'This is an extraordinary achievement and it will become an absolutely vital and trusted resource for everyone working in the field of popular music studies. Even more broadly, anyone interested in popular music or popular music culture more generally will enjoy - and find many uses for - the wealth of information and insight captured in this volume.' Lawrence Grossberg, Morris Davis Professor of Communication Studies and Cultural Studies, University of North Carolina at Chapel Hill
The first comprehensive reference work on popular music of the world
Contributors are the world's leading popular music scholars
Includes extensive bibliographies, discographies, sheet music listings and filmographies. Popular music has been a major force in the world since the nineteenth century. With the advent of electronic and advanced technology it has become ubiquitous. This is the first volume in a series of encyclopedic works covering popular music of the world. Consisting of some 500 entries by 130 contributors from around the world. Entries range between 250 and 5000 words, and is arranged in two Parts: Part I: Social and Cultural Dimensions, covering the social phenomena of relevance to the practice of popular music. Part II: The Industry, covers all aspects of the popular music industry, such as copyright, instrumental manufacture, management and marketing, record corporations, studios, companies, and labels. Entries include bibliographies, discographies and filmographies, and an extensive index is provided. For more information visit the website at: www.continuumppopmusic.com

2009 Songwriter's Market - Articles Hal Leonard Corporation
TheInternational Who's Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the

prominent names in pop music as well as the many emerging personalities in the industry, providing full biographical details on pop, rock, folk, jazz, dance, world and country artists. Over 5,000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.

The B Side Bloomsbury Publishing USA

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Christmas Sheet Music Anthology A&C Black
Positioned between the psychedelic and counter-cultural music of the late 1960s and the punk and new wave styles of the late 1970s, early 1970s British popular music is often overlooked in pop music studies of the late 20th century, but it was, in fact, highly diverse with many artists displaying an eclecticism and flair for musical experimentation. 'Progressive pop' artists such as Roxy Music, David Bowie, the early Queen, the Electric Light Orchestra, 10cc and Steve Harley & Cockney Rebel successfully straddled the album and singles markets, producing music that

often drew on a variety of different musical styles and traditions. Similarly, such artists often set new benchmarks for songwriting and production, utilizing the full potential of the rapidly expanding studio technology of the era to produce albums of highly diverse material featuring, in some cases, special studio-crafted effects and soundscapes that remain unique to this day. This book considers the significance of British progressive pop in the early 1970s as a period during which the boundaries between pop and rock were periodically relaxed, providing a platform for musical creativity less confined by genre and branding.

2009 Songwriter's Market Routledge

(Easy Piano Songbook). 50 Christmas classics every beginning pianist should know presented in simple arrangements for ultimate enjoyment. Songwriter's Market Hal Leonard Corporation

The music industry's ongoing battle against digital piracy is just the latest skirmish in a long conflict over who has the right to distribute music. Starting with music publishers' efforts to stamp out bootleg compilations of lyric sheets in 1929, Barry Kernfeld's *Pop Song Piracy* details nearly a century of disobedient music distribution from song sheets to MP3s. In the 1940s and '50s, Kernfeld reveals, song sheets were succeeded by fake books, unofficial volumes of melodies and lyrics for popular songs that were a key tool for musicians. Music publishers attempted to wipe out fake books, but after their efforts proved unsuccessful they published their own. *Pop Song Piracy* shows that this pattern of disobedience, prohibition, and assimilation recurred in each conflict over unauthorized music distribution, from European pirate radio stations to bootlegged live shows. Beneath this pattern, Kernfeld argues, there exists a complex give and take between distribution methods that merely copy existing songs (such as counterfeit CDs) and ones that transform songs into new

products (such as file sharing). Ultimately, he contends, it was the music industry's persistent lagging behind in creating innovative products that led to the very piracy it sought to eliminate.

Best Modern Christmas Songs Hal Leonard

A guide to locating information on popular music and the people who create it, this volume is designed as a desk reference—to locate answers to specific questions and to direct library users to key resources. More than 400 comprehensive titles are carefully annotated, describing content, scope, and special features. The focus is on the musical styles that have developed measurable commercial success through recordings and live performance. Along with academic titles, many important titles from the popular press are included, as well as selected electronic resources. A necessary reference tool for any library, scholar, student, and popular music buff. The work covers bibliographies, indexes, discographies, dictionaries and encyclopedias, biographical resources, directories, almanacs, yearbooks, and guidebooks on styles that include jazz, swing, Tin Pan Alley, country, gospel, blues, rhythm and blues, soul, rockabilly, rock, heavy metal, musical theater, and film music. Its extensive appendices feature discographies and bibliographies of individual artists and ensembles. A detailed index combining authors, titles, and subjects makes cross-referencing easy. The entries are modeled after the immensely useful *The Guide to Reference Books*.

First 50 Christmas Songs You Should Play on the Piano Hal Leonard Publishing Corporation

(Piano/Vocal/Guitar Songbook). The 1980s were all about shoulders pads, parachute pants, and jams like the ones in this rad collection of nearly 60 hit songs arranged for piano and voice with guitar chord frames: Africa * Billie Jean * Can't Fight This Feeling * Come On Eileen * Down Under * Every Breath You Take * Every Rose Has Its Thorn * Faith * Footloose * Girls Just Want to Have Fun * Hello * Here I Go Again * I Love Rock 'N Roll * I Want to Know What Love Is * Jessie's Girl * Like a Virgin * Livin' on a Prayer * Open Arms * Right Here Waiting * Rosanna * Sweet Dreams (Are Made of This) * Time After Time * Total Eclipse of the Heart * Uptown Girl * and more.

A Guide to Popular Music Reference Books Lulu.com

The last quarter of the twentieth-century saw a renewed interest in the hammered dulcimer in the United States at the grassroots level as well as from elements of the Folk Revival. This book offers the reader a discussion of the medieval origins of the dulcimer and its subsequent spread under many different names to other parts of the world. Drawing on articles the author has written in English as well as articles by specialists in their own languages, Gifford explains the history and evolution of the instrument. Special attention is paid to the North American tradition from the early 18th-century to the 1970s revival. Drawing from local histories, news clippings, photographs, and interviews, the book examines the playing of the dulcimer and its associated social meanings.
