HICKS CAREY

The Disney Musical on Stage and Screen Bloomsbury Academic
 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in—and through—culture. By drawing on material relevant to students, *Dance in US Popular Culture* successfully introduces students to critical thinking around the most personal of terrain: our bodies and our identities. The book asks readers to think about: what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance, related to gender and/or race, for instance how such expectations are reinforced, negotiated, challenged, embraced, or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture, how this shapes an active sense of their everyday lives, and how this can act as a springboard towards dismantling

systems of oppression Through readings, questions, movement analyses, and assignment prompts that take students from computer to nightclub and beyond, *Dance in US Popular Culture* readers develop their own cultural sense of dance and the moving body's sociopolitical importance while also determining how dance is fundamentally applicable to their own identity. This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BFA courses, as well as those studying popular culture from interdisciplinary perspectives including cultural studies, media studies, communication studies, theater and performance studies.

Ross Lynch: Disney Channel Actor McFarland

Make a career out of your voice? Easy. Voice acting is like acting, but just using your voice! It's a unique career where the actor's voice can be heard worldwide—in commercials, on audiobooks, in animated movies, documentaries, online videos, telephone systems and much, much more. The point is to bring the written word to life with the human voice. With step-by-step explanations and an abundance of examples, *Voice Acting For Dummies* is the ultimate reference for budding voice actors on auditioning, recording, producing voice-overs, and promoting themselves as a

voice actor. Creating a voice acting demo Finding your signature voice Interpreting scripts Using audio editing software Promoting your voice acting talents If you're an aspiring voice actor or an actor or singer considering a career transition, *Voice Acting For Dummies* has everything you need to let your voice talents soar. *Mom! I Want to Be a Star* ABDO

Tonight, Walt is going to read you a screenplay he wrote. It's about his last days on earth. It's about a city he's going to build that's going to change the world. And it's about his brother. It's about everyone who loves him so much, and it's about how sad they're going to be when he's gone. Right? I mean, how can they live without him? How can anyone live without him?

Screenplay by Disney Greenhaven Publishing LLC

With world-wide environmental destruction and globalization of economy, a few languages, especially English, are spreading, while thousands others are disappearing, taking with them cultural, philosophical and environmental knowledge systems and oral literatures. This book serves as a manual of effective practices in language revitalization. This book was previously published by Academic Press under ISBN 978-01-23-49354-5.

Auditioning for Film and Television Harper Collins

'If you're working with Nancy Bishop you know you're in good, accomplished hands, whether you're a director or an actor.' – Neil Burger, Director of *The Illusionist* *Auditioning for Film and Television* is a must-have book and video guide for actors, written from the perspective of a Casting Director and offering practical advice on audition technique, scene analysis, online casting and social media. *Auditioning for Film and Television* is a practical workbook written from a casting director's point of view that teaches actors the craft of film auditioning in front of the camera. It shows actors how to use today's internet technologies to advance their careers and features success strategies and actual exercises to achieve results in the casting studio. A new edition of the popular *Secrets from the Casting Couch*, and now including video, *Auditioning for Film and Television* includes commentary, analysis and questions in workbook form for scenes from many celebrated films; exercises for actors to practise in front of a camera; and advice on career advancement and marketing in the age of social media.

[How to Succeed in Voice-Overs](#) e-artnow sro

If Disney's *Snow White and the Seven Dwarfs* represented the Animation industry's infancy, Ed Hooks thinks that the current production line of big-budget features is its artistically awkward adolescence. While a well-funded marketing machine can conceal structural flaws, uneven performances and superfluous characters, the importance of crafted storytelling will only grow in importance as animation becomes a broader, more accessible art form. *Craft Notes for Animators* analyses specific films - including *Frozen* and *Despicable Me* - to explain the secrets of creating truthful stories and believable characters. It is an essential primer for the for tomorrow's industry leaders and animation artists.

