The Nickel Boys and Harlem Shuffle "...'My Monticello' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." — The Washington Post
 Winner of the Weatherford Award in Fiction A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his

own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "My Monticello," tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by

Da'Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "Control Negro," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his

own son from birth in order to "painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there." Johnson's characters all seek out home as a place and an internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue

and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through "Buying a House Ahead of the Apocalypse." United by these characters' relentless struggles against reality and fate, *My Monticello* is a formidable book that bears witness to this country's legacies and announces the arrival of a wildly original new voice in American fiction. —Desmond Tutu, Nobel

—Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer

Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to forgive—herself. Edie weaves her remarkable

personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers.

The beginning of any love story starts with the meet. I've known Garrett Hollis since before I can remember, and I've loved him just as long. I loved

him while he loved someone else. I loved him when he had a baby with her. I loved him when she left him. The greatest of love stories is that between a dad and his daughter. I should know. I've had a front row seat. First steps, first words, all the big moments. Garrett was just a teenager when Mia was born. I've watched him braid his daughter's hair, hold her hand crossing the street, seen her asleep on his chest. I'm the best friend, the one they can count on for everything from dance

lessons to motherly advice, anything they need. I'm their go-to girl. The best part of any love story is the happily ever after. But what if the happily ever after doesn't include you? All my life, that's how long I've loved him. Of course, he's clueless.

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on

a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but

her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and

her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.
