## **LOWERY ALESSANDRA**

---

The Lake High School Song Book Cambridge University Press  
It seems that the legendary composer Franz Schubert is alive—well, sort of—in the twenty-first century: His soul has taken up residence in the body of Brooklyn lawyer Liza Durbin. Even more astonishing, so has his prodigious gift. A mediocre pianist at best as a child, Liza can suddenly pound out concertos and compose masterly music out of the blue. But how can a brilliant male Austrian composer from the nineteenth century coexist in the everyday life of a modern American woman? And how can

Liza explain what's happened to her without everyone thinking she's gone off the deep end? Fortunately, the evidence is tangible, and Liza is soon brought into the esteemed halls of Juilliard under the tutelage of the revered—and feared—Greta Pretsky, a humorless woman whose only interest in Liza is her channeling of Schubert. Greta's greedy for her next big star, and the entire New York City press is whispering of Liza's brilliance as the public awaits her debut at Carnegie Hall. Even Liza's boyfriend, Patrick, seems more in love with her than ever. Yet as Liza yields to Franz's great passion, her own life and identity threaten to elude her. Why was she chosen as the vessel for this musical genius—and when, if ever, will he leave? Their entwined souls follow a path of ecstasy, peril, and surprise as they search

for the final, liberating truth. A strikingly original novel, *Sleeping with Schubert* plays on years of speculation regarding Franz Schubert's "Unfinished Symphony." Bonnie Marson's extraordinary imagination supposes that Schubert cannot truly die until the mystery is solved—even if it means being resurrected in the body of a deceptively ordinary woman. Filled with drama and humor, this irresistible novel explores love, genius, and identity in ways that will engage and amaze readers. [Franz Schubert](#) Univ of Wisconsin Press

Part memoir, part reportage, *Louder Than Bombs* is a story of music from the front lines. Ed Vulliamy, a decorated war correspondent and journalist, offers a testimony of his lifelong passion for music. Vulliamy's reporting has taken him around the world to cover the Bosnian war, the fall of the Berlin Wall and collapse of Communism, the Iraq wars of 1991 and 2003 onward, narco violence in Mexico, and more, places where he confronted stories of violence, suffering, and injustice. Through it all, Vulliamy has turned to music not only as a reprieve but also as a means to understand and express the complicated emotions that follow. Describing the artists, songs, and concerts that most influenced him, Vulliamy brings together the two largest threads of his life—music and war. *Louder Than Bombs* covers some of the most important musical milestones of the past fifty years, from Jimi Hendrix playing "Machine Gun" at the Isle of Wight Festival in 1970 to the Bataclan in Paris under siege in 2015. Vulliamy was present for many of these historic moments, and with him as our guide, we see them afresh, along the way meeting musicians like B. B. King, Graham Nash, Patti Smith, Daniel Barenboim, Gustavo Dudamel, and Bob Dylan. Vulliamy

peppers the book with short vignettes—which he dubs 7" singles—recounting some of his happiest memories from a lifetime with music. Whether he's working as an extra in the Vienna State Opera's production of *Aida*, buying blues records in Chicago, or drinking coffee with Joan Baez, music is never far from his mind. As Vulliamy discovers, when horror is unspeakable, when words seem to fail us, we can turn to music for expression and comfort, or for rage and pain. Poignant and sensitively told, *Louder Than Bombs* is an unforgettable record of a life bursting with music.

*Official Song Book of the General Federation of Women's Clubs*  
Paratus Press

The composer Franz Schubert tells his own story from beyond the grave. In this unique account, Schubert reflects on the successes and failures of his career as a freelance musician in 18th century Vienna. He recalls the best aspects of his life: a sunny disposition, a delight in the natural world, and above all, his many devoted friends. But he also has to recognise the demons which ultimately destroyed him: a highly sensual nature susceptible to severe mood-swings, and a tendency towards loneliness, over-indulgence and despair. A fascinating study of a highly contradictory character who barely made an impact on the musical life of his day, but is now undoubtedly one of the best-loved of all classical composers.

