7 Steps to Becoming Financially Free Workbook offers all the nuts and bolts to make the most of God's generous gifts. In this perfect complement to the book, 7 Steps to Becoming Financially Free, you'll find all the necessary tools to implement sound principles of financial management, budgeting, and investing in your life. An author, financier, and lifelong Catholic, Phil Lenahan weaves personal anecdotes with sound Catholic teaching and extensive financial counseling experience to help you gain clarity on some of the biggest issues you face today. Most important, he shows you why your financial plan is part of a much larger spiritual plan that God has in mind for you. 7 Steps to Becoming Financially Free Workbook walks you through the right spreadsheets, spending analyses, calculators, metrics, and helpful prompts to create the best financial plan for yourself and your family ? without losing sight of Catholic teachings regarding money, being good stewards, and trusting God's plan. It helps you to appreciate the gifts God has given you ? your skills, your education, your training, your income ? and shows you how to use them as He intended. True financial freedom is about a lot more than just getting out of debt or saving for retirement. True financial freedom is being a good steward of all that God has blessed us with, and trusting in His providence as we set our future goals. Start your journey to true financial freedom today.

Draws from research and interviews with financial experts to offer a seven-step blueprint for attaining financial freedom, simplifying complex financial concepts and providing advice for anyone to create a lifetime income plan at any income level.

*Unshakeable* Mango Media Inc.

Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our money -- so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological, even spiritual power money has in our lives. *The 9 Steps to Financial Freedom* is the first personal finance book that gives you not only the knowledge of how to handle money, but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including: \* seeing how your past holds the key to your financial future \* facing your fears and creating new truths \* trusting yourself more than you trust others \* being open to receiving all that you are meant to have \* understanding the lessons of the money cycle *The 9 Steps to Financial Freedom* is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments. It's about redefining financial freedom -- and realizing that you are worth far more than your money.

In simple and easy-to-understand workbook language with fill-in-the-blanks (Teacher's Manual has answers filled in), author Rich Brott explains that financially, you must live below your means. If you have been living above your means, you are already in serious debt with no hope of becoming debt free unless you quickly change your financial habits. If you have been living within your means, you may be debt free, but you have little or no savings or investments to carry you through your retirement. What you must begin to do is live below your means. The book will show you how to do just that. Once you've accomplished the basics of getting out of debt, staying out of debt and continuing to live below your means, then the next big hurdle is to set financial goals that will keep you invested in simple, well-diversified, conservative investment vehicles. The only way to reach a financial goal is to work at it. The most important step in reaching that goal is to develop a plan to achieve it. That's why it is so important to plan ahead for your retirement and your financial future. While the idea of planning ahead and building a solid financial strategy for success can sometimes be intimidating and overwhelming, once you get started, it will become easier. With a little planning

and a better understanding of what your investment options are, you too can successfully manage your money and pursue your financial goals.

David Bach has a plan to help you live and finish rich—no matter where you start So you feel like you've started late? You are not alone. What if I told you that right now as you flip through this book, 70% of the people in the store with you are living paycheck to paycheck? What if I told you that the man browsing the aisle to your left owes more than \$8,000 in credit card debt? And the woman on your right has less than \$1,000 in savings? See? You're really not alone. Unfortunately, the vast majority of people who've saved too little and borrowed too much will never catch up financially. Why? Because they don't know how. You can start late and finish rich—but you need a plan. This book contains the plan. It's inspiring, easy to follow, and is based on proven financial principles. Building a secure financial future for yourself isn't something you can do overnight. It will take time and it will take work. But you can do it. I know. I've helped millions of people get their financial lives together—and I can help you. Spend a few hours with me—and let me challenge you. Give me a chance to become your coach. Just because you started late doesn't mean you are doomed to an uncertain future. Whether you're in your thirties, forties, fifties, or beyond, there is still time to turn things around. It's never too late to live and finish rich. All it takes is the decision to start. —David Bach Is it too late for me to get rich? Over and over, people share their fears with David Bach, America's leading money coach and the number-one national best-selling author of The Automatic Millionaire. "If only I had started saving when I was younger!" they say. "Is there any hope for me?" There IS hope, and help is here at last! In Start Late, Finish Rich, David Bach takes the "Finish Rich" wisdom that has already helped millions of people and tailors it specifically to all of us who forgot to save, procrastinated, or got sidetracked by life's unexpected challenges. Whether you are in your thirties, forties, fifties, or even older, Bach shows that you really can start late and still live and finish

rich – and you can get your plan in place fast. In a motivating, swift read you learn how to ramp up the road to financial security with the principles of spend less, save more, make more – and most important, LIVE MORE. And he gives you the time tested plan to do it. The Start Late, Finish Rich promise is bold and clear: Even if you are buried in debt – there is still hope. You can get rich in real estate – by starting small. Find your “Latte Factor” – and turbo charge it to save money you didn’t know you had. You can start a business on the side – while you keep your old job and continue earning a paycheck. You can spend less, save more and make more – and it doesn’t have to hurt. David Bach gives you step-by-step instructions, worksheets, phone numbers and website addresses --everything you need to put your Start Late plan into place right away. And he shares the stories of

ordinary Americans who have turned their lives around, at thirty, forty, fifty, even sixty years of age, and are now financially free. They did it, and now it’s your turn. With David Bach at your side, it’s never too late to change your financial destiny. It’s never too late to live your dreams. It’s never too late to be free.
