EATON CAREY

A European Travel Story Penguin
 Kamari Grade was a well-known troubleshooter for the most discerning clients. But when called to investigate one of the most powerful men in financing, she's thrown into the world of Huron Base. Financiers were usually polished in word and deed, but there was a sexy arrogance to Huron that blared former thug and it wasn't an image he wanted to forget. When the lovely troubleshooter crossed his path she was everything he loved about his life-challenge, drive, determination, strength, success, beauty ... For a man who could acquire anything, the allure of such a conquest was irresistible.

Juvenilia - Volume I Illustrated READ BOOKS

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic. *The Road Ahead* Createspace Independent Publishing Platform
 For seventeen-year-old Lena, living in the

trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorn's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women.

The Road to Shenzhen Vintage

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

Memory Is My Name Homeland Connection
Whiskey Road chronicles two generations of women who use every faculty at their disposal to carve out meaningful lives in the oppressive south of the Depression era. Lillian Taylor Jackson struggles to rectify her past as a wealthy plantation owner's son's paramour in Virginia when it comes home to roost after the murder of her loving husband Denver at the hands of a notorious hate group. As a single mother of two daughters, Goldie and Rose, she must find a way to navigate the heated political climate, complex racial tensions, and social hierarchy in Aiken, South Carolina, the small town hotbed where rum-running turf wars run like deep waters underneath the wealthy white elite stronghold. As tough as life is, Lillian appears to have everything under control until Goldie falls for the notorious rum-runner Jake Freeman while fending off the advances of Mayor Zachary Stanton, Jr.-pushing Lillian to confront the past she'd hoped would remain forever buried knowing that doing so could lead to her family's ultimate destruction. Whiskey Road is a convincing look into the annals of the fight for equality in the old South during the Prohibition era, where people of both races are caught between unwritten social and legal constructs, their conscience, and a world bringing change with the force of a harshly indifferent tornado.

Windblown World Publishamerica

Incorporated

Legions of youthful Americans have taken On the Road as a manifesto for rebellion and an inspiration to hit the road. But there is much more to the book than that. In *Why Kerouac Matters*, John Leland embarks on a wry, insightful, and playful discussion of the novel, arguing that it still matters because it lays out an alternative road map to growing up. Along the way, Leland overturns many misconceptions about On the Road as he examines the lessons that Kerouac's alter ego, Sal Paradise, absorbs and dispenses on his novelistic journey to manhood, and how those lessons-about work and money, love and sex, art and holiness - still reverberate today.

Benevolent The Floating Press

This book is a detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts, experiences, tragedies, and/or various pains incurred). Unfortunately, people will inevitably incur hurts and pains in life, which most are beyond their own control. One simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the effects of the hurt. Oftentimes, people ignore the hurt. They try to live their lives as if the hurt never occurred. Many are oblivious to their deep hurt because they've mastered the art of disguising the pain. The problem ensues when the severely wounded people interact with others, then they subsequently inflict others with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of healing. The purpose of this book is to aid in identifying and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in some regard. Oftentimes, people need healing to recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their mental anguish, ultimately forsaking the need and opportunity to heal. It's the lack of healing that causes people to hurt others or live unhappy lives. This book was written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.

The Road to Kandahar The Road

"After his mother commits suicide, Rick Lime decides to finally find his father, the legendary children's book author known as

Nefarious Twit. The same Nefarious Twit who disappeared from the public eye 22 years ago abandoning Rick and Rick's mother at the height of his fame after releasing one final controversial children's book. Rick Lime has decided to find his father so that he can murder him. Along for the ride is Rick's violent but fiercely loyal half-brother Lou. Both of them are addicted to a strange drug called Vitriillum and as they set out for misguided vengeance their drug-soaked journey begins to resemble one of Nefarious Twit's children stories."--Back cover.

Tainted Energy CreateSpace

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophecies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

Penguin UK

After college, Vincent Yanez with his friend Chris decide to meander across Europe in search of the meaning of life, the perfect gelato and a nice place to lay their heads. During their adventures, the lads find themselves locked in a Scottish dungeon, being serenaded by Placido Domingo and have their passports taken by the Czech authorities as they are caught in an attempt to sneak into Prague. They discover that Vincent Van Gogh is not only alive, but managing a small hotel in Holland, accidentally wander into the middle of a Nazi-rally, and little by little discover that remarkable things await around every corner, down every avenue. They learn that when you are open to the possibility of adventure]it doesn't matter which road you take.

