Few figures in American history have been so little understood as Sitting Bull. This first authoritative study of any Native American leader considers the legendary warrior in terms of his people's cultural values, exposes many ironies of Indian-white relations, and more. Photos. Maps.

## **With Ring of Shield (Classic Reprint)** Macmillan

The Last Sovereigns is the story of how Sioux chief Sitting Bull resisted the white man's ways as a last best hope for the survival of an indigenous way of life on the Great Plains—a nomadic life based on buffalo and indigenous plants scattered across the Sioux's historical territories that were sacred to him and his people. Robert M. Utley explores the final four years of Sitting Bull's life of freedom, from 1877 to 1881. To escape

American vengeance for his assumed role in the annihilation of Gen. George Armstrong Custer's command at the Little Bighorn, Sitting Bull led his Hunkpapa following into Canada. There he and his people interacted with the North-West Mounted Police, in particular Maj. James M. Walsh. The Mounties welcomed the Lakota and permitted them to remain if they promised to abide by the laws and rules of Queen Victoria, the White Mother. But the Canadian government wanted the Indians to return to their homeland and the police made every effort to persuade them to leave. They were aided by the diminishing herds of buffalo on which the Indians relied for sustenance and by the aggressions of Canadian Native groups that also relied on the buffalo. Sitting

Bull and his people endured hostility, tragedy, heartache, indecision, uncertainty, and starvation and responded with stubborn resistance to the loss of their freedom and way of life. In the end, starvation doomed their sovereignty. This is their story.

*Secrets of the Shield* by

Custer and the Great Controversy was the first book to focus on the origins of what has come to be called the Custer myth. The Battle of the Little Bighorn has always been wrapped in mystery and controversy because none of Custer's men survived to tell what happened, because press accounts circulated much misinformation and editors politicized the event, because popular writers repeated the errors of journalists, because a court of inquiry issued in

bitter debate, and because Indian testimony was hard to gauge. This book, originally published in 1962, helps the reader understand the sources of the confusion and controversy surrounding the Custer fight and the beginning of the legend. *Custer and the Great Controversy* was Robert M. Utley's debut, coming after six years of service as a ranger-historian at the Little Bighorn National Monument. His distinguished career as a historian has produced many books, including *Frontiersmen in Blue: The United States Army and the Indian, 1848-1865* and *Frontier Regulars: The United States Army and the Indian, 1866-1891*, both available as Bison Books. Brian W. Dippie is a professor of history at the University of Victoria, British Columbia, and the author of

*Custer's Last Stand: The Anatomy of an American Myth*, also a Bison Book. *Custer and the Great Controversy* SDSHS Press

In the sequel to *Sword of Fire and Sea*, Vidarian Rulorat faces the consequences of opening the gate between worlds.

Called into service by the desperate young emperor of Aloreia, Vidarian must lead sky ships in a war against the neighboring southern empire, train the demoralized imperial Sky Knights to ride beasts that now shapeshift, master his own amplified elemental magic, and win back Ariadel—all without losing his mind. From the Trade Paperback edition.

White Hat U of Nebraska Press

In this dark room, in this place of fences, strange smells, and men with yellow eyes where finally I am caught and

cannot get free, I close my eyes and am home again. . . . Sitting Bull of the Hunkpapa band of the Sioux Nation was a warrior, a visionary, a horseman and hunter, and a man who had a deep affinity with nature. Above all, he is remembered as an extraordinary leader who fought for the freedom of his people and helped to preserve their spirit, even in a time of great tragedy. Chosen to be the war chief of the Sioux Nation in 1869 as battles with the United States government increased, he resisted the white soldiers who threatened to exterminate his people, their claim to the land, and their entire way of life. From the acclaimed author and illustrator of *Abe Lincoln Remembers* comes an unforgettable fictional portrait of Sitting Bull, looking back on the

events that shaped his life and fate. Historically accurate, powerfully evocative paintings and words are as moving as the story they tell.

