*With Key* BRILL

'First Certificate Star Cassettes' contain the material for the listening tasks, including short and long texts to help the student prepare for the first certificate listening paper.

*First Certificate Practice Tests* Macmillan Elt

In part four of the first certificate exam, you are expected to be able to paraphrase, that is, express the same idea in two different ways. This part of the exam is to test your use of English and your grammar. Students should prepare themselves on being tested on conditionals, comparatives, superlatives, noun to adjective or verb and vice versa, phrasal verbs, verbs + their corresponding

prepositions, gerunds and infinitives among others.

*With Key ; English Grammar and Vocabulary* Macmillan

Six full practice tests plus easy-to-follow expert guidance and exam tips designed to guarantee exam success. As well as six full practice tests, First Certificate Trainer offers easy-to-follow expert guidance and exam tips designed to guarantee exam success. The first two tests are fully guided with step-by-step advice on how to tackle each paper. Extra practice activities, informed by the Cambridge Learner Corpus, a bank of real candidates' exam papers, focus on areas where students typically need most help. These Audio CDs feature the listening activities from the tests and are available separately or with the 'with answers' edition.

Cambridge Vocabulary for First Certificate covers all the vocabulary First Certificate candidates need. It provides students with practice of exam tasks from the Reading, Writing, Listening and Use of English papers. It includes useful tips on how to approach exam tasks and learn vocabulary. It is informed by the Cambridge International Corpus and the Cambridge Learner Corpus to ensure that the vocabulary is presented in genuine contexts and covers real learner errors. It is designed to match the updated exam for December 2008.

**First Certificate Gold** Cambridge University Press

The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

Key texts on the origins of capitalism brought together for the first time. In writing these celebrated essays Robert Brenner had an electric impact on the debate regarding the transition from feudalism to capitalism. His epochal 1976 essay in *Past and Present* launched what became known as the "Brenner debate." His 2007 lecture at the British Academy was an elegant synthesis of his views and has generated a new discussion. The magnitude of Brenner's contribution to the world of ideas cannot be underestimated. This series of brilliant essays represent what is probably the most powerful single contribution from a materialist viewpoint to historical thought of the past half century. *Property and Progress* brings these texts together in a single volume for the first time. Intellectually audacious and academically rigorous, they vary in range, offering novel perspectives on the nature of pre-capitalist and capitalist societies, socio-economic evolution in the medieval and early modern period through to the industrial revolution and a provocative comparison

between England and the Yangtze Delta in China.

**For the Revised Exam** Macmillan ELT

Winner of the English Speaking Union's Duke of Edinburgh Book Competition in 1992, this intermediate and upper-intermediate ELT course has as one of its objectives the encouragement of student participation by inviting opinion and discussion. The organization of the individual units is designed to ensure that students and teachers can see immediately what they are doing and why. *The Nelson First Certificate Course* Cambridge University Press
