"Underwear has come out. Once kept demurely concealed, lingerie now pervades every fashion category, inspiring designs for day looks, loungewear, evening clothes, and accessories. Slips have become dresses unto themselves. Bra straps are meant to peek out from under tank tops. Camisoles are worn on their own or as layers over or under other clothes. Now, with 'Knitting Lingerie Style', designer Joan McGowan-Michael interprets this undeniable fashion trend for the knitter and, along the way, shares fascinating stories about lingerie history. Did you know that it was airplane magnate Howard Hughes who masterminded the underwire bra?"--Page 2 of cover.

The longtime knitter and vintage fashion expert puts a contemporary twist on classic knit babywear in this beautifully photographed pattern book. While working as a vintage clothing dealer, combing through estate sales and eBay listings, longtime knitter Kristen Rengren amassed hundreds of knitting pattern booklets from 1920 through 1960. Now a knitwear designer, Rengren brings us the result of her combined passions in Vintage Baby Knits, a charming collection of more than 40 contemporary updates of timeless baby patterns. Projects range from small, quick-to-knit items like hats, booties, and shrugs to larger, more challenging designs for sweaters, onesies, and dresses, including a lace christening gown. Beautiful photographs capture a bevy of adorable babies and toddlers wearing these knitted treasures. Also included are sidebars on baby fashion and knitting culture in this bygone era, and a complete reference section. Destined to be a classic itself, Vintage Baby Knits promises family heirlooms for 21st-century babies.
