 This surprise bestseller set in the world of female bodybuilding is “a modern

gothic comedy of obsession” (Vanity Fair). Aurora Jeanine Johnson is an unwed mother from Savannah, Georgia, desperate to sculpt a new life—and a new body—in California, where the quest for the perfect butt or bicep reaches religious intensity. Spending every spare moment training at the gym, Aurora is barely getting by—until she meets the man who will offer her everything she most desires. Charles Worthington is a wealthy eccentric, rich enough to indulge his every

decadent whim and fantasy. Aurora is his sexual ideal, the raw material from which he will shape his masterpiece. He will transform Aurora into the woman of his dreams—and fantasies—no matter the cost. To achieve their common goal, Aurora hands over complete control of her life to Charles. He dictates her diet, her lifestyle, her training—and when and how much she'll take of the body-altering drugs he “prescribes” for her.

He decides whom she sees and where she goes. And what kinky games of his own devising they will play. For Aurora, everything that Charles asks is a small price to pay to become the woman she's always dreamed of being. Or is it? *Chemical Pink* is a gothic duet that explores the boundary between obsession and pathology. “A compelling novel that explores a dark and troubling world . . . A talented writer with a sharp, distinctive voice.” —Carrie Fisher “A dazzling

first novel—entirely original, dizzyingly controlled, all ice-cool momentum on the surface and all shock below.” —Joan Didion
Journey of the Pink Dolphins Darolt Books
A Portrait of the Artist as a Young Man is the first novel of Irish writer James Joyce. A *Künstlerroman* in a modernist style, it traces the religious and intellectual awakening of young Stephen Dedalus, a fictional alter ego of Joyce and an allusion to Daedalus, the consummate craftsman of

Greek mythology. Stephen questions and rebels against the Catholic and Irish conventions under which he has grown, culminating in his self-exile from Ireland to Europe. The work uses techniques that Joyce developed more fully in *Ulysses* (1922) and *Finnegans Wake* (1939). The childhood of Stephen Dedalus is recounted using vocabulary that changes as he grows, in a voice not his own but sensitive to his feelings. The reader experiences Stephen's fears and

bewilderment as he comes to terms with the world in a series of disjointed episodes. Stephen attends the Jesuit-run Clongowes Wood College, where the apprehensive, intellectually gifted boy suffers the ridicule of his classmates while he learns the schoolboy codes of behaviour. While he cannot grasp their significance, at a Christmas dinner he is witness to the social, political and religious tensions in Ireland involving Charles Stewart

Parnell, which drive wedges between members of his family, leaving Stephen with doubts over which social institutions he can place his faith in. Back at Clongowes, word spreads that a number of older boys have been caught "smuggling"; discipline is tightened, and the Jesuits increase use of corporal punishment. Stephen is strapped when one of his instructors believes he has broken his glasses to avoid studying, but, prodded by his classmates, Stephen

works up the courage to complain to the rector, Father Conmee, who assures him there will be no such recurrence, leaving Stephen with a sense of triumph. Stephen's father gets into debt and the family leaves its pleasant suburban home to live in Dublin. Stephen realises that he will not return to Clongowes.

The Witch Who Stole the Pink Catapult
A hilarious romp from

small-town USA to the pink carpet of Hollywood with beloved Emmy Award-winning actor, playwright, popular and laugh-out-loud funny Instagram icon, and gay legend. Leslie Jordan was a small man with a giant propensity for scene stealing. Best known for his bravura recurring role as Karen's nemesis, Beverley Leslie, on *Will & Grace* (for which he won a Best Guest Actor in a Comedy Series Emmy in 2006), he also made memorable appearances on *Ally McBeal*, *Boston*

Public, Monk, and *Murphy Brown*. Raised in a conservative family in Chattanooga, Tennessee, Leslie—who described himself as “the gayest man I know”—boarded a Greyhound bus bound for LA with \$1,200 sewn into his underpants and never looked back. His pocket-sized physique and inescapable talent for high camp paved the way to a lucrative and varied career in commercials and on television. Along the way he immersed himself in writing for the stage, and his one-man

testimonials have become cult off-Broadway hits. But with success came dangerous temptations: a self-proclaimed former substance abuser and sexaholic, Leslie has spent time in jail and struggled to overcome his addictions and self-loathing. My Trip Down the Pink Carpet is a rollicking, fast-paced collection of stories, served up with wit, panache, and plenty of biting asides. Filled with comically overwrought childhood agonies, offbeat observations, and

revealing celebrity encounters—from Boy George to George Clooney—it delivers a fresh, laugh-out-loud take on Hollywood, fame, addiction, gay culture, and learning to love oneself.

The Life Of David is a message of meditation based on the Bible and written by Arthur Walkington Pink was born in Nottingham, England, to a corn merchant, a devout non-conformist of uncertain denomination, though probably a Congregationalist.

