 Drawing on thinkers such as Foucault, Butler, Levinas, Arendt and Deleuze, 'Culture and Performance' explores the development and direction of the notion of performativity in feminist theory. It interrogates the idea of subjectivity, the possibility of ethics and how such abstract questions relate to the world of political action.
Thrice Bitten [sHarmony Shifters 3] Rowman & Littlefield
 Jess Mackey is living a meticulously fabricated lie of necessity. She's left the secret tragedy of her past behind along with who she was and is forging ahead with a clean slate. Jess soon discovers that passion can't be left behind; her own and that of the one man that sees who she really is. Whose presence caresses her soul in a way that may breach the peaceful life Jess has made for

herself. Devin Castile sees a young woman that is the missing puzzle piece to his existence and who is also the victim to a heinous crime. Devin convinces himself that he can remain emotionally distant even while indulging his physical desire for her. When the lies that Jess has made crumble before their attraction and the truth is revealed, one of them might pay with their life... or their very being. (Due to sexual content and language, this book is recommended for 17+ - Adult Contemporary Women's - New Adult Fiction)
REMUS BROTHERS V03 CROSS K. G. Saur
 [Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Fantasy Paranormal, M/M, HEA] Brandon Thomas liked his job as an orderly at the Gervais Institute of Study, but lately, things have started to get a little weird. The military moved in and armed soldiers roam the halls. Told to report to his supervisor, he's surprised to learn that he has received a promotion. Brandon's promotion turns into a nightmare when he is poked and prodded by a mad doctor and told he is now part of a government experiment. Escaping seems impossible until a sexy man with beautiful blue eyes comes to Brandon's rescue. One thing leads to another and Brandon finds himself

bonded to a Seelie elf from another world. On the run from the institute's retrieval team, Brandon tries to understand everything Kavin is telling him while wondering if the man is crazy. He has to be, right? But Brandon's nightmare isn't over. When he's forced to go through the veil between worlds, Brandon ends up in the Unseelie Court and in the hands of a total stranger. With no hope of escape, Brandon wonders if he will ever see his perfect elf again. ** A Siren Erotic Romance

 Moral Theory at the Movies provides students with a wonderfully approachable introduction to ethics. The book incorporates film summaries and study questions to draw students into ethical theory and then pairs them with classical philosophical texts. The students see how moral theories, dilemmas, and questions are represented in the given films and learn to apply these theories to the world they live in. There are 36 films and a dozen readings including: Thank you for Smoking, Plato's Gorgias, John Start Mill's Utilitarianism, Hotel Rwanda, Plato's Republic, and Horton Hears a Who. Topics cover a wide variety of ethical theories including, ethical subjectivism, moral relativism, ethical theory, and virtue ethics. Moral Theory at the Movies will appeal to students and

help them think about how philosophy is relevant today.

Cross [Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Cross Remus is great at the tech stuff, excels at working on cars, but when he rescues a man from the clutches of a crazed hyena-shifter, Cross soon finds there is something he isn't equipped to handle. For over two weeks Brandon was shot full of drugs to keep him compliant, and now Brandon is addicted to the high. Unsure how to handle his mate's addiction, Cross asks for help. Jax, his eldest brother, makes a call that Cross hopes will help Brandon. But when Drew shows up, Brandon refuses to talk to the human. While trying to help his mate, Cross and his brothers must fight to keep the hyenas from taking Brandon back. Bowman isn't giving up on getting Brandon back though. Tired of fighting to keep his mate safe, Cross and three of his brothers go after Bowman, but soon find that they've walked into a trap. Can Cross get out of there alive, or will Brandon have to not only fight his addiction, but suffer through the loss of his mate? ** Hound [Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Devin has already survived hell but must survive it again. Nearly two years ago, Devin's life turned to hell. His mother's boyfriend had Devin's son taken from him, and since then, Devin has been fighting to get Jordan back. Devin's kidnapping has made matters worse. That is, until Houston steps up to the plate and bends over backward to help Devin out. He isn't sure he can trust the man but finds Houston isn't an easy man to push away. When Houston goes with his brothers to kill Bowman—a hyena who drugged Cross's mate--he finds Devin. He's at his wit's end with his mate. Devin is secretive and hell-bent on keeping Houston shut out of the man's life. But when his mate finally tells Houston what's going on, their problems only grow. The man who had Jordan taken away has escaped from prison, and Cyrus has one goal in mind. Make Devin pay. ** A Siren Erotic Romance