Sitting Bull Remembers John Wiley & Sons

"A treat . . . Insightful . . . Refreshing . . . A must-have . . . Not only is Sajna's work a valuable historical resource, it makes for a compelling read as well."- American History "There has to be someone left to tell the tale." Little did the legendary war chief Crazy Horse know when he spoke these words in battle that it was his tale that people would be telling long after his death. Now, author Mike Sajna brings the renowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the

westward movement of white settlers. Sajna follows Crazy Horse from his days as a young boy chasing down wild horses to his later years as "one of the bravest of the brave," and includes new views on his role in the Battle of Little Big Horn and his eventual surrender and murder. Using an extensive collection of historic records, Crazy Horse is one of the most accurate accounts of the great Oglala chief, separating the facts from the many myths that have been passed down by other writers

*Lance and the Shield* Createspace

Independent Publishing Platform

Examines the life and leadership of Sitting Bull and focuses on the Sioux ethnology of the Hunkpapas tribe.

## Platform

Silver Medal Winner of the Independent Book Publishers Association's Bill Fisher Award for Best First Book (Nonfiction) *On Two Fronts* fearlessly brings the reader deep into the thoughts, emotions and experiences that are captured often just hours after occurring. Two friends share their conversations, e-mails and experiences with one another, and the reader, capturing the true essence, fears and camaraderie of a combat deployment in its entirety. *On Two Fronts*, Sgt. Adam Fenner and Lance Taubold are thrown into the emotional reality of coping with the upcoming deployment. Lance was living life to the fullest, a singer and entertainer, enjoying the Vegas lifestyle and the company of good friends. Then, his

closest friend, Adam Fenner, a former Marine, now serving with the Nevada National Guard, was informed that he would be deploying for the third time to Afghanistan. In a story told from both fronts: Taubold's, as he copes with Fenner's deployment from notification until his (hopeful) return home, and Fenner's as he faces the physical and emotional challenges of deployment and those he leaves behind. There is nothing else out there like *On Two Fronts* by Sgt Adam Fenner and Lance Taubold. It's not a book about war; it's a book about people, about separation, about living, home, friends, love, and heartache. I love this book--it's the real life day to day and human element that goes beyond places, facts, figures, and politics. It's a story for those who have

served and for those who have stayed home. On Two Fronts is for everyone out there to understand what it is to serve-- and what it is to be the one home praying. From the beautiful cover to the last page--it's a book that touches everyone alive today. Heather Graham, NY Times Bestselling Author

*A Life Wild and Perilous* University of Oklahoma Press  
After Sitting Bull's surrender at Fort

Buford in what is now North Dakota in 1881, the United States Army transported the chief and his followers down the Missouri River to Fort Randall, roughly seventy miles west of Yankton. The famed Hunkpapa leader remained there for twenty-two months as a prisoner of war.

**A History of Sumer and Akkad** Pyr  
Best known for his role in the arrest and killing of Crazy Horse and for the book he wrote, *The Indian Sign Language*, Captain William Philo Clark (1845–1884) was one of the Old Army's renaissance men, by turns administrator, fighter, diplomat, explorer, and ethnologist. As such, Clark found himself at center stage during some of the most momentous events of the post-Civil War West: from Brigadier General George Crook's

infamous “Starvation March” to the Battle of Slim Buttes and the Dull Knife Fight, then to the attack against the Bannocks at Index Peak and Sitting Bull’s final fight against the U.S. Army. Captain Clark’s life story, here chronicled in full for the first time, is at once an introduction to a remarkable figure in the annals of nineteenth-century U.S. history, and a window on the exploits of the U.S. Army on the contested western frontier. White Hat follows Clark from his upbringing in New York State to his life as a West Point cadet, through his varied army posts on the northern plains, and finally to his stint in Lieutenant General Philip Sheridan’s headquarters first in Chicago and later in Washington, D.C. Along the way, Mark J. Nelson sets the record straight on Clark’s controversial

relationship with Crazy Horse during the Lakota leader’s time at Camp Robinson, Nebraska. His book also draws a detailed picture of Clark’s service at Fort Keogh, Montana Territory, including what is arguably his greatest success—the securing of Northern Cheyenne leader Little Wolf’s peaceful surrender. In telling Clark’s story, White Hat illuminates the history of the nineteenth-century American military and the Great Plains, including the Grand Duke Alexis’s buffalo hunt, the Great Sioux War, and the careers of Crook and Sheridan. Nelson’s examination of Clark’s early years in the army offers a rare look at the experiences of a staff officer stationed on the frontier and expands our view of the army, as well as the United States’ westward march.

