Yodel-Ay-Ee-Oooo is the first book to address the question: How did a centuries-old, Swiss mountain tradition make its way into American country music? Along the way, the reader discovers that yodeling is not just a Swiss thing--everyone from Central African pygmies, Nashville hunks-in-hats, avant-garde tonsil-twisters like Meredith Monk, hip-hop stars De La Soul, and pop stars like Jewel have been known to kick back and release a yodeling refrain. Along the way, we encounter a gallery of unique characters, ranging from the legendary, such as country singer Jimmie Rodgers, to the definitely different, including Mary Schneider (the Australian Queen of Yodeling) who specializes in yodeling Mozart, Beethoven, and Brahms, and the Topp Twins, a yodeling lesbian duo who employ the sound in their songs aimed at battling homophobia. The book is both a serious study of the history of yodeling around the world and a fun look at how this unique sound has worked its way into popular culture. Yodel-Ay-Ee-Oooo promises to be a classic for fans of music and popular culture.

Look behind the scenes of fifty celebrated songs, from an estimated repository of over one lakh!"De de khuda ke naam pe': when Wazir Mohammed Khan sang these words in India's first talkie, Alam Ara, he gave birth to a whole new industry of composers, lyricists and singers, as well as an entirely new genre of film-making that is quintessentially Indian: the song-and-dance film. In the eight decades and more since then, Hindi film songs have enraptured listeners all over the world. The Hindi film song has held millions spellbound for nearly eight decades. In this unputdownable 'labour of love', India's leading film song historian, Raju Bharatan, delves deep into his treasure trove to tell us how singing is all about romancing, how composing is all about feelings, how the twain, stardom and songdom, do meet to make the vintage film number a part of the nation's psyche. He reconstructs song happenings over the last sixty years or so to condense the emotion and passion going into legendary star hook-ups, showing us how with the pairing comes the vibe, with the vibe comes the tune, and with the tune unfolds cinema that is a 'Madhuballad' all the way. This volume also describes the creative inputs of music directors, lyricists and singers that go into the making of a Hindi film song. It is a compendium that no one can afford to miss! Raju Bharatan is popularly recognized as the last word on film music in India - as the only one physically there 'on the scene' through the decades. His knowledge of Hindustani cinesangeet is matched only by his grip on Indian cricket. He now packs fifty years of musical lore into a work sure to command a niche on your bookshelf.

Kishore Kumar Ke Yaadgaar Geet Notion Press

INTRODUCTION BY LATA MANGESHKAR Lata Mangeshkar's life and career are widely known, and yet there is an aspect that remains largely unrecorded: her life on the international stage. Beyond the confines of a recording booth, or as the voice of generations of actresses, she was an accomplished and magnetic performer on stage. She attracted vast audiences of Indian origin who have made their home in many countries, including the US and Canada. Mangeshkar transformed how the Indian film music concert was perceived in the West by refusing to be part of the low-key song-and-dance performances that were held earlier in community halls, schools and colleges. She insisted that she and her colleagues would sing only in mainstream auditoriums - this was an unheard-of demand because Indian film artistes had never performed on those stages at that time. In ON STAGE WITH LATA, Mohan Deora - co-promoter and co-organizer of Lata Mangeshkar's international tours from 1975 to 1998 - allows us to journey with her and the top male playback

singers, including Mukesh (who tragically died during a Detroit tour), Manna Dey and Kishore Kumar. Deora and Shah write about the participation of big-name stars including Amitabh Bachchan and Dilip Kumar, Waheeda Rehman and Farida Jalal. Mangeshkar is described here in her interactions with musicians, colleagues and friends as she meticulously prepared to sing on stage. The tours led to planning and glitches, camaraderie and tension, and anecdotes galore. They also provided the authors with a unique opportunity to observe the clarity of thought with which Lata Mangeshkar approached her work, and to see a great artiste at the height of her powers. A fine eye for detail makes the book a delight to read as Mohan Deora and Rachana Shah record an important slice of India's cinematic and cultural history.

Gaata Rahe Mera Dil Popular Prakashan

This book is a collection of articles published by the author over a period of time. Much of his writing reflects the social, political and economic issues that have emerged over the years and impacted India's politics and governance. Given his special interest in the working of the constitution, and the march of democracy since independence, the book contains chapters which specifically deal with constitutional issues, the working of parliament, the system of justice, the executive and the media. The author feels that negating the facts of history has been a major pastime of the Nehruvian and Marxist schools and that the distortions introduced by these schools need to be challenged and corrected in the current phase of national politics. This is reflected in his articles which deal with the running secular versus pseudo-secular debate as also the political battles being fought on what is 'national' and what is 'anti-national'. In any case, whatever the issue and however intense the debate, he is firmly of the view that it must all happen within the parameters of the constitution.

The definitive saga, at once riveting and revelatory - studded with rare nuggets of information and fascinating anecdotes - that sparkingly brings out the life and times of an internationally acclaimed incredibly versatile singer. Asha Bhosle - a Guinness world record holder plus recipient of the Padma Vibhushan and the Dadasaheb Phalke Award - has held one and all spellbound for six decades now. Her voice, both fluid and flexible, has infused neo life into a variety of genres - from the melancholy melody to the rollicking rock-'n'-roll; from the soulful creation to the vibrant disco; from the romantic rhapsody to the rambunctious folk song; from the dainty ghazal to the boisterous qawwali; and from the pathos-filled rendition to the naughty-naughty seductive number. The author - on the strength of his vast and varied exposure and experience - turns the focus on enthralling behind-the-scenes happenings that shaped the advance of this artiste with a remarkable range and a noteworthy body of work. 'The world has no time for losers' has remained Asha's performing credo. This volume captures Asha Bhosle in her numberless shades. It is about how - in her silken rivalry with elder sister Lata Mangeshkar - she moved with panache from O. P. Nayyar to S. D. Burman to R. D. Burman. It is about how she served a galaxy of composers; about how, in the end, she reached the pinnacle all by herself. Against odds that would have driven any other woman into quitting. No quitter ever, Asha Bhosle, as the supernova supreme, just went on to underline the adage: 'No power like woman power'. No more can you stay away from this marvel of a musical biography than you can stay away from the matchless musicality of Asha Bhosle. If she is one of a kind, so is this musical masterpiece capturing all the resonances and nuances going with her piquant persona. Here is a long-awaited career study shedding light on the twists and turns marking the starry-eyed world of Hindustani film music.
