NAMED A BEST NONFICTION BOOK OF 2022 BY ESQUIRE “[C]harming and surprising. . . The work of Admissions is laying down, with wit and care, the burden James assumed at 15, that she — or any Black student, or all Black students — would manage the failures of a racially illiterate

community. . . The best depiction of elite whiteness I’ve read.”—New York Times A Most Anticipated Book by Vogue.com · Parade · Town & Country · Nylon · New York Post · Lit Hub · BookRiot · Electric Literature · Glamour · Marie Claire · Publishers Weekly · Bustle · Fodor's Travel · Business Insider · Pop Sugar · InsideHook · SheReads Early on in Kendra James' professional life, she began to feel like she was selling a lie. As an admissions officer specializing in diversity recruitment for independent prep schools, she persuaded students and families to embark on the same perilous journey she herself had made—to attend cutthroat and largely white schools similar to The Taft School, where she had been the first African-American legacy student only a few years earlier. Her new job forced her to reflect on her own elite education experience, and to realize how disillusioned she had become with America's inequitable system. In ADMISSIONS, Kendra looks back at the three years she spent at Taft, chronicling clashes with her lily-white roommate, how she had to unlearn the respectability politics she'd been raised with, and the fall-out from a horrifying article in the student newspaper that accused Black and Latinx students of being responsible for segregation of campus. Through these stories, some troubling, others hilarious, she

deconstructs the lies and half-truths she herself would later tell as an admissions professional, in addition to the myths about boarding schools perpetuated by popular culture. With its combination of incisive social critique and uproarious depictions of elite nonsense, ADMISSIONS will resonate with anyone who has ever been The Only One in a room, dealt with racial microaggressions, or even just suffered from an extreme case of homesickness.

Shadow Academy has many secrets and maybe I'm the worst one of all. When I saved Ren Worthington's life and stopped the school dance from turning into a vampire buffet, I didn't expect a medal, I didn't expect kudos but I sure as heck didn't expect to become public enemy #1 at this paranormal academy either. And, after sharing my first kiss with Ren, I'm not sure of his feelings. I don't think he's sure himself. If that isn't enough, a couple of weirdos kidnap Ren and I, wanting to experiment to test the extent of our powers. Those experiments include putting us in dangerous situations until we no longer know what's real or not. If the prophecy is true, and I am the chosen one, I need to get this mess sorted out as soon as possible, or we'll both die.

The Mockingbirds Alison L. Perry Books, LLC

There are only two ways a human can cross the gates of Bloodstone Institute: as a familiar to one of the Blueblood vampires who attend the elite school or as a snack. I'm neither, but I have to get in at all costs. My brother made a big mistake, and now I have to fix it by stealing from the most powerful and cruel vampire to ever come to Bloodstone, Lucca Della Morte. If that wasn't almost suicidal, I need to get it done before the spell concealing my human nature wears off. But I forget that I'm only pretending to be a vampire. I'm still human and susceptible to Lucca's dangerous allure. His darkness calls to my soul. His savagery makes my blood sing. I'm falling for the dark prince, craving him in a visceral way that's frightening and exciting at the same time. If he discovers my secret, he'll destroy me. And yet, I can't help wanting to get closer. I never thought I had a death wish until I met him.

Last Sacrifice: A Vampire Academy Novel Volume 6 Joanna Mazurkiewicz

Three things about Justin Roberts:1. He's a bully.2. Our relationship is toxic.3. He's the only one who knows my secret. A year ago, I woke in the morgue with a note in my hand telling me that I'm a vampire. I need blood or I'll start killing people. Lucky for me, Justin has been sneaking into my bedroom and feeding me blood for a year, and the only price I have to pay for it is putting up with his cruel snipes and my unwanted feelings for him. I just can't figure out why he keeps coming back. But all that changes when I'm offered a full-ride scholarship to Justin's mysterious school, the elite Blackburn Academy, where I might finally learn about vampires. About myself. All I have to do is pass the grueling entrance trials, and the scholarship will be mine. Problem is, Justin doesn't want me anywhere near his elite school and rich friends. He's vowed to sabotage me. Justin may have been feeding me blood for a year, but he doesn't know who he's up against. But, Blackburn Academy is more than it seems. I'll be facing more than what Justin Roberts alone can dish out. Will competing in the trials be the new beginning I'm hoping for, or will it end my undead existence? This book was previously published under the title A Bite at the Cherry (Bite Me Series) Blackburn Academy: Entrance Trials. The story is unchanged. Recommended for 16+.