**Lone Star Lawmen** Page Publishing Inc  
"Through lively personal narrative, Uteley offers an insider's view of Park Service workings, and problems, both at regional and national levels. Readers will see how a teenager smitten with Custermania came as an adult to appreciate the full complexity of the Battle of Little Bighorn and its interpretation and to research and write narrative histories of the American West."--cover.

The Raven was the First Lance of the Legion of Luxor. The shield maidens of the legion were at the command of the High Queen. Eons ago the sons of the Third Planet sailed to the eternal stars. They seeded many worlds with life, and founded new realms. The High Queen came to rule a vast empire of these new

worlds. Her empire was served by these legions. Long life to her! Two fantasy fiction shorts: Lover of the Sword and Prince Consort. Adult content.

**Custer and the Great Controversy. The Origin and Development of a Legend. [With Illustrations, Including a Portrait.]** University of Oklahoma Press

Excerpt from With Ring of Shield In these days, when the air is filled with the irritating, peevish sounds of chattering gossips, which tell of naught but the scandals of a court, where Queens are as faithless as are their lives brief, methinks it will not be amiss for me to tell a story of more martial days, when gossips told of armies marching and great battles fought, with pointed lance, and with the bright swords' flash, and with the lusty

ring of shield. Now, my friend Harleston doth contend, that peace and quiet, without the disturbing clamour of war's dread alarms, do help to improve the mind, and thus the power of thought is added unto. This, I doubt not, is correct in the cases of some men; but there are others, to whom peace and quiet do but bring a lack of their appreciation. The Divine Astarte ruled an empire of many worlds, realms, times and planes of existence of the multiverse. She was one of the last of her race, an Elder Race that had seeded many worlds with life and fostered many civilizations. Astarte was served by her legions of shield maidens. They inspired fear in all the worlds of Astarte. Imperial Annals, XXIII, p. 4422. Adult Content.

**Lance of Earth and Sky** Oxford University Press

"If that is Long Hair, I am the one who killed him," White Bull, the young nephew of Sitting Bull, said when Bad Juice pointed out Custer's body immediately after the Battle of the Little Big Horn. Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill's Wild West Show as "the warrior who killed Custer." But this new edition of Stanley Vestal's classic biography of the famous chief emphasizes that "Sitting Bull's fame does not rest upon the death of Custer's five troops. Had he been twenty miles away shooting antelope that morning, he would still remain the greatest of the Sioux." The stirring account of the death throes of a mighty nation and its leader is the story of the "greatest of the Sioux" and his struggle to keep his people free

and united. The Sioux were formidable warriors, as attested to by men who fought against them, like General Anson Mills, who said, "They were the best cavalry in the world; their like will never be seen again," but they were up against an overwhelming tide of soldiers, homesteaders, and bureaucrats. Sitting Bull fought long and hard and "He was ... a statesman, one of the most farsighted we have had," but statesmanship could not prevail against such odds. This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition, for much new material had been added to the original edition (published in 1932) that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of

one man in the face of his inevitable defeat as the last defender of his people's rights.

*Billy the Kid* Macmillan

The Complete Works: Modern Critical Edition is part of the landmark New Oxford Shakespeare—an entirely new consideration of all of Shakespeare's works, edited afresh from all the surviving original versions of his work, and drawing on the latest literary, textual, and theatrical scholarship. In one attractive volume, the Modern Critical Edition gives today's students and playgoers the very best resources they need to understand and enjoy all Shakespeare's works. The authoritative text is accompanied by extensive explanatory and performance notes, and innovative introductory materials which

lead the reader into exploring questions about interpretation, textual variants, literary criticism, and performance, for themselves. The Modern Critical Edition presents the plays and poetry in the order in which Shakespeare wrote them, so that readers can follow the development of his imagination, his engagement with a rapidly evolving culture and theatre, and his relationship to his literary contemporaries. The New Oxford Shakespeare consists of four interconnected publications: the Modern Critical Edition (with modern spelling), the Critical Reference Edition (with original spelling), a companion volume on Authorship, and an online version integrating all of this material on OUP's high-powered scholarly editions platform. Together, they provide the

perfect resource for the future of Shakespeare studies.
