IELTS Reading Academic Practice Test Book: IELTS Guide with Tips for Reading Test Preparation for a High Score on the Academic Module by IELTS Success Group contains four complete IELTS practice reading tests. This book is an expanded edition of IELTS Reading Practice Tests: IELTS Guide for Self-Study Test Preparation

for IELTS for Academic Purposes by IELTS Success Associates. The first 107 pages of the study guide have the same great material as IELTS Success Associates' original publication. Plus, there is a new IELTS reading practice test at the end of the book. Each practice reading test in this book has three passages, just like the actual IELTS academic reading test, so there are twelve

reading passages in the publication for you to study. All of the reading passages in the book are on factual, informative, or academic topics, which is also like the format of the actual IELTS test. The practice exams have questions of all of the types that you will see on the real IELTS reading test, so the book has multiple choice questions; form, diagram and summary completion;

identification of the writer's views; matching features and headings; and gap-fill questions. The tips at the beginning of the book explain the format of the IELTS reading test and tell you what to expect on your exam day. Practice Reading Test 1 in the publication is in tutorial mode, so it includes tips and suggestions at the beginning of each section to give you strategies to help you

answer all of the types of questions on the reading tests. There is a complete answer key with in-depth explanations for each answer, so that you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique. Get a high score on your IELTS reading test with this great book!
