Homoeopathy for Midwives (and All Pregnant Women) Penguin UK This is a concise introduction to homeopathy for the midwife (and nurse-midwife). It starts with a brief introduction to the principles of homeopathy and the use of remedies. It then presents a series of full page tables to aid the midwife in rapid and clear assessment of the client's needs, and the remedy most likely to be appropriate. The text aims to give a quick and clear set of options for treatment by homeopathy.

The Lady's Manual of Homoeopathic Treatment, in the Various Derangements Incident to Her Sex Wentworth Press Originally published in 1880, this groundbreaking medical treatise advocates for the use of homeopathy and natural remedies in preventing birth defects and promoting healthy pregnancy. The authors, both distinguished physicians and homeopaths, argue that many birth defects and diseases are caused by a lack of proper nutrition and hygiene during pregnancy, and can be prevented or mitigated by a combination of diet, exercise, lifestyle changes, and homeopathic remedies. The book includes detailed case studies, nutritional guides, and practical tips for expectant mothers and healthcare providers. A seminal work in the history of alternative medicine and women's health. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. A Doctor's Guide to Helping Yourself with Homeopathic Remedies HarperThorsons

The Homeopathic Childbirth Manual: A Practical Guide for Labor, Birth, and the Immediate Postpartum Period is a reference guide written for pregnant women, homeopaths, midwives, and other birth professionals. It offers clear and easy-to-follow information

on how to manage many of the physical and emotional challenges encountered during the birth process with the use of homeopathy, a gentle, yet powerful effective form of natural medicine. "Betty's book is easy to read and understand-two elements vital to learning and understanding the art of homeopathy."-Jill Cohen, midwife and associate editor for *Midwifery Today* magazine "This is the finest reference guide to homeopathic care for pregnancy, birth, and the newborn I have read. The philosophy of birth being a healthful process in a family's life is echoed throughout the book. Ms. Idarius continues the legacy of midwifery; to be "with women," listening with open heart and mind. This valuable resource manual gives me the guidance and confidence to broaden my use of homeopathic remedies in my midwifery practice. Thank you for such an eloquent, gentle, and thorough compendium of homeopathy for the childbearing woman and her newborn."-Laura Mann, C.N.M., F.N.P., M.S., faculty at the Frontier School of Midwifery and Family Nursing, course coordinator of Promoting Health and Wellness, Welcoming Home Nurse-Midwifery Service "Ms. Idarius has done a great service with this fine manual. The homeopathic information is beautifully presented - in a highly lucid fashion. It is clear that she is not only speaking from many years of experience with the subject, but even more valuable, that she brings to it a sensitivity arising out of a deep love of this work. Bravo!"-Ana Chavarria de Shore, P.A.-C., Homeopath/Women's Health "This book is indispensable to the homeopathic management of the birthing experience."-Greg Bedayn, R.S.Hom.(N.A.), C.C.H., editor of *The American Homeopath* "This book brings homeopathy to a new level by combining the skills necessary for good midwifery care with the application of homeopathy. It, therefore, provides an excellent practical foundation for those assisting the woman during childbirth."-Louis Klein, R.S.Hom.(N.A.), founding president of NASH (North American Society of Homeopaths) "The benefits of homeopathy for naturally assisting pregnancy and labor cannot be overemphasized. Much care and experience has gone into this book, the true value of which will be discovered at the bedside of the birthing woman where clear, easily accessible information is essential for good homeopathic care. Well done, Betty!"-Jo Daly, R.S.Hom., C.C.H., faculty at the Pacific Academy of Homeopathic Medicine "Whenever a client of mine had difficulties during a pregnancy, or questions about her pregnancy, labor and delivery, I referred her to Betty. Now I have Betty-in-a-book, and I can hear her loving and experienced voice safely guiding us, encouraging us, and helping us to apply the wisdom of Nature and homeopathy to The Birthday. Thank you Betty for this labor of love."-Lynn Amara, R.S.Hom.(N.A.), C.C.H., faculty at the Pacific Academy of Homeopathic Medicine

Plastic Medicine Singing Dragon

"This important and long-awaited guidebook brings together information and advice about the homeopathic treatment of a full range of gynecological disorders. The author, a well-known practicing homeopath and psychiatrist, gives a clear description of each disorder and its causes and symptoms. He discusses the conventional treatment of the complaint, and provides a list of homeopathic remedies, indicating exactly how each remedy is to be applied to specific physical and psychological symptoms. Dr. Smith is the author of several books on homeopathy, including *Homeopathic Medicine and Homeopathic Medicine for Mental Illness*. In this book he covers topics such as painful and irregular menstruation, menopause, infection, and infertility. He also addresses the issues of rape, contraception, and sexual problems, including the related male problems of premature ejaculation and impotence. Most importantly, he shows how women can use homeopathy as an important primary treatment in caring for their own health" -- Back cover.

Gems of Obstetrics & Gynecology Legare Street Press

This is a most interesting book that combines psychology with homeopathy. Philip Bailey describes in depth the personality profiles of some 35 polychrests. The last pages of the book cover a mix of psychological astrology and homeopathy when he explores the elements and some polychrests. Bailey provides detailed information on 35 major types, giving insight on diagnosis, mental and emotional traits, and physical characteristics. His broad profiles of major constitutional remedies give the reader a good overall picture of the personality type and therefore ways of remembering facts about the archetype, by having a unifying theory for each remedy.
