### Chilton's Motor Age

Most managers hate conducting performance appraisal discussions. What's worse, few feel confident in their ability to accurately assess the performance of a subordinate. In The Performance Appraisal Question and Answer Book, expert Dick Grote answers over 100 of the most common -- and most difficult -- questions about this vitally important but often misunderstood and misused tool, including: \* How should I react when an employee starts crying during the appraisal discussion . . . or gets mad at me? \* Which is more important -- the results the person achieved or the way she went about doing the.