Among Heroes Siren-BookStrand

In the first bilingual work on the reptiles and amphibians of the US–Mexico border, top herpetologists come together to describe the herpetofauna of the states of this region, which includes more than 600 species of toads, frogs, salamanders, turtles, sea turtles, alligators, lizards, snakes, and sea snakes that are found along the almost 2,000-mile border between the two countries. Each chapter is devoted to one state—four in the US (California, Arizona, New Mexico, and Texas) and six in Mexico (Baja California, Sonora, Chihuahua, Coahuila, Nuevo León, and Tamaulipas)—with text in both English and Spanish. The chapters contain an introduction to the area, a review of the research, a sketch of the state's physiography, and a description of the species present as well as the pertinent conservation issues they face. A color photo gallery includes images of nearly all species. Almost 40 percent of the featured native species are shared between the US and Mexico, reminding us that animals depend on the integrity of natural landscapes and proving the need for a comprehensive, bilingual reference to help lead a shared effort in the management and conservation of the borderlands.

Runaway (The Airhead Trilogy, Book 3) Univ of California Press

Now reissued in paperback with an updated preface by the authors, *Biology of Amphibians* remains the standard work in its field.

The London Journal: and Weekly Record of Literature, Science, and Art Scholarly Title Consisting of more than six thousand species, amphibians are more diverse than mammals and are found on every continent save Antarctica. Despite the abundance and diversity of these animals, many aspects of the biology of amphibians remain unstudied or misunderstood. The Ecology and Behavior of Amphibians aims to fill this gap in the literature on this remarkable taxon. It is a celebration of the diversity of amphibian life and the ecological and behavioral adaptations that have made it a successful component of terrestrial and aquatic ecosystems. Synthesizing seventy years of research on amphibian biology, Kentwood D. Wells addresses all major areas of inquiry, including phylogeny, classification, and morphology; aspects of physiological ecology such as water and temperature relations, respiration, metabolism, and energetics; movements and orientation; communication and social behavior; reproduction and parental care; ecology and behavior of amphibian larvae and ecological aspects of metamorphosis; ecological impact of predation on amphibian populations and antipredator defenses; and aspects of amphibian community ecology. With an eye towards modern concerns, *The Ecology and Behavior of Amphibians* concludes with a chapter devoted to amphibian conservation. An unprecedented scholarly contribution to amphibian biology, this book is eagerly anticipated among specialists.

Virginia Justice Series (Books 1-3) JHU Press

Navy SEAL sniper and New York Times bestselling author Brandon Webb's personal account of eight of his friends and fellow SEALs who made the ultimate sacrifice. "Knowing these great men—who they were, how they lived, and what they stood for—has changed my life. We can't let them be forgotten. We've mourned their deaths. Let's celebrate their lives."—Brandon Webb As a Navy SEAL, Brandon Webb rose to the top of the world's most elite sniper corps, experiencing years of punishing training and combat missions from the Persian Gulf to Afghanistan. Along the way, Webb served beside, trained, and supported men he came to know not just as fellow warriors, but as friends and, eventually, as heroes. This is his personal account of eight extraordinary SEALs who gave all for their comrades and their country with remarkable valor and abiding humanity: Matt "Axe" Axelson, who perished on Afghanistan's Lone Survivor mission; Chris Campbell, Heath Robinson, and JT Tumlison, who were among the casualties of Extortion 17; Glen Doherty, Webb's best friend, killed while helping secure the successful rescue and extraction of American CIA and State Department diplomats in Benghazi; and other close friends, classmates, and fellow warriors.

These are men who left behind powerfully instructive examples of what it means to be alive—and what it truly means to be a hero. INCLUDES PHOTOGRAPHS