Otherwise, almost nothing is known of Pink's childhood or education except that he had some ability and training in music. As a young man, Pink joined the Theosophical Society and apparently rose to enough prominence within its ranks that Annie Besant, its head, offered to admit him to its leadership circle. In 1908 he renounced Theosophy for evangelical Christianity. Desiring to become a minister but unwilling to attend a liberal theological college in

England, Pink very briefly studied at Moody Bible Institute in Chicago in 1910 before taking the pastorate of the Congregational church in Silverton, Colorado. In 1912 Pink left Silverton, probably for California, and then took a joint pastorate of churches in rural Burkesville and Albany, Kentucky. In 1916, he married Vera E. Russell (1893-1962), who had been reared in Bowling Green, Kentucky. Pink's next pastorate seems to have been in Scottsville. Then the

newlyweds moved in 1917 to Spartanburg, South Carolina, where Pink became pastor of Northside Baptist Church. By this time Pink had become acquainted with prominent dispensationalist Fundamentalists, such as Harry Ironside and Arno C. Gaebelin, and his first two books, published in 1917 and 1918, were in agreement with that theological position. Yet Pink's views were changing, and during these years he also wrote the first edition of The

Sovereignty of God (1918), which argued that God did not love sinners and had deliberately created "unto damnation" those who would not accept Christ. Whether because of his Calvinistic views, his nearly incredible studiousness, his weakened health, or his lack of sociability, Pink left Spartanburg in 1919 believing that God would "have me give myself to writing." But Pink then seems next to have taught the Bible with some success in California for a tent evangelist

named Thompson while continuing his intense study of Puritan writings. *Journey of the Pink Dolphins* Penguin

Acclaimed travel and nature writer Anthony Ham spotlights the world's largest rainforest in this unique combination of international politics, conservation, true crime, travel, biography and memoir. This is the story of Christopher Clark, a remarkable man who spent his life helping to save a pristine corner of the Amazon rainforest in Brazil. Clark's strict childhood sent him far

from home in search of adventure, landing him in the Amazon, where he fell in love with the forest, its people and its wildlife. When a village elder in a dying riverbank town begged him to save the forest and its inhabitants, this challenge became his life's work. Over the next thirty years, he set up home in one of the most remote parts of the Amazon and lived an extraordinary life. Together with the isolated Waimiri-Atroari Indigenous people, he stared down men with

machine guns, weathered government campaigns to discredit and drive him out, apocalyptic fires, and more. Australian writer Anthony Ham travelled to Clark's forest home in Xixuaú, and listened as Clark told his story for the first time. With Valdemar, an Indian guide and Clark's lifelong friend, they explored the forest world in a dugout canoe as pink dolphins swam beside them. They spoke for days over caipirinhas, as Clark told stories of close encounters with jaguars and anacondas, of

his life among the people of the Amazon, and of the deadly threats still being made against him. Ham brings to life the forest and its many dark and beautiful secrets, as well as depicting Clark in all his complexity. In the process the two men, writer and activist, became friends and together faced one last attempt on Clark's life. At a time of great peril for the Amazon and its inhabitants, as vast areas are being destroyed with frightening consequences for our planet, the

rainforest itself becomes a haunting character in this gripping book. The Man Who Loved Pink Dolphins is captivating, crucial, terrifying and hopeful, and is very much a story of our time. Praise for The Last Lions of Africa: 'Urgent and important. This moving tale with a heroic cast of characters, leonine and human, is a must-read for anyone passionate about wildlife and wild places.' - Tony Park, author of Last Survivor 'A moving journey . . . Ham is a beautiful storyteller.' -

Australian Women's Weekly 'This is gripping, insightful, evocative and ultimately heartbreaking reading.' - Travel Africa 'The Last Lions of Africa took me to new horizons among familiar territory, to a richer more spiritual understanding of us and lions. What a thoughtful, educational and spiritual book.' - Jonathan Scott, author of The Marsh Lions, Sacred Nature and Big Cat Diary 'The Last Lions of Africa is much more than a tale about the struggle to save the lion from extinction. What makes it

so rewarding and gives it mythic resonance is the way Ham captures the intimate, complex interrelationships between humans - farmers, villagers, hunters, conservationists - and these proud, awe-inspiring beasts.' - Sydney Morning Herald

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of

Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new

things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and

transform how we live. Nothing Pink Simon and Schuster
Travel Back to a Time of Innocence and Adventure
"Until Kirby Mellen was ten nothing very exciting had ever happened to him or his father or his mother or his little sister Bitsy." All of this changes very suddenly with the death of far-distant Uncle Hiram, who leaves his Florida motel-painted pink-to Kirby's mom. People like the Mellens, from Minnesota, do not paint their buildings pink. And these seven buildings are

not just quietly pink-they are outrageously PINK. "It was pinker than Kirby's necktie or Bitsy's hair ribbon. It was pink, pink, PINK." It isn't long after the Mellens arrive at the motel that things go even more off kilter with regulars (and some irregulars) taking up residence in the cottages. There's old Miss Ferry who talks to crabs and other beach creatures, Marvello the magician, the two gangsters Locke and Black, and jolly Mr. Carver, who has a knack for uncovering the secrets

left by Uncle Hiram. Carol Ryrie Brink's classic children's tale evokes a time of innocence and adventure in the lives of the Mellen children and their friends. Written long before the introduction of the internet, it speaks of people solving problems through understanding and coming together. With delightful illustrations by Sheila Greenwald, this story will capture the imagination of children of all ages. [My Trip Down the Pink Carpet](#) Haymarket Books
When Sheldon Russell