The Journals of Jack Kerouac, 1947-1954

Penguin

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West,

and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sister's effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Juni's laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces--news stories, phone transcripts, press releases--and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--

Broken Road Createspace Independent Pub

October 6, 1879. The roar of guns and the shout of men reached a heightened pitch as the Highlanders and Gurkhas crested the ridgeline and attacked the Afghani trenches. Khaki and green uniforms mixed with the scarlet of the Afghans as the battle sea-sawed for a few minutes. Then the line of scarlet-clad Afghani troops wavered and broke. British Army lieutenant Robert Burton watched as thousands of Afghani troops fled in headlong retreat. The British had seized the first line. The Road to Kandahar is an historical fiction novel about a forgotten period of history when Britain and Russia fought the very first Cold War in the heart of Asia. In this book, a British political

officer, Robert Burton, and his friends, Richard Leary and Ali Masheed, fight a battle of wits against a cunning Russian political officer, Count Nikolai Kuragin. Against a backdrop of the high passes and deserts of Afghanistan, Burton, Leary and Ali must stop a potential Russian invasion during the Second Afghan War (1878-80) and fight against treachery and injustice within their own ranks.

An ambitious young man's struggle to achieve his ideal life in the Chinese city of Shenzhen Houghton Mifflin Harcourt

It is the early 1990s and Zhou Haonan, an innocent young man from a rural family in China's West Canton Province, travels to the 'golden city' of Shenzhen to seek his fortune. Kind and caring but highly ambitious, he works as an international businessman, becomes a Sanda boxing champion and even sells his blood as he spends the next 20 years striving desperately to achieve his dream of a Shenzhen permanent residence permit and a home of his own. Despite a string of humiliating failures and disasters and cruel treatment by the women who enter his life, he somehow manages to get back on his feet and carry on through all the setbacks which life throws at him. The Road to Shenzhen is one of very few novels ever to be written in English by a Chinese author who has lived all his life in China.

Transcending Syntax in Kerouac's On the Road (The Original Scroll) MM Books

Tori Brown is recovering from the embittered breakup of her engagement and seeks solace in the depths of Herefordshire. Living alone, she adapts to the close and friendly village life, where her personal life is not questioned, thus distancing herself from any prospective relationships. With the calming influence that her horse Carlos gives her, she is soon riding the bridle paths and woodland and beginning to enjoy her life once again. Sudden events take a hold and Tori is thrown, not only from Carlos, but into the beginnings of a new life that is to change everything. Someone else comes into her life, not what she quite expected but certainly what she wanted. Johan Andersen, a local Norwegian forester, captures Tori's heart and from that point on life is not the same again... just better, beyond her wildest dreams.

Her Happy Ever After Penguin
Excerpts from his diaries chronicle a pivotal era in Kerouac's life, describing the creation of his first novel; his special friendships with Allen Ginsberg and Neal Cassady; and his own take on the events described in "On the Road."

The First Cut Is the Deepest CreateSpace
A hundred hundred seasons have turned since the Goddess banished the Small Gods to the sky, leaving the land to mankind alone. For Prince Teryk, life behind the castle walls is boring and uneventful until he stumbles upon an arcane scroll in a long-forgotten chamber. The parchment speaks of Small Gods, the fall of man, and the kingdom's savior--the firstborn child of the rightful king. It's his opportunity to prove himself to his father, the king, and assure his place in history. All he needs to do is find the man from across the sea--a man who can't possibly exist--and save mankind. But ancient magic has been put in motion by a mysterious cult determined to see the Small Gods reborn. Powerful forces clash, uncaring for the lives of mortals in their struggle to prevent the return of the banished ones, or aid in their rebirth. Named in a prophecy or not, what chance does a cocky prince who barely understands the task laid before him stand in a battle with the gods?

June & Justin pd workman

The legendary 1951 scroll draft of *On the Road*, published word for word as Kerouac originally composed it. Though Jack Kerouac began thinking about the novel that was to become *On the Road* as early as 1947, it was not until three weeks in April 1951, in an apartment on West Twentieth Street in Manhattan, that he wrote the first full draft that was satisfactory to him. Typed out as one long, single-spaced paragraph on eight long sheets of tracing paper that he later taped together to form a 120 foot scroll, this document is among the most significant, celebrated, and provocative artifacts in contemporary American literary history. It represents the first full expression of Kerouac's revolutionary aesthetic, the identifiable point at which his thematic vision and narrative voice came together in a sustained burst of creative energy. It was also part of a wider vital experimentation in the American literary, musical, and visual arts in the post-World War II period. It was not until more than six years later, and several new drafts, that Viking published, in 1957, the novel known to us today. On the occasion of the fiftieth anniversary of *On the Road*, Viking will publish the 1951 scroll in a standard book format. The differences between the two versions are principally ones of significant detail and altered emphasis. The scroll is slightly longer and has a heightened linguistic virtuosity and a more sexually frenetic tone. It also uses the real names of Kerouac's friends instead of the fictional names he later invented for them.

The transcription of the scroll was done by Howard Cunnell who, along with Joshua Kupetz, George Mouratidis, and Penny Vlagopoulos, provides a critical introduction that explains the fascinating compositional and publication history of *On the Road* and anchors the text in its historical, political, and social context.