The Man Behind the Magic Independently Published

"Any actor who is serious about his or her career should read this book" Matthew Stillman, Producer: *Casino Royale*, *Wanted*, *The Chronicles of Narnia: Prince Caspian*. "As a director, casting a movie can be a terrifying process. Put the wrong actor in your project and you're sunk. How do you find the right person? ... if you're working with Nancy Bishop you know you're in good, accomplished hands, whether you're a director or an actor." Neil Burger, Director of *The Illusionist* Why is it that so many good actors don't perform well at castings? *Secrets from the Casting Couch* gives practical advice for actors, written from a casting director's point of view, teaching the craft of film casting in front of camera. It shows how actors can work with today's internet technologies to get cast and features advice and actual exercises that achieve results in the casting studio. Emmy-award nominated casting director Nancy Bishop C.S.A., has developed a successful approach through many years experience of working in the casting studio. The author also runs internationally recognised master classes throughout Europe and the US and is the head of the Prague Film School Acting Department.

[101 Winning Monologues for Young Performers](#) Routledge

The Disney Musical: Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega-musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full-length feature film *Snow White and the Seven Dwarfs* (1937), to *The Lion King* - Broadway's highest grossing production in history, and *Frozen* (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: · **DISNEY MUSICALS: ON FILM** · **DISNEY ADAPTATIONS: ON STAGE AND BEYOND** · **DISNEY MUSICALS: GENDER AND RACE** The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race portraying representations of race, hetero-normativity, masculinity and femininity in *Newsies*, *Frozen*, *High School Musical*, *Aladdin* and *The Jungle Book*. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical cannon including *Enchanted*, *Mary Poppins*, *Hunchback of Notre Dame*, *The Lion King* and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact.

Secrets from the Casting Couch CRC Press

Voice-over work is a microcosm of the acting process as a whole. There's the audition, the callback, the job itself, and the payoffs—except that it all happens in a matter of days, and there are no costumes or make-up to contend with and no memorization. Author Jack Angel has been a voice-over expert for more than fifty years, working with the likes of Lucas Arts, Disney, Pixar, Warner Brothers, Marvel, Steven Spielberg and many others. Now, he shares some of his secrets. This guidebook to success offers strategies to build a career in voice-over acting. Discover how to build valuable relationships with key people, share your credits in a way that gets you more work, maintain a

good relationship with your agent, and reinvent yourself when the time is right. All Angel's advice is applicable to acting, voice-overs—and, in fact, most other professions as well. Just change the labels, and you'll have proven advice to succeed where others fail. Take charge of your career and create a context for winning, no matter what happens. It all starts with learning *How to Succeed in Voice-Overs*.

It's All Love BearManor Media

The Pitchfork Disney heralded the arrival of a unique and disturbing voice in the world of contemporary drama. Manifesting Ridley's vivid and visionary imagination and the dark beauty of his outlook, the play resonates with his trademark themes: East London, storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric and the beautiful he has made all his own. The Pitchfork Disney was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy. This unsettling, dreamlike piece has surreal undertones and thematically explores fear, dreams and storytelling. First produced in 1991, it has gone on to be recognised as the annunciation of Ridley's dark and seductive world.

The Ultimate Audition Book for Teens Bloomsbury Publishing

In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.

Voice Acting For Dummies A&C Black

A group of students who attend the Utah high school where the original High School Musical movies were filmed prepare for their fall production of High School Musical. Ricky and Nini, who play Troy Bolton and Gabriella Montez, share chemistry on and off the stage, but with their understudies EJ and Gina plotting to take over their roles, will these talented performers make it to opening night?

