Palmistry and the Inner
Self is a totally new look

and a revealing
examination of the
ancient art of reading the
hand. Based on the sound
experience of some forty
years practising palmist
and astrologer Ray
Douglas shows how the
palm is a window on the
human soul itself. As well
as reinterpreting the
traditional elements the

book presents a great deal of newly discovered and previously unpublished material. [The Laws of scientific hand reading](#) Llewellyn Worldwide

 He was the Jeane Dixon of the early 20th century, psychic advisor to world-famous names in politics, entertainment, and royalty. In this 1900 work, a smaller companion to his now-classic Language of the Hand, Cheiro introduces us to the paranormal realm he most often utilized: palm reading, also known as cheiromancy (from which

he borrowed his stage name). From what the size and shape of the thumb says about a person's character-as much as those of the nose do!-to interpreting the lines of the palm, here is everything you need to know, based on Cheiro's "practical professional experience," about talking to the hand... and listening to what it has to say. Irish occultist Cheiro- aka WILLIAM JOHN WARNER (1866-1936)- wrote a number of books, including Palmistry for All and Cheiro's Guide to the

Hand. Among his famous followers were Mark Twain and Oscar Wilde.

Palmistry and the Inner

Self Inner Traditions / Bear & Co

Palmistry, chiromancy, or palm reading is practiced worldwide with roots in Indian astrology and gypsy fortune-telling. The goal is to assess a person's character and elements of their life by examining the palm of their hand. This invaluable booklet on Indian palmistry describes everything in simple and

easy words with symbols, marks, and illustrations concerning the placement of planets and their respective mounts. The author of this work does not claim that there is anything new in this work, but the way of translating, setting, and presenting the information is original. It's a helpful book for beginners or those curious about palmistry. *Fire Magic* New Page Books
The key to your future—and your present and past—is in the palm of your hand! Nathaniel

Altman, best-selling author of *The Little Giant Encyclopedia of Palmistry*, gathers the wisdom he has obtained from decades of practice to produce this comprehensive volume. He answers such questions as: How can the features of the hand tell palm readers as much as the lines on its surface? In what ways can you use a palm reading to change the course of your own future? There's information on using palmistry to explore relationships and

sexuality, spiritual fulfillment, and even health. Plus, there are solid technical details on the art and practice of reading palms for others. For experienced and beginning palm readers alike, this is an authoritative collection of thoughts from a master. [Cheiro's Guide to the Hand](#) anboco

Palmistry Career Press
The book that for more than a century has been the standard reference for

reading the hand, now in a completely reformatted edition. Palmistry is one of the ancient arts, practiced in Egypt, India, Greece, and Rome and prized as a sacred and peculiar gift. Its practitioners were highly respected philosophers, oracles, and priests. Yet by the 17th century, it had become a lost art, kept alive almost solely in gypsy camps. And by the end of the 19th century, it was seen as little more than quackery, a small step up (or down) from fortune telling and alchemy.

When it was originally published (as *The Laws of Scientific Hand Reading*), Benham's book immediately transformed the image of palm reading from a huckster's trick to a practice with a firm scientific basis. It quickly became an essential reference work for anyone serious about palm reading. The Essential Edition brings Benham's original text back in print. It also updates many of the graphics, which have become obscured through numerous printings. Benham's words remain

as viable today as they were 100 years ago, as they form the foundation of modern palmistry. *Karmic Palmistry* Franklin Classics
 Renowned palm reader and spirituality author Richard Webster shares the deep wisdom he's gained through his decades-long career. *Potential in the Palm of Your Hand* guides you through the beginning principles of palm reading and provides detailed descriptions of more than forty lines and features of the hand that every

reader needs to know in order to achieve success. This book shows you how to help those you are reading for recognize their hidden talents and reach for their dreams. By learning to read the textures, quadrants, mounts, prints, and other aspects of the hand, you will uncover artistic abilities, leadership traits, and personality characteristics that people never even knew they had. When you develop your own talent for palm reading, you will be amazed at how much

you are able to bring joy and happiness to the friends, family, or clients that you read for.
