## MARKS MATTHEWS

---

*Lost in San Francisco* Gestalten  
 Uses fictitious diaries, memoirs, interviews, and first-hand accounts to recreate the history of San Francisco  
*San Francisco Baby* Chronicle Books  
 Easy-to-read text introduces the sights of San Francisco, through a full day of sightseeing.

*Karl the Fog* Univ of California Press  
 From the New York Times bestselling author of *The Mark of the Dragonfly* comes a thrilling fantasy adventure about two magical friends living as refugees in a world that doesn't trust magic. Perfect for fans of *Serafina* and the *Black Cloak* and the *School for Good and Evil* series! There

was no warning the day magic died in Talhaven. It happened with a giant explosion and the arrival of a skyship full of children, all with magic running through their veins and no memory of home. Rook and Drift are two of those children, and ever since that day, they've been on the run, magical refugees in a world that doesn't trust magic. Because magic doesn't die right away--it decays, twists, and poisons all that it touches. And now it's beginning to poison people. Try as they might, Rook and Drift can't remember anything about their lives before Talhaven. But it's beginning to look like they're the only ones who can save their adopted world . . . if that world doesn't destroy them first. Praise for *The Door to the Lost* "This fun, exciting story . . . and the many well-rendered, imaginative and heartfelt scenes along the way make this journey

worthwhile." --The New York Times Book Review "Themes of refugees and found families are addressed in a way that retains fantasy flavor while realistically presenting the brutality of ignorance and beauty of humanity. Your new favorite fantasy." --Kirkus Reviews, Starred "Johnson's immersive world building is vivid . . . and the fast-paced action, compelling characters, and one cute magical fox will keep fantasy-loving kids hooked." --Booklist "With heartfelt explorations of the meanings of friendship and family. . . . Fans of portal fantasies, steampunk, and action-driven books will find this an entertaining read and will be left wanting more." --School Library Journal Praise for *The Mark of the Dragonfly* "This magnetic middle-grade debut . . . [is] a page-turner that defies easy categorization and ought to have broad

appeal." --Publishers Weekly, Starred "Heart, brains, and courage find a home in a steampunk fantasy worthy of a nod from Baum." --Kirkus Reviews, Starred "A fantastic and original tale of adventure and magic. . . . Piper is a heroine to fall in love with: smart, brave, kind, and mechanically inclined to boot." --School Library Journal, Starred

**Quake! Disaster in San Francisco, 1906** University of Chicago Press

In this atmospheric historical mystery series debut, a courageous nurse and a war-scarred police detective in 1860s San Francisco champion the down-trodden and fight for justice ... After serving as a nurse in the Crimea, British-born Celia Davies left her privileged family for an impulsive marriage to a handsome Irishman. Patrick brought her to San Francisco's bustling shores but then disappeared and is now presumed dead. Determined to carry on, Celia partnered with her half-Chinese cousin Barbara and her opinionated housekeeper Addie to open a free medical clinic for women who have nowhere else to turn. But Celia's carefully constructed peace crumbles when one of her Chinese patients is found brutally murdered...and Celia's hotheaded brother-in-law stands accused of the crime. A veteran of America's civil war, detective Nicholas Greaves is intent on discovering the killer of the girl, whose ethnicity and gender render her as powerless in death as they did in life. Nicholas's efforts are complicated by Celia, who has a knack for walking into dangerous situations that may lead to answers...or get them both killed. For as their inquiries take them from Chinatown's squalid back alleys to the Barbary Coast's violent shipping docks to the city's gilded parlors, Celia and Nicholas begin to suspect that someone very close to them holds the key to a murderous conspiracy...

