A deeply emotional contemporary
romance about the second chances
waiting beyond the shattered dreams of
youth.

The culture of medieval Spain was
anything but homogeneous. It varied not
only through time, with the approach of
the Renaissance, but also
geographically, with great differences
between north and south. In this study,
author Lucy A. Sponsler illuminates the
role of women during this interesting
period by exploring their portrayal in
literature. *Women in the Medieval
Spanish Epic and Lyric Traditions*
examines the various ways in which
women were portrayed in the formative
years of medieval society, as well as the
development of these views as new
social mores evolved. Employing a
thorough examination of the literature,
Sponsler reveals that a high degree of
respect was demonstrated toward
women in Spanish prose and poetry of
this period. Her study sheds new light on
the role of women in relation to men,

family, and social organization in
medieval Spain.

- Até onde iria um pai para demonstrar a
extensão do seu amor? - Poderia tal
sentimento ultrapassar a barreira das
dimensões? De um lugar descrito como
a fronteira entre o mundo que
conhecemos e o inferno um homem
relembra de todos os fatos que
culminaram com o seu indesejável
destino. Tudo começa com o nascimento
de duas lindas e cativantes criaturinhas,
Angélica e Bárbara, gêmeas idênticas. E
quem poderia imaginar que um evento
tão importante e desejado pudesse
desencadear um futuro de tanta
provação? Pois numa jornada através de
dois mundos distintos, um pai será
obrigado a tomar decisões

extremamente drásticas, que colocarão em risco tanto a sua vida quanto a sua alma, provando que o amor que nutre por suas filhas é incondicional.

In an exclusive ebook novella set in the world of the Black Dagger Brotherhood, #1 New York Times bestselling author J. R. Ward tells the story of a fiery couple doomed by passion. **Also features a special preview of J. R. Ward's upcoming Black Dagger Brotherhood novel, The Thief!**
The last place Ivie expects to be approached by a devastatingly handsome male is in a crowded, smoky cigar bar rarely frequented by vampires—yet here he stands. Silas is flirtatious, gallant, and, above all, mysterious. Ivie is anything but. A nurse at the healer's clinic and the daughter of a biker, Ivie is accustomed to speaking her mind. So she does. Since aristocrats rarely pick up females of her class, Ivie asks Silas just what kind of game he thinks he's playing. Despite her guarded exterior, Ivie surrenders to the fierce desire she feels for Silas. And yet, just as their courtship is heating up, he reveals that it

cannot last, for he is bound to return to the Old Country. Their bond only deepens as they make the most of their precious time together. But when she learns the truth, Ivie must find a saving grace—before all is lost. . . . Praise for J. R. Ward's Black Dagger Brotherhood series "Tautly written, wickedly sexy, and just plain fun." Lisa Gardner "Ward's paranormal world is, among other things, colorful, dangerous, and richly conceived." RT Book Reviews

At the foot of Mount Ararat on the crossroads of the eastern and western worlds, medieval Armenians dominated international trading routes that reached from Europe to China and India to Russia. As the first people to convert officially to Christianity, they commissioned and produced some of the most extraordinary religious objects of the Middle Ages. These objects—from sumptuous illuminated manuscripts to handsome carvings, liturgical furnishings, gilded reliquaries, exquisite textiles, and printed books—show the strong persistence of their own cultural identity, as well as the multicultural influences of Armenia's interactions with Romans, Byzantines, Persians, Muslims, Mongols, Ottomans, and Europeans. This unprecedented volume, written by a team of international scholars and members of the Armenian religious community, contextualizes and celebrates the compelling works of art that define Armenian medieval culture. It features breathtaking photographs of archaeological sites and stunning churches and monasteries that help fill out this unique history. With groundbreaking essays and exquisite illustrations, Armenia illuminates the singular achievements of a great

medieval civilization. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana}

Do you ever wonder where our loved ones go after their body stops working? And where are they now? The Magical Soul is an invitation to inspire hope for children who are grieving the loss of a loved one and encourages them to believe in something beyond physicality. One of the most challenging things any parent or guardian can do is have a conversation about death with a child. This scenario is what inspired me to write The Magical Soul Book. Marie had lost her Papa when she was very young. She often wondered, "Where is he now?" Full of questions and curiosity Marie asks her Mother about her Papa. Their conversation touches on the distinction between the body and the soul, "The Magical Soul." Marie's Mother describes how love never dies and the connection we still have with our lost loved ones. Their conversation explores the importance of living a fulfilled life even after our loved ones are physically gone. Marisela Marquez, a Mother, Widow, and the founder of embracingwidowhood.com and The Embracing Widowhood Podcast, created this book to inspire hope, comfort, and connection for grieving children and provide an invitation for adults wanting to discuss death with children.

