kids.

The Purim Book

Winepress Pub
The book of Esther was a conscious reaction to much of the conventional wisdom of its day, challenging beliefs regarding the Jerusalem Temple, the land of Israel, Jewish law, and even God. Aaron Koller identifies Esther as primarily a political work, and shows that early reactions ranged from ignoring the book to 'rewriting' Esther in order to correct its perceived

flaws. But few biblical books have been read in such different ways, and the vast quantity of Esther-interpretation in rabbinic literature indicates a conscious effort by the Rabbis to present Esther as a story of faith and traditionalism, and bring it into the fold of the grand biblical narrative. Koller situates Esther, and its many interpretations, within the intellectual and political contexts of

Ancient Judaism, and discusses its controversial themes. His innovative line of enquiry will be of great interest to students and scholars of Bible and Jewish studies. *Esther*
NavPress Publishing Group
Although the book of Esther contains no direct references to God, his fingerprints can be found all over it. In *God Behind the Scenes*, Wayne K. Barkhuizen helps us trace the unseen

hand of God throughout the Esther narrative, while pointing out how the book is still relevant today. As we walk through the book, we'll see how God was indeed active in preserving the people through whom the Messiah, Jesus Christ, would one day come.

Queen Esther's Big Secret

Cambridge University Press

The national directory addresses the dimensions and

perspectives in the formation of deacons and the model standards for the formation, ministry, and life of deacons in the United States. It is intended as a guideline for formation, ministry, and life of permanent deacons and a directive to be utilized when preparing or updating a diaconate program in formulating policies for the ministry and life of deacons. This volume also includes Basic Standards for

Readiness for the formation of permanent deacons in the United States, from the bishops' Committee on the Diaconate, and the committee document Visit of Consultation Teams to Diocesan Permanent Diaconate Formation Programs. **Esther in Ancient Jewish Thought** Harper Collins What if an empire of Jewish warriors that really existed in the Middle Ages had

never fallen—and was the only thing standing between Hitler and his conquest of Russia? Eastern Europe, August 1942. The Khazar kaganate, an isolated nation of Turkic warrior Jews, lies between the Pontus Euxinus (the Black Sea) and the Khazar Sea (the Caspian). It also happens to lie between a belligerent nation to the west that the Khazars call Germania—an d a city the

rest of the world calls Stalingrad. After years of Jewish refugees streaming across the border from Europa, fleeing the war, Germania launches its siege of Khazaria. Only Esther, the daughter of the nation's chief policy adviser, sees the ominous implications of Germania's disregard for Jewish lives. Only she realizes that this isn't just another war but an existential threat. After

witnessing the enemy warplanes' first foray into sovereign Khazar territory, Esther knows she must fight for her country. But as the elder daughter in a traditional home, her urgent question is how. Before daybreak one fateful morning, she embarks on a perilous journey across the open steppe. She seeks a fabled village of Kabbalists who may hold the key to her destiny: their

rumored ability to change her into a man so that she may convince her entire nation to join in the fight for its very existence against an enemy like none Khazaria has ever faced before. The Book of Esther is a profound saga of war, technology, mysticism, power, and faith. This novel—simultaneously a steampunk Joan of Arc and a genre-bending tale of a counterfactual Jewish state by a writer

who invents worlds “out of Calvino or Borges” (The New Yorker)—is a stunning achievement. Reminiscent of Michael Chabon’s *The Yiddish Policemen’s Union* and Philip Roth’s *The Plot Against America*, *The Book of Esther* reaffirms Barton’s place as one of her generation’s most gifted storytellers. **The Dead Sea Scrolls Bible** Wipf and Stock Publishers Widely praised as a seminal

contribution to the study of the Old Testament when it first appeared, Michael V. Fox’s *Character and Ideology in the Book of Esther* is now available in a second edition, complete with an up-to-date critical review of recent Esther scholarship. Fox’s commentary, based on his own translation of the Hebrew text, captures the meaning and artistry of Esther’s inspiring

story. After laying out the background information essential for properly reading Esther, Fox offers commentary on the text that clearly unpacks its message and relevance. Fox also looks in depth at each character in the story of Esther, showing how they were carefully shaped by the book's author to teach readers a new view of how to live as Jews in foreign lands.

Faith Among the Faithless

Eisenbrauns
A GOOD MORNING AMERICA BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK For fans of *The Hours* and *Fates and Furies*, a bold, kaleidoscopic novel intertwining the lives of three women across three centuries as their stories of sex, power, and desire finally converge in the present day. Lily is a mother and a daughter. And a second wife. And a writer, maybe? Or she was going

to be, before she had children. Now, in her rented Brooklyn apartment she's grappling with her sexual and intellectual desires, while also trying to manage her roles as a mother and a wife in 2016. Vivian Barr seems to be the perfect political wife, dedicated to helping her charismatic and ambitious husband find success in Watergate-era Washington D.C. But one night he demands a humiliating

favor, and her refusal to obey changes the course of her life—along with the lives of others. Esther is a fiercely independent young woman in ancient Persia, where she and her uncle's tribe live a tenuous existence outside the palace walls. When an innocent mistake results in devastating consequences for her people, she is offered up as a sacrifice to please the King, in the hopes that

