Make your creativity visible to the world through this painting program. Corel Painter gives users the opportunity to bring out the pictures in their mind and

make them more beautiful beyond their expectation. The question every Corel Painter user should ask is "am I gaining from this program, am I doing it well, or is there anything I am missing?" It is really amazing how people keep doing something the same way and expect a different result forgetting that nothing has ever worked that way. You can begin to learn and practice traditional art concepts such as composition, contrast, lone quality, focal point, and even more using the easy-to-understand techniques, tips, and keyboard shortcuts in this book.