Lost Gold of San Francisco Triumph Books Discover San Francisco from A (Alcatraz) to Z (The San Francisco Zoo), and everything in between! G is for the Golden Gate Bridge, L is for Lombard Street, and W is for the Wharf. Kids will have fun discovering the city as they learn their ABCs. In this companion to the best-selling *Larry Gets Lost in San Francisco*, the dog, Larry, and his owner, Pete, take an alphabetical journey through the City by the Bay. Attractions that Larry visits in the book include: Alcatraz Bay Bridge Cable Cars Dragon Gate Embarcadero Ferry Building Golden Gate Bridge Japanese Tea Garden Union Square With Larry, the lovable (if easily distracted) pup, as the tour guide and vibrant retro illustrations by creator John Skewes, the *Larry Gets*

*Lost* series offers fun and family-friendly travelogues to famous cities including New York City; Chicago; Washington, DC; and Seattle--complete with information on each city's landmarks and cultural attractions.

Hidden San Francisco Quill Driver Books A pictorial tour of the city by the Golden Gate, presenting drawings of its hills, cable cars, harbor, bridges, market areas, and flower stalls.

San Francisco Stories 21st Century Pub From New York Times bestselling author Jill Shalvis comes her first women's fiction novel—an unforgettable story of friendship, love, family, and sisterhood—perfect for fans of Colleen Hoover, Susan Mallery, and Kristan Higgins. They say life can change in an instant... After losing her sister in a devastating car accident, chef Quinn Weller is finally getting her life back on track. She appears to have it all: a loving family, a dream job in one of L.A.'s hottest eateries, and a gorgeous boyfriend dying to slip an engagement ring on her finger. So why does she feel so empty, like she's looking for a missing piece she can't find? The answer comes when a lawyer tracks down Quinn and reveals a bombshell secret and a mysterious inheritance that only she can claim. This shocking revelation washes over Quinn like a tidal wave. Her whole life has been a lie. On impulse, Quinn gives up her job, home, and boyfriend. She heads up the coast to the small hometown of Wildstone, California, which is just a few hours north, but feels worlds apart from Los Angeles. Though she doesn't quite fit in right away, she can't help but be drawn to the town's simple pleasures...and the handsome, dark-haired stranger who offers friendship with no questions asked. As Quinn settles into Wildstone, she discovers there's another surprise in store for her. The inheritance isn't a house or money, but rather something earthshattering, something that will make her question everything she thought she knew about herself, about her family. Now with a world of possibilities opening up to Quinn, she must decide if this new life is the one she was always meant to have—and the one that could finally give her the fulfillment she's searched so long for.

Four Lost Cities: A Secret History of the Urban Age Chronicle Books

In this coffee table book of luminous essays accompanied by an array of images, award-winning writer Sylvia Linsteadt brings to life the many microcosms that once flourished in the San Francisco Bay Area: from the farthest reach of the Russian Empire at Fort Ross,

to acres upon acres of apricot blossoms in what is now known as Silicon Valley, to the Coney Island of the West on the Alameda shoreline, to San Francisco's bohemian Barbary Coast. For every "lost world," Linsteadt reconstructs the setting in lyrical prose supported by extensive research into each epoch. Vintage photographs, maps, and paintings combined with neo-Victorian design accentuate the words, immersing us fully in the nuances of each reality, whether mining quicksilver at New Almaden or shopping underneath the rotunda of the palatial Emporium. A book both dazzlingly beautiful and sensitive to the complexities of portraying bygone eras, *Lost Worlds of the San Francisco Bay Area* celebrates the ephemeral and, in reminding us of the many moments of humanity threaded through the past, makes our understanding of the present moment that much more rooted.

Infinite City Bantam

Inside MLB profiles each of the 30 franchises in Major League Baseball. San Francisco Giants is a beginner's history of the Giants, covering the beginnings of the franchise, the greatest and lowest moments of the team, and the best players and managers. Fun facts, anecdotes, and sidebars round out the story of each club, allowing your readers to get Inside MLB! SportsZone is an imprint of ABDO Publishing Company.