The conference series Going Romance is the major European discussion forum for theoretically relevant research on Romance languages, where ideas about language and linguistics and about Romance languages are put in an interactive perspective, giving space to both universality and Romance-internal variation. The current volume features a selection of 18 articles (out of 28) that were presented during the 19th meeting at Utrecht University, December 8-10, 2005. Included in this volume are four papers that were presented by invited speakers: Belletti, Delais-Roussarie & Rialland, Notley & Van der Linden & Hulk, and Ordóñez; these reflect both issues discussed in the general session as well as themes of the workshop on acquisition. A number of reknown Romance linguists (Saltarelli, di Sciullo, Zubizarreta) also contributed to the volume. In general, contributions bear on a variety of topics in the field of morphology, syntax, semantics and pragmatics and include the perspective from acquisition.

Kamin Mohammadi was nine years old when her family fled Iran during the 1979 Revolution. Bewildered by the seismic changes in her homeland, she turned her back on the past and spent her teenage years trying to fit in with British attitudes to family, food and freedom. She was twenty-seven before she returned to Iran, drawn inexorably back by memories of her grandmother's house in Abadan, with its traditional inner courtyard, its noisy gatherings and its very walls steeped in history. The Cypress Tree is Kamin's account of her journey home, to rediscover her Iranian self and to discover for the first time the story of her family: a sprawling clan that sprang from humble roots to bloom during the affluent, Biba-clad 1960s, only to be shaken by the horrors of the Iran-Iraq War and the heartbreak of exile, and toughened by the struggle for democracy that continues today. This moving and passionate memoir is a love letter both to Kamin's extraordinary family and to Iran itself, an ancient country which has survived so much modern tumult but where joy and resilience will always triumph over despair.

For everyone who enjoyed the inspiration and wisdom of Morrie Schwartz in Mitch Albom's moving best-seller Tuesdays with Morrie, here is Morrie's own book, presenting the

philosophies by which he triumphantly lived, even as he faced the end of his life. For decades Morrie engaged his Brandeis University students in the importance of community and involvement in life. Ever the teacher, in his last year, as his battle with the fatal illness amyotrophic lateral sclerosis (ALS), or Lou Gehrig's Disease, gradually weakened him, he appeared on three memorable "Nightline" programs with Ted Koppel, simply titled "Morrie," and captivated millions of viewers across the country with his spirit and compassion. Before he died, Morrie finished the manuscript for this book, which was originally titled *Letting Go*. He saw it as his greatest teaching opportunity. Whether you or a loved one is healthy or ill, young or old, there is invaluable wisdom here that can enrich your life. From "handling frustration" and "reaching acceptance" to "relating to others" and "being kind to yourself," Morrie's life-affirming insights help you take stock of where you are now and where you may want to be. *Morrie: In His Own Words* will have a lasting impact on whoever reads it. It is Morrie's invaluable legacy to us all.

O pensamento em design constrói objetos que vão muito além das suas formas e cores, transmitindo uma linguagem que perpassa por valores simbólicos e emotivos. O mundo que nos cerca, os objetos que portamos, as nossas preferências de consumo e estilo de vida, tudo traduz o indivíduo que queremos ser e mostrar socialmente. Portanto, assume-se uma identidade que o faça sentir-se percebido e aceito por meio desses objetos (SUDJIC, 2010). No universo infantil essa lógica é perceptível da mesma maneira. As crianças portam diversos objetos no dia a dia que intencionam dialogar com o mundo que a cerca, sobre sua personalidade individual e gostos. O brinquedo tem o papel não somente de promover a brincadeira, pode, ainda, seguir funções mais práticas, como funções educativas e transpor as experiências do mundo imaginativo da criança para o mundo real. Por isso, essa fase é permeada por uma intensa transmissão e absorção de símbolos e valores. Dessa forma, o seu desenvolvimento depende significativamente da maneira como ela cria as suas histórias imagéticas, como

interage com as outras crianças, como soluciona problemas e vence desafios por meio dos brinquedos (PIAGET, 2017). A maioria dos brinquedos é estereotipado e acaba por transmitir valores superficiais e estéticos que podem induzir preconceitos, logo, a exclusão. As bonecas Barbies já foram um exemplo clássico de uma valorização exacerbada de estereótipos que cultuavam mulheres de olhos azuis, corpos magros, cabelos longos, lisos e loiros. Hoje, a Mattel, empresa fabricante, lança novas Barbies que têm vários formatos de corpo, novas cores, formas de pele e cabelo. Usando novos elementos, a ressignificação pode construir artefatos que tencionem promover a melhoria na autoestima das crianças com deficiências e que dialoguem com a diversidade existente entre elas. Assim, percebemos que o design tem papel fundamental na

construção desse imaginário e que ele pode ser utilizado para promover a inclusão social. Esta obra, portanto, intenciona perceber o design como ferramenta poderosa de diálogo para o discurso inclusivo, entendendo como a sua utilização pode auxiliar na promoção da inclusão social de crianças com deficiência por meio da ressignificação de brinquedos infantis.