she will save them all. In Anna Solomon's The Book of V., these three characters' riveting stories overlap and ultimately collide, illuminating how women's lives have and have not changed over thousands of years. **God Behind the Scenes** B&H Publishing Group From the dramatic find in the caves of Qumran, the world's most ancient version of the Bible allows us to read the

scriptures as they were in the time of Jesus. The Beginner's Bible [Gift Edition] Simon and Schuster Everyone loves a transformation story. Rags to riches. Plain to beautiful. Weak to strong. Esther's story is that, but it is much more. It is a thought-provoking study of God's invisible hand writing silently and unseen across the pages of human history. Perhaps most of all, Esther's

story is the account of godly attributes like courage, dignity, wisdom, and strength? attributes that blocked an evil plot, overthrew an arrogant killer, and replaced terror with joy in thousands of Jewish homes. Author Chuck Swindoll interweaves the ancient, real-life story with insight not only into the virtues of Queen Esther, but also into how the qualities that formed and empowered

her can be ours. Esther is the second volume of Charles Swindoll's best-selling series, which examines great lives from God's Word and reveals the strengths and weaknesses that make God's men and women both great . . . and human. Many of the most beloved biblical heroes were ordinary folks. Shepherds. Fishermen. Servants. Widows. Even harlots and petty thieves. One by one,

they changed the course of history. Swindoll explains that these men and women did not become great in their own strength but were empowered by God when they surrendered their lives to Him. To live such a life that God considers great is within the reach of everyone who submits to Him. *She Reads Truth* Henry Holt and Company Have you ever wondered, "If

God is real, then why doesn't He make it more obvious? If He really wants us to believe in Him, then why doesn't He make it easier for us to see him?" It's easy to read the Bible and think, "If only God would show up for us today the way He showed up for His people back then." If you have ever felt this way, welcome to the book of Esther. "The God of Great Reversals" was written to shed light on the Gospel

story woven throughout the only book of the Bible that never mentions God's name. In it you will find that even in the darkest days, God never stops working to keep His promises and to rescue His people. Ultimately, the reversals in the book of Esther point us forward to the greatest reversal of all when God used the death of His only Son to bring about the salvation of all his people. It is

only this great reversal that is able to bring us hope even when we don't understand where God is or what He is doing.

The Book of Esther 5

Minute Bible Stories

A portrait of Esther, a shy orphan girl, who becomes a queen and is willing to risk the wrath of a king in order to save her people.

Stories of Calvary

USCCB

Publishing

"In a counterfactual world resembling

the 1930s, the state of Khazaria, an isolated nation of warriors Jews, is under attack by the Germanii. Esther, the precocious daughter of Khazaria's chief policy advisor, sets out on a quest to ensure the survival of her homeland"--

National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States

The book of Esther has

been preserved in ancient texts that diverge greatly from each other; as a result, Jews and Protestants usually read a version which is shorter than that of most Catholic or Orthodox Bibles. Jon Levenson capably guides readers through both versions, demonstrating their coherence and their differences. The Old Testament Library provides fresh and

authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Chosen

Beginner's Bible

A fictional telling of how Queen Esther risked her life to prevent the killing of all the Jews in Persia.

Hadassah, Queen Esther of Persia

Thomas Nelson
Esther, a beautiful

young Jewish woman, is captured and becomes the wife of the Persian king, Xerxes, but when she discovers the king's plan to commit genocide against her people she knows she must act.

Esther Special Edition Books

This book explores the political crisis that erupts when the Persian government falls to fanatics and a Jewish insider goes rogue.

The Book of Esther in Modern

Research Harper Collins Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

Esther Tim Duggan Books

At a time when America debates its values and the world braces for religious war, Bruce Feiler, author of the New York Times bestsellers *Walking the Bible* and *Abraham,*

travels ten thousand miles through the heart of the Middle East—Israel, Iraq, and Iran—and examines the question: Is religion tearing us apart ... or can it bring us together? *Where God Was Born* combines the adventure of a wartime chronicle, the excitement of an archaeological detective story, and the insight of personal spiritual exploration. Taking readers to

biblical sites not seen by Westerners for decades, Feiler's journey uncovers little-known details about the common roots of Judaism, Christianity, and Islam, and affirms the importance of the Bible in today's world. In his intimate, accessible style, Feiler invites readers on a never-in-a- lifetime experience: Israel Feiler takes a perilous helicopter dive over	Jerusalem, treks through secret underground tunnels, and locates the spot where David toppled Goliath. Iraq After being airlifted into Baghdad, Feiler visits the Garden of Eden and the birthplace of Abraham, and makes a life- threatening trip to the rivers of Babylon. Iran Feiler explores the home of the Bible's first messiah and uncovers the secret burial place of Queen Esther. In Where God Was Born,	Feiler discovers that at the birth of Western religion, all faiths drew from one another and were open to coexistence. Feiler's bold realization is that the Bible argues for interfaith harmony. It cannot be ceded to one side in the debate over values. Feiler urges moderates to take back the Bible and use its powerful voice as a beacon of shared ideals. In his most ambitious work to date,
--	---	---

Bruce Feiler has written a brave, uplifting story that stirs the deepest chords of our time. Where God Was Born offers a rare, universal vision of God that can inspire different faiths to an allegiance of hope.