Larry Loves San Francisco! W. W. Norton & Company

The 1915 Panama-Pacific International Exhibition celebrated the opening of the Panama Canal, the rebirth of San Francisco after the disastrous 1906 earthquake, and the world community in general. It was a festive time and one that transformed the swampy San Francisco waterfront into elaborate grounds for sculptures, playgrounds, fountains, and national pavilions. Some say it was the most successful world's fair ever held, bringing together disparate cultures as no other event before or since. Lasting 10 months and covering 635 acres over what is now the city's Marina District, the fair remains in evidence today at the famed Palace of Fine Arts, the only extant structure and a popular and much-photographed local landmark.

The Year of Fog Norwood House Press

The bestselling *Larry Gets Lost* series heads to San Francisco in this board book featuring vibrant retro illustrations of this great American city and the perpetually lost pup, Larry. Just like visitors and locals, Larry the pup loves exploring Golden Gate Bridge, Fisherman's Wharf, cable cars, Lombard Street, and all the other sites and sounds of the city. Based on the popular

children's picture book *Larry Gets Lost* in San Francisco, families who love the city will want this charming board book for their little readers.

*San Fransicko* Arcadia Publishing  
San Francisco, home of cable cars, the Golden Gate Bridge—and its quintessential cool gray fog. As a resident of the Silicon Valley, Karl the Fog naturally uses Twitter and Instagram accounts to document his comings and goings and the beauty of the city he loves (except for when it's sunny). Amassing roughly half a million followers across social platforms, Karl the Fog's witty takes on San Francisco paired with beautiful, evocative photography have earned him celebrity status in the Bay Area and beyond. In this, Karl's very first book, he details his family's history and shares more than 50 scenic selfies along with brand-new, entertaining appreciations of the city, lifting his veil of mystery and celebrating San Francisco as only he can. *This is San Francisco* National Geographic Books

What makes a place? Rebecca Solnit reinvents the traditional atlas, searching for layers of meaning & connections of experience across San Francisco.

*Seattle ABC: A Larry Gets Lost Book* HarperCollins

Young readers can see the sights of various cities with Max, a loveable puppy, in this series of children's books that emphasize learning with simple shapes and vibrant colors. Readers will follow Max on his busy day of sightseeing with stops at historic landmarks and lesser-known locations found in each city. A young dog leads children on a tour through the City by the Bay From the Golden Gate Bridge to trolley cars, Max explores all there is to the city of San Francisco in this book that was created in partnership with the Children's Creativity Museum. A beautiful spread of the museum, along with the objects and sights to know in San Francisco, are included.

**Lost and Found Sisters** Yearling  
Looks at how a city used to run—the old transport systems, former city halls,

stores, theaters and cinemas, gas stations and car showrooms, restaurants, and people on the sidewalk Looks at how a city used to run—the old transport systems, former city halls, stores, theaters and cinemas, gas stations and car showrooms, restaurants, and people on the sidewalk Aspects of lost San Francisco that are examined here include the Victorian Alcatraz, Cliff House Hotel before it burned down, the early Embarcadero, the devastation of the 1906 earthquake, horse-drawn streetcars, the grandeur of the Sutro Baths both outside and in, the 1915 Panama-Pacific Exposition buildings, the changes made to combat a possible Japanese invasion during World War II, and some of the key hippie stores on Haight-Ashbury before the area became more upscale.

*No Comfort for the Lost* HarperCollins  
With long-forgotten stories and evocative photographs, San Francisco's Lost Landmarks showcases the once-familiar sites that have faded into dim memories and hazy legends. Not just a list of places, facts, and dates, this pictorial history shows why San Francisco has been a legendary travel destination and one of the world's premier places to live and work for more than one hundred and fifty years. It not only tells of the lost landmarks, but also dishes up the flavour of what it was like to experience these past treasures.

*Seeing Silicon Valley* Turner

Also published in French as *Visages de la Silicon Valley*.

**San Francisco ABC: A Larry Gets Lost Book** Penguin
