### HANNAH CURTIS

**Brother Swaggart, Here Is My Question About The Holy Spirit** Jimmy Swaggart Ministries  
 In February 1988, Jimmy Swaggart, the world's most watched televangelist, was caught consorting with a prostitute in New Orleans. This study examines Swaggart's rhetorical campaign to salvage his ministry in the aftermath of those actions. By analyzing his sermons, letters, and magazine articles the work seeks to discover the rationale that Swaggart offered his doctrinal community to justify the claim, I am worthy of forgiveness and continued support. Using Stephen Toulmin's model of informal argument as a tool to unlock the shared worldview of rhetor and audience, this study argues that Swaggart's overt stance, I am solely to blame for what I did, was not the conclusion his primary audience would reach. Using stories and doctrinal arguments, Swaggart successfully argued that he was not at fault for his actions, that his actions could accurately be blamed on other individuals, and that the entire ordeal would lead to an improved Swaggart. Yet because the arguments were part of the Pentecostal worldview shared by speaker and audience, many parts of the arguments were left unspoken. As such, they were completely missed by many outside observers.

*The Decade That Rocked* Jimmy Swaggart Ministries

Why, for two hundred years, have some American citizens seen this country as an endangered Eden, to be purged of corrupting peoples or ideas by any means necessary? To the Know-Nothings of the 1850s, the enemy was Irish immigrants. To the Ku Klux Klan, it was Jews, blacks, and socialists. To groups like the Michigan Militia, the enemy is the government itself -- and some of them are willing to take arms against it. *The Party of Fear* -- which has now been updated to examine the right-wing resurgence of the 1990s -- is the first book to reveal the common values and anxieties that lie beneath the seeming diversity of the far right. From the anti-Catholic riots that convulsed Philadelphia in 1845 to the 1995 bombing in Oklahoma City, it casts a brilliant, cautionary light not only on our political fringes but on the ways in which ordinary Americans define themselves and demonize outsiders.

**Brother Swaggart, Here Is My Question** Jimmy Swaggart Ministries

Joseph W. Williams offers a compelling examination of the changing healing practices of pentecostals in the United States over the past hundred years, from the early believers, who rejected mainstream medicine and overtly spiritualized disease, to the later generations of pentecostals and their charismatic successors, who dramatically altered the healing paradigms they inherited. Williams shows that over the course of the twentieth century, pentecostal denunciations of the medical profession often gave way to "natural" healing methods associated with scientific medicine, natural substances, and even psychology. By the early twenty first century, figures such as the pentecostal preacher T. D. Jakes appeared on *The Dr. Phil Show*, other healers marketed their books at mainstream retailers such as Wal-Mart, and some developed lucrative nutritional products that sold online and in health food stores across the nation. Exploring the interconnections, resonances, and continued points of tension between pentecostal adherents and some of their fiercest rivals, *Spirit Cure* chronicles pentecostals' embrace of competitors' healing practices and illuminates their dramatic transition from a despised minority to major players in the world of American evangelicalism and mainstream American culture.

**False Doctrine** Stanford University Press

**MARK BIBLE COMMENTARY** After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as "the most helpful Bible commentary ever published." It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than

providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant, cultural and historical references are also included, along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet, what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

*The Five Offerings of Leviticus* Jimmy Swaggart Ministries

**MATTHEW BIBLE COMMENTARY** After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as "the most helpful Bible commentary ever published." It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant, cultural and historical references are also included, along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet, what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

**The Party of Fear** Insight Editions

Jimmy Swaggart was one of the most famous televangelists of the 1980s. He has made a comeback and is now preaching dangerous false doctrines to millions of people, teachings that are warping the minds of those beguiled by his false doctrines. There is something terrible happening to those who get involved with Jimmy Swaggart Ministries, as many people attest. One person writes, "My mother has left her church, turned her back on her family and friends and watches the Swaggarts 24/7. She has excommunicated me because I won't follow the Swaggarts." Another person commented, "What Pastor Mark wrote completely describes a friend of mine that I was not able to un-program. Swaggartism destroyed her marriage and then she turned on me for trying to help her." And yet another says, "My husband was a sweet Christian man, then after getting into Jimmy Swaggart's Message of the Cross, he has become hard to get along with. He never laughs, smiles or acts happy! Is there any way I can make him see the truth about Jimmy Swaggart before it's too late? Has my husband been brain washed?" This book tells the history of Jimmy Swaggart from boyhood to today and delineates his false teachings and exposes them to the light of scripture. If you know someone who is being seduced by the siren song of the Swaggarts, this book is the antidote.

**Unconquered** BrownBooks.ORM

Within these pages is the reality of the attack mounted by Satan against ministries, nations and people. The subtleties are exposed and the reasons for the successful resulting destruction are identified. It is a book about a war few recognize we are in, even as it relates to only one particular battle. The tactics of the enemy take on new approaches but at the core they remain unchanged.