Scripting the Life You Want McFarland

When Rosemary Clooney appeared on David Frankham's BBC radio program in 1955, she encouraged her host to pursue his unfulfilled dream of acting. Without knowing anyone else in America, Frankham left England for Hollywood, where a same day chance encounter with Elizabeth Taylor and Alec Guinness soon launched him onto live television without a single acting lesson or credit to his name. Frankham appeared on many of TV's enduring classics, from playing Larry Marvick, one of the engineers who designed the USS Enterprise on Star Trek, to other popular shows such as Alfred Hitchcock Presents, The Outer Limits, and Maverick. Movie success followed, including leading roles in Return of the Fly, Master of the World, and Tales of Terror, all three starring his boyhood idol, Vincent Price. Other notable film

roles included voicing Sgt. Tibs the cat in Disney's 101 Dalmatians. With a foreword by film and Disney historian Brian Sibley, here is the inspiring story of a working actor whose passion for his craft only enhanced his appreciation of working with such greats as Walt Disney, Basil Rathbone, Debra Paget, Boris Karloff, Shirley Temple, Rock Hudson, Roger Corman, and many more. David Frankham shares his anecdotes and the positive worldview that enabled him to make boyhood dreams come true.

1-2-3 Minute Monologues Taylor & Francis

This is the ultimate show-biz how-to guide for aspiring kids and their parents, written by Hollywood's number-one kid-talent expert and executive producer for Disney, ABC, and the WB, Irene Dreayer ("the Dray"). As a thirty-year veteran of discovering kid stars and producing hit TV shows such as the Disney Channel's *The Suite Life on Deck* and *The Suite Life of Zack & Cody*, as well as several TV movies, Dreayer has seen hundreds of kids try to make it in show business. Most parents and kids don't understand the steps or how to navigate the ins and outs of the industry. Most make critical mistakes. As Hollywood's only trusted career coach for kid talent, Irene Dreayer developed the Dray Way (www.thedrayway.com) as her proven method for guiding show-biz kids and their parents on how to audition correctly, how to handle the business side, and how to deal with issues such as image and rejection. The Dray Way is her method for working with kids and training parents on how to pursue this business we call show in a strategic manner, the right way. This book is designed as a workbook for parents and kids to do together. Every chapter explains, informs, and delivers the honest truth about specific aspects of the entertainment business and outlines the crucial information kids and parents need to learn as a family. Some chapters are designed exclusively for parents, but most are a family affair. The exercises in each chapter are to be completed by parents and kids in order to learn the skills required to be a better actor, singer, or dancer. Mom! I Want to Be a Star is entertaining, fun to read, and a wonderful opportunity for families to explore together their child's dream and desire to become a star.

Craft Notes for Animators Sandcastle Publishing LLC

A collection of 111 original monologues, all about one minute long, to be used by male and female teenage actors in auditions.

Mary Poppins John Wiley & Sons

Wil Wheaton has never been one to take the conventional path to success. Despite early stardom through his childhood role in the motion picture "Stand By Me", and growing up on television as Wesley Crusher on "Star Trek: The Next Generation", Wil left Hollywood in pursuit of happiness, purpose, and a viable means of paying the bills. In the oddest of places, Topeka, Kansas, Wil discovered that despite his claims to fame, he was at heart Just a Geek. In this bestselling book, Wil shares his deeply personal and difficult journey to find himself. You'll understand the rigors, and joys, of Wil's rediscovering of himself, as he comes to terms with what it means to be famous, or, ironically, famous for once having been famous. Writing with honesty and disarming humanity, Wil touches on the frustrations associated with his acting career, his inability to distance himself from Ensign Crusher in the public's eyes, the launch of his incredibly successful web site, wilwheaton.net, and the joy he's found in writing. Through all of this, Wil shares the ups and downs he encountered along the journey, along with the support and love he discovered from his friends and family. The stories in Just a Geek include: Wil's plunge from teen star to struggling actor Discovering the joys of HTML, blogging, Linux, and web design The struggle between Wesley Crusher, Starfleet ensign, and Wil Wheaton, author and blogger Gut-wrenching reactions to the

9-11 disaster Moving tales of Wil's relationships with his wife, step-children, and extended family The transition from a B-list actor to an A-list author Wil Wheaton--celebrity, blogger, and

geek--writes for the geek in all of us. Engaging, witty, and pleasantly self-deprecating, Just a Geek will surprise you and make you laugh.
