It might be going a little too well though. When Erik and Steve run out of gems they need to find a way to get more of them. That's when Erik stumbles across an ancient Endermen legend. Clues are hidden everywhere and challenges are at every twist and turn in their journey. Erik and Steve must team up once more to try to find the hidden treasure of the Endermen. Erik and Steve will come across mobs that they have never fought together before. They will explore new areas of Overworld and the home of all of the ancient Endermen. Will the mobs try to help him or will they only get in their way? Will they be able to do it, or will they be defeated along the way?
