Intercession is an essential element of both public and private prayer. Using the Book of Common

Prayer and the major elements of the Prayers of the People, Plater explains the construction of everyday litanies, collects, and petitionary prayers, as well as the composition of intercessions for church seasons, holy days, and special occasions. Plater begins by looking at the roots of intercession in the Bible, history, and ancient belief and practice, and goes on to offer practical advice for creating corporate intercessions in the local community. Intercession is a useful aid for liturgical study and planning for priests, pastors, deacons, lay ministers, and worship committees. Small prayer and intercessory groups will find it helpful for free-form prayer that is creative and flexible, yet grounded in prayerbook principles.

Liturgia Expurgata USCCB Publishing

A classic and accessible guide in the field of Episcopal liturgy. Originally published in 1979, *Liturgy for Living* remains a time-tested classic exploration of history, theology, and spirituality that shapes Anglican liturgy and specifically *The Book of Common Prayer*. Writing for all Episcopalians—pastors, seminarians, and laity—Professor Charles Price and Louise Weil uncover the riches of various liturgy, including Holy Baptism, Confirmation, the Daily Office, the Holy Eucharist, and the various pastoral offices. This edition contains an extensive and updated bibliography, a glossary of liturgical terms, and a list of internet website addresses that contain documents, further bibliographic information, and links to other websites—all related to liturgical studies. "The worship of the Christian community, properly understood and done, leads worshipers to act out in their lives the love of God, which is at the heart of our worship. Worship also provides the power and the sustenance which

makes this style of living possible. This Christian style of living, moreover, drives those who are committed to it back to the worship of God, to find forgiveness and strength...When this interdependent relationship is understood, the power of worship is illuminated and the power to live increased.”—From the Preface

Together We Pray Church Publishing, Inc.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

In the Anglican churches of North America, and sometimes elsewhere, there are two complaints about deacons in the liturgy: Bishops and priests complain that deacons don't know how to do liturgy. Deacons complain that bishops and priests won't let them do liturgy. The solution lies in liturgical formation, both theological and practical. This book is designed to help provide that formation for bishops, priests, deacons, and indeed for all the people of God. The introduction provides a brief history of the use of deacons in Anglican liturgies, from 1549 to the present, including characteristics and statement of purposes.
