From celebrities posting about their daily celery juice routines to people from all walks of life sharing pictures and testimonials of their dramatic recovery stories, celery juice is revealing itself to ignite healing when all odds seem against it. What began decades ago as a quiet movement has become a global healing revolution. In Celery Juice: The Most Powerful Medicine of Our Time Healing Millions Worldwide, Anthony William, the originator of the global celery juice movement, introduces you to celery juice's incredible ability to create sweeping improvements on every level of our health:

- Healing the gut and relieving digestive disorders
- Balancing blood sugar, blood pressure, weight, and adrenal function
- Neutralizing and flushing toxins from the liver and brain
- Restoring health in people who suffer from a vast range of chronic and mystery illnesses and symptoms, among them fatigue, brain fog, acne, eczema, addiction, ADHD, thyroid disorders, diabetes, SIBO, eating disorders, autoimmune disorders, Lyme disease, and eye problems

After revealing exactly how celery juice does its anti-inflammatory, alkalizing, life-changing work to provide these benefits and many more, he gives you the powerful, definitive guidelines to do your own celery juice cleanse correctly and successfully. You'll get instructions on how to make the juice, how much to drink, when to drink it, and what to expect as your body begins to detox, plus answers to FAQs such as "Is it safe to drink celery juice while pregnant or breastfeeding?", "Is blending better than juicing?", and "Can I take my medications with it?" Here is everything you need to know—from the original source—to receive the full gift of what Anthony calls "one of the greatest healing tonics of all time."

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health.

The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto Skinny Bitch. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In Skinny Bastard, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing—and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.

[The Happy Pear: Vegan Cooking for Everyone](#) Bonnier Publishing Ltd.

2016 James Beard Award winner and 2016 International Association of Culinary Professionals (IACP) nominee for Best American Cookbook A collection of classic Southern comfort food recipes—including seven-layer dip, chicken and gravy, and strawberry shortcake—made lighter, healthier, and completely guilt-free. Virginia Willis is not only an authority on Southern cooking. She's also a French-trained chef, a veteran cookbook author, and a proud Southerner who adores eating and cooking for family and friends. So when she needed to drop a few pounds and generally lighten up her diet, the most important criterion for her new lifestyle was that all the food had to taste delicious. The result is Lighten Up, Y'all, a soul-satisfying and deeply personal collection of Virginia's new favorite recipes. All the classics are covered—from a comforting Southern Style Shepherd's Pie with Grits to warm, melting Broccoli Mac and Cheese to Old-Fashioned Buttermilk Pie. Each dish is packed with real Southern flavor, but made with healthier, more wholesome ingredients and techniques. Wherever you are on your health and wellness journey, Lighten Up, Y'all has the recipes, tools, and inspiration you need to make the nourishing, down-home Southern food you love.

THE LAST DIET BOOK YOU'LL EVER NEED With so much conflicting weight-loss advice out there to confuse your efforts, it's no wonder you haven't been successful losing weight and keeping it off. But with Bob Harper, superstar trainer and co-host of NBC's hit show The Biggest Loser as your personal authority and coach, you can and will finally shed the pounds—whether you want to lose two or two hundred! Distilling Bob's vast knowledge of nutrition, weight-loss strategy, and human nature down to twenty simple, nonnegotiable principles, The Skinny Rules will help you step away from a reliance on processed foods and the need for so much sweet and salt and step into a newly thin lifestyle. And Bob's methods couldn't be more straightforward. Taking the guesswork out of implementing the Skinny Rules, Bob offers a month's worth of menu plans and more than 90 delicious, rule-abiding recipes for breakfast, lunch, dinner, and snacks to keep you cooking and eating skinny for life. You'll be happily astounded to see the variety and volume of the tasty food on your plate! He also includes terrific tips for what to stock in your fridge and what to prepare every weekend in order to set

yourself up for success during your too-busy-to-cook weekdays. A virtual GPS to your weight-loss goals, *The Skinny Rules* takes the mystery out of the process, offering the fastest route to your skinny destination. LOSING WEIGHT IS NOW AS SIMPLE AS 1-2-3 . . . AND 3-15-18-20 TOO! Rule #3: Eat protein at every meal, making some kind of fish your go-to protein as often as you can. Take your weight and divide it by two—that's more or less how much protein you should be eating in grams every day. Rule #15: Eat at least ten meals a week at home (and cook them yourself). Restaurant portions are usually 40 to 50 percent bigger than what you'd serve at home—the more you eat out, the more you overeat. Set yourself up for success by preparing my turkey meatballs, hummus, and roasted vegetables on the weekend so that you will have go-to staples and no excuses! Rule #18: Go to bed slightly hungry. Denied fuel for more than five hours, your body will start burning its own fat and sugar. Make a point not to eat after dinner and you'll be burning fat while you're sleeping. Rule #20: Enjoy a splurge meal once a week. Unlike episodic bingeing, splurge meals are an ingredient in your diet. When you plan something, you are in control.

*Man v Fat* is a practical and supportive resource for men, written by a normal bloke who just wanted to lose some weight. One day Andrew Shanahan took a guttie to text to a mate. But once he had taken the photo, he couldn't stop looking at it. He realised how unhappy he was about his body and resolved to change it. However he soon learned that the dieting industry had turned its back on men. Men were expected to get fit, tone up and turn fat into a six-pack in six weeks. There was nothing for men who simply wanted to lose their beer belly, play football again and feel more confident. So Andrew decided to do something about this.
