The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Due Diligence and the Business Transaction: Getting a Deal Done is a practical guide to due diligence for anyone buying or selling a privately held business or entering into a major agreement with another company. When you're buying a business, it's wise to conduct due diligence. That's the process of investigating and verifying

the firm's finances, labor record, exposure to environmental issues, store of intellectual property, hard assets, ownership structure, and much more. If you don't, you may later stumble into serious, costly problems, or you may pay an inflated price for the business. This book not only shows you how to conduct such an examination and what to look for, but it will also help you uncover hidden issues that some sellers might not want you to know about. Conversely, this book shows smart business sellers how to conduct due diligence on their own firms to arrive at the right sales price, uncover issues that might scare off buyers or investors, solve lingering problems before a sale, and more. Done right, due diligence can help sellers ensure they sell the business for the best price and with the least risk. *Due Diligence and the Business Transaction* will help you understand when to conduct due diligence, whom to include, and how to spot the red flags that signal danger. In addition, you will learn: How to conduct due diligence when contemplating a joint venture, business loan, franchise opportunity, or manufacturing deal How to calibrate the correct scope and breadth of the due diligence investigation depending on your situation How the results of due diligence may and often will change the elements of the final deal How to draft due diligence documents so they protect your interests What successful deals look like Corporate attorney and due diligence expert Jeffrey W. Berkman interweaves critical action points, guidelines and procedural steps, case studies, and due diligence questionnaires, checklists, and documents. The veteran of many business deals, Berkman's advice will help you avoid business-crippling

mistakes and make the best deal possible.

Commerce has become an area of central importance to the South Pacific region. Although the countries are small it is widely acknowledged that their need to promote and develop commercial enterprise is crucial for their future sustainability. This new textbook is the first to examine the main areas of commercial law in the common law jurisdictions of the South Pacific region. These jurisdictions include the Cook Islands, Fiji Islands, Kiribati, Marshall Islands, Niue, Nauru, (Western) Samoa, Solomon Islands, Tonga, Tuvalu and Vanuatu. The text is divided into six parts each with its own introduction to aid the reader through each particular area. Utilising both a structural and transactional approach it examines: the establishment and termination of commercial organizations the internal and external relations within and between organizations the legal principles applicable to various kinds of commercial dealings eg. insurance, sale of goods, bills of exchange aspects of foreign trade and international commerce relevant to the region. Knowledge of the legal principles that regulate commercial activity within the South Pacific Region is essential for the communities themselves and for those from outside interested in doing business in the area. Students studying commercial law in the region will find this textbook essential reading as will those involved, or seeking to become involved, in commercial activity there

Business Structures: Forming a Corporation, LLC, Partnership, or Sole Proprietorship Edward Elgar Publishing

Learn how to maximize your library's resources, gain access to more resources in your community, promote services, and reach new segments of the population through partnerships—with businesses, with schools, with other nonprofit organizations. Drawing on their experiences in developing successful partnerships with a variety of organizations, these authors show you how to go about creating productive and mutually beneficial community partnerships. They also explain how to avoid some of the common partnership pitfalls along the way. Based on what has become widely known as the WRL model, the guide begins with the rationale for partnerships and the organizational library structures needed; and then shows you how and with whom to form partnerships, how to handle challenges that may arise, how to meet partners, and how to create and maintain mechanisms for tracking and evaluating partnerships. The authors use the analogy of courtship to clarify the various phases of partnership development: glances, dating, engagement, and marriage. Brimming with samples and reproducible forms, this practical hands-on guide contains everything you need to get started on

the partnership path.

This book is a collection of nearly 250 shortened or adapted business letters that were actually emailed, faxed, or posted. While the letters vary in complexity and length, all samples are comprised of straightforward sentences that upper intermediate readers of English as a second language should have no difficulty understanding and using. The book should also be useful for native English speakers seeking a fundamental approach to written

business communication and for teachers in need of business-writing source material and exercises. The book is divided into three parts: Part 1: Letter samples and answers to the exercises (usually letter revisions). Part 2: Exercises (original letters, situational assignments, and sequencing assignments). Part 3: Hotel and travel matters.