**American Televangelism and Participatory Cultures** Jimmy Swaggart Ministries

This book is an exciting, concise, and complete presentation of the gospel of the kingdom. It is an insightful update and upgrade of the gospel of the kingdom according to Saint Mark, which is the shortest of the four gospels. Many are trying to spread the gospel of the kingdom by providing lost souls copies of the whole Bible. This is like giving a hungry baby a porterhouse steak to eat. Of course, the baby cannot handle it. Others pass out tracts or pamphlets, which fail to give our Savior

all the credit for all he has done. This work gives the whole story of his life, teachings, sacrifice, and victory over death. It will be a powerful tool for those dedicated to spreading the gospel of the kingdom to all nations. The goal of this book is to bring reverence, respect, and honor to the name of our Lord and Savior. It lifts him as our king in Earth as he will be lifted as King of kings in Heaven. It uses his Hebrew name and identifies him as King Yeshua. Several years ago, someone asked, "Why do you Christians obey and worship someone who is at most a Jewish Rabbi?" Sadly, there was no satisfactory answer for him. A careful study of the four gospel reveals that none of them directly identifies the Savior as a king. The wise men recognized his royalty at his birth, when they presented him royal gifts and worshipped him. Finally, at his crucifixion in defiance of his enemies, Pilate recognized his kingship at his death. His enemies did everything they could to deny his kingship. This book gives him the crown they did not want him to have. It acknowledges his kingship and refuses to let them win. No, we do not obey and worship a Jewish Rabbi. We obey and worship King Yeshua, who is the Son of God, the King of kings, the malik Almuluk, Wan wang Zhi wang, Hari ng mga Hari, Roi des Rois, Konig der Konige, Raja'o no raja, raajaon ke raja, O no nakanoo, wang jung wang, rei dos reis, Korol' Koroley, Rey de Reyes, raja raja, Mfalme wa Wafalme, and vua cua cac vi vua yenegitatati nigusi. He is King of kings.

#### **Armageddon** Jimmy Swaggart Ministries

There are more than 50 million Roman Catholics in the United States...over one billion in the entire world. Most see their Roman Catholic traditions and the Christian faith as one and the same. Yet the sad fact is that there are vast differences between Catholicism and Christianity. Christianity was founded not as an institution, but as a witness to Jesus Christ. It is Christ, not Christianity, that has the power to change lives. Catholicism arose from the ruins of the Roman Empire. It brought itself to power through the glory of Rome by deception and force. And by force and bloodshed it has maintained that power throughout the years. Millions of people around the world are following an institution, without the slightest understanding of the Saving Grace of Jesus Christ. This powerful book examines each of the basic tenets of Catholicism and compares them against the standards and precepts of the Word of God. It is an enlightening look behind the scenes into the history of the Catholic church and the establishment of its power throughout the ages. It is also a book of hope and promise as it lays bare the institution and proclaims the Person of Jesus Christ. It is a book that every Catholic must read and every Christian should read.

#### **The Expositor's Study Bible** Jimmy Swaggart Ministries

This book examines unintended participatory cultures and media surrounding the American televangelists Robert Tilton and Tammy Faye Bakker-Messner. It brings to light heavily ironic fan followings; print, audio, and video projects; public access television parodies; and other comedic participatory practices associated with these controversial preachers from the 1980s onwards. For Tilton's ministry, some of these activities and artifacts would prove irksome and even threatening, particularly an analog video remix turned online viral sensation. In contrast, Bakker-Messner's "campy" fans - gay men attracted to her "ludicrous tragedy" - would provide her unexpected opportunities for career rehabilitation. Denis J. Bekkering challenges "supply-side" religious economy and branding approaches, suggestions of novelty in religion and "new" media studies, and the emphasis on sincere devotion in research on religion and fandom. He also highlights how everyday individuals have long participated in public negotiations of Christian authenticity through tongue-in-cheek play with purported religious "fakes."

#### **Colored Television** Mercer University Press

The relationship between God and man hinges on faith—the unseen evidence that eludes countless souls. That's why, throughout the ages, God has called men to proclaim His gospel message with an anointing, a boldness, and a fire that ignites the measure of faith in every human heart. At the age of eight, God called Jimmy Lee Swaggart for the purpose of world evangelism. In the tiny town of Ferriday, Louisiana, his Spirit-filled grandmother told him, "Jimmy, you will see a harvest of souls such as the world has never seen before." Indeed, he did see it, and so did we. But before God placed Jimmy Swaggart before the masses, He first raised him up to preach—on the streets of Louisiana, inside rural churches, into a radio mic, and, eventually, in front of a television camera. Today, the iconic evangelist preaches to the largest audience of his 62-year ministry—nearly 2 billion people—and his revelatory message is not only one of salvation, but also sanctification through Jesus Christ and Him crucified. In his own words, and in his own way, Evangelist Jimmy Swaggart now tells his personal story of God's amazing grace.