Curtis told this story to his daughter, Rosa, she kept every word in her heart and was to retell it many times. I will tell it in Sheldon's own words as nearly as I can. He was wounded in a fierce battle and left for dead in a pasture somewhere in Georgia when Pinkus found him. Pinkus' skin was the color of polished mahogany, and he was flying Union colors like the wounded boy, and he picked him up out of the field and brought him to where the black soldier's mother, Moe Moe Bay,

lived. She had soft, gentle hands and cared for him and her Pink. But the two boys were putting her in danger, two Union soldiers in Confederate territory! They had to get back to their outfits. Scared and uncertain, the boys were faced with a hard decision, and then marauding Confederate troops rode in. In this Civil War story passed from great-grandfather to grandmother, to son, and finally to the author-artist herself, Patricia Polacco once again celebrates the shared humanity of the

peoples of this world. *Real Men Don't Wear Pink* Farrar, Straus and Giroux (BYR) Celebrate girl power with this charming and empowering picture book about a pink hat and the budding feminist who finds it. "This simple and cheerful tale suggests, with not an ounce of preachiness, values of care and comfort and the support women have for each other across generations." --The Washington Post Here is a clever story that follows the journey of a pink hat

that is swiped out of a knitting basket by a pesky kitten, blown into a tree by a strong wind, and used as a cozy blanket for a new baby, then finally makes its way onto the head of a young girl marching for women's equality. Inspired by the 5 million people (many of them children) in 82 countries who participated in the 2017 Women's March, Andrew Joyner has given us a book that celebrates girls and women and equal rights for all! With themes of empathy, equality, and

solidarity, *The Pink Hat* is a timeless and timely story that will empower readers and promote strength in the diverse and active feminist community.

Gus Van Sant goes from auteur to author in an brilliant, inventive, and endlessly entertaining first novel that reads like a Warholian mix of Kurt Vonnegut and Tom Robbins. In the town of Sasquatch, Oregon, Spunky Davis, middle-aged maker of

infomercials, is trying to find his next assignment, finish the screenplay that he hopes will bring him Hollywood glory, and deal with the death of his friend and favorite infomercial presenter, teen idol Felix Arroyo. Enter two young aspiring filmmakers, Jack and Matt, whom Spunky finds strangely familiar-- especially as Jack bears an uncanny resemblance to the late Felix. But Jack and Matt are not what they appear to be; they are messengers from a dimension beyond time

known as Pink, and they invite Spunky to join them on their voyage of transcendence and recovery. Using a delirious array of voices signified by different typefaces, a flip cartoon that animates the novel's action, footnotes and line drawings, Gus Van Sant turns the novel into an explosively visual experience, a captivating combination of texture and text. As original and involving as any of Van Sant's films, *Pink* is both a hip, comic deconstruction of our image-obsessed

culture and a genuinely tender story on the classic themes of love, time, and loss.

"[Mark] Gevisser is clear-eyed and wise enough to have a sharp sense of how tough the struggle has been, and how hard it will be now for those who have not succeeded in finding shelter from prejudice." --Colm Tóibín,

The Guardian A groundbreaking look at how the issues of sexuality and gender identity divide and unite the world today More than seven years in the making, Mark Gevisser's *The Pink Line: Journeys Across the World's Queer Frontiers* is an exploration of how the conversation around sexual orientation and gender identity has come to divide—and describe—the world in an entirely new way over the first two decades of the twenty-first century. No social movement has

brought change so quickly and with such dramatically mixed results. While same-sex marriage and gender transition are celebrated in some parts of the world, laws are being strengthened to criminalize homosexuality and gender nonconformity in others. As new globalized queer identities are adopted by people across the world—thanks to the digital revolution—fresh culture wars have emerged. A new Pink Line, Gevisser argues, has been drawn

across the globe, and he takes readers to its frontiers. Between sensitive and sometimes startling profiles of the queer folk he's encountered along the Pink Line, Gevisser offers sharp analytical chapters exploring identity politics, religion, gender ideology, capitalism, human rights, moral panics, geopolitics, and what he calls "the new transgender culture wars." His subjects include a Ugandan refugee in flight to Canada, a trans woman fighting for custody of her

child in Moscow, a lesbian couple campaigning for marriage equality in Mexico, genderqueer high schoolers coming of age in Michigan, a gay Israeli-Palestinian couple searching for common ground, and a community of kothis—"women's hearts in men's bodies"—who run a temple in an Indian fishing village. What results is a moving and multifaceted picture of the world today, and the queer people defining it. Eye-opening, heartfelt, expertly researched, and

compellingly narrated,
The Pink Line is a

urgent—journey of
unprecedented scope into
twenty-first-century
identity, seen through the