#### **The Rapture of the Church** Springer

The fall of man resulted in Adam and Eve losing all consciousness of God. They woke up to self and found themselves imprisoned by a completely new nature—the sin nature—which would poison the entire human race for all time. From then until now, the troubles of the world—wars, man's inhumanity to man, his dependency on cruel vices, and the habits of hell—are all caused by the sin nature which rules every person. Of course the death and resurrection of Jesus Christ broke the hold of this deadly yoke and repositioned the believer in Christ. So why do Christians struggle so hard to

live for God? In this revelatory book, Evangelist Jimmy Swaggart explains how the sin nature, which remains in Christians, can be reactivated, and how victory over the world, the flesh, and the Devil can only be maintained through faith in the Cross of Christ.

#### **My Vision of Hell** Jimmy Swaggart Ministries

Smart. Funny. Fearless. "It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

#### **Catholicism & Christianity** Christian Faith Publishing, Inc.

This book, "Brother Swaggart, Here Is My Question About The Holy Spirit", contains extremely important information regarding the Holy Spirit that, to my knowledge, cannot be found other than through this Ministry. The Holy Spirit has a particular "Way" that He Works in the hearts and lives of Believers. Unfortunately, most in the modern church world have little or no understanding of that particular "Way." I personally believe this book will also shed some light on the Baptism with the Holy Spirit, as well as Gifts of the Spirit, and the initial, physical evidence of the Baptism. But, out of all of this, one of the most important things is, the "Way" the Holy Spirit Works is information that every single Believer must have. In fact, unless this "Way" is understood, the Believer cannot live as a successful Christian; consequently, this Book is a must.

#### **Mark: Jimmy Swaggart Bible Commentary** Jimmy Swaggart Ministries

**ACTS BIBLE COMMENTARY** After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as "the most helpful Bible commentary ever published." It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

#### **John** Jimmy Swaggart Ministries

**My Vision of Hell: A Sacrifice for Others to See** is the title of my book. It is about a dream that God gave to me in 1992. By the end of that same year, I backslid, and after a period of repentance, in 1995, God gave me the order in which to write about it. I was in such a struggle in starting to even write, because regrettably I backslid again in 1996. I realized that this job was not for me. And I knew that God had definitely got the wrong person to write for him. It was in December 2003 when God audibly spoke in my ears, "I've called imperfect people for perfect tasks, and in me [in him] are great victories." Then he said, "Write it down, put it in a book, and tell my people, tell my churches that "HELL, IT IS REAL!"

#### **Rape of a Nation** Jimmy Swaggart Ministries

What do we believe? And in God's name why? These are the thorny questions that Lewis Black, the biting funny comedian, social critic, and bestselling author, tackles in his new book, *Me of Little Faith*. And he's come up with some answers. Or at least his answers. In more than two dozen essays that investigate everything from the differences between how Christians and Jews celebrate their holidays, to the politics of faith, to people's individual search for transcendence, Black explores his unique odyssey through religion and belief. Growing up as a nonpracticing Jewish kid near Washington, D.C., during the 1950s, Black survived Hebrew school and a bar mitzvah (barely), went to college in the South during the tumultuous 1960s, and witnessed firsthand the unsettling parallels between religious rapture and drug-induced visions (even if none of his friends did). He explored the self-actualization movements of the 1970s (and the self-indulgence that they produced), and since then has turned an increasingly skeptical eye toward the politicians and televangelists who don the cloak of religious rectitude to mask their own moral hypocrisy. What he learned along the way about the inconsistencies and peculiarities of religion infuriated Black, and in *Me of Little Faith* he gives full vent to his comedic rage. Black explores how the rules and constraints of religion have affected his life and the lives of us all. Hilarious experiences with rabbis, Mormons, gurus, psychics, and even the joy of a perfect round of golf give Black the chance to expound upon what we believe and why—in the language of a shock jock and with the heart of an iconoclast. "To put it as simply as I can," Black writes, "this is a book about my relationship with religion, where my—dare I say it?—spiritual journey has taken me...what it's meant and not meant to me, and why it makes me laugh." By the end of *Me of Little Faith*, you'll be a convert.

#### **Spirit Cure** AuthorHouse

For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

#### **Me of Little Faith** Citadel Press

This is, we believe, the most unique Daily Devotional in the world today. All 366 Messages, one for each day of the year (including leap year), in some way deal with the Cross of Christ. Consequently, the wealth of Doctrine, help, strength, encouragement, and blessing carried in this Volume is, we think, exceptional. It addresses modern-day problems, which can be solved only by the age-old remedy of the Word of God.