**The Life of Franz Schubert** Xlibris Corporation

Schubert's late music has proved pivotal for the development of diverse fields of musical scholarship, from biography and music history to the theory of harmony. This collection addresses current issues in Schubert studies including compositional

technique, the topical issue of 'late' style, tonal strategy and form in the composer's instrumental music, and musical readings of the 'postmodern' Schubert. Offering fresh approaches to Schubert's instrumental and vocal works and their reception, this book argues that the music that the composer produced from 1822-8 is central to a paradigm shift in the history of music during the nineteenth century. The contributors provide a timely reassessment of Schubert's legacy, assembling a portrait of the composer that is very different from the sentimental Schubert permeating nineteenth-century culture and the postmodern Schubert of more recent literature.

Investigates how other types of music have influenced the scope of the song cycle, from operas and symphonies to popular song --

*The Big Band Reader* Cambridge University Press

Benny Goodman, Cab Calloway, Count Basie, The Dorsey Brothers, Duke Ellington, and Glenn Miller were musical masters of their eras, enchanting and romancing audiences with their timeless classics. Relive these wonderful songs and memories through *The Big Band Reader: Songs Favored by Swing Era Orchestras and Other Popular Ensembles*, a unique and exciting collection of over 140 songs from over 70 bands that are categorized by themes, preferred numbers, and top songs! Paying tribute to better known swing bands, sweet bands (ensembles favoring softer, more sentimental numbers), and some unheralded bands (good ensembles that did not receive much attention or did not have a well-known leader), this book contains up to four essays relating to specific groups and their popular hits, giving readers historical and informative facts about

the songs and the people who performed them.

**Life of Franz Schubert** Cambridge University Press

Brimming with surprising characters, chilling political revelations, and a heart-pounding climax, *The Nazi Hunter* is a thrilling debut and "an action-packed story," says Jewish Book World.

*For advanced grammar grades* Ballantine Books

An historical fiction book that covers four hundred years of the Fritz family. From Germany they travelled to the Banat region where they were given land. The colonists to this area remained German in culture and language. They suffered hard times and were also rewarded with all the promises of a better life. The extended family became musicians, pharmacists, cabinet makers, pastors and farmers. World events however drastically changed their lives after the Revolutions of 1848 with the rise of nationalism and ethnic disputes. World War One disrupted lives of family members who had moved to Vienna. But it was World War Two and the rise of Nazism that would rip families apart and end in the expulsion and genocide of the entire population of ethnic Germans in Central Europe.

*Goodnight & God Bless* Psychology Press

This book asks the simple question of what if. The answer is expressed in thirteen short stories where O'Neal pushes the limits of imagination from a man who wakes up knowing the future date of his death, to a little girl's love for her cat that uses each of its nine lives in order to protect her from danger, to an evil ghost of a six-year-old girl trying to return to life by stealing the soul and the body of another six-year-old girl. With the combination of fantasy, the paranormal, ghosts, sci-fi horror, and the unexplained, O'Neal's characteristic dark humor and savory taste

for the macabre and the unknown extends the bounds of the predictable and brings the reader to the brink of sanity and insanity, loneliness and friendship, and into the horrors of human and inhuman existence. Fans of Dean Koonce, Stephen King, Amazing Tales, and The Twilight Zone will thoroughly enjoy this anthology of unique stories that will be sure to leave you breathless. What If commemorates the mysteries of the world and the unexplained that encompasses each of us and articulates how fast time flies. Never forget that time is the most valuable thing we can spend, O'Neal says, so spend it wisely and don't throw it away.

Musical Courier Routledge

For nearly three decades, Sandra Bertman has been exploring the power of the arts and belief--symbols, metaphors, stories--to alleviate psychological and spiritual pain not only of patients, grieving family members, and affected communities but also of the nurses, clergy and physicians who minister to them. Her training sessions and clinical interventions are based on the premise that bringing out the creative potential inherent in each of us is just as relevant-- perhaps more so--as psychiatric theory and treatment models since grief and loss are an integral part of life. Thus, this work was compiled to illuminate the many facets that link grief, counseling, and creativity. The multiple strategies suggested in these essays will help practitioners enlarge their repertoire of hands-on skills and foster introspection and empathy in readers.

The New Music Review and Church Music Review Routledge

This book/CD package guides readers and listeners on a journey through Franz Schubert's Winterreise song cycle, in which the

composer set the poetry of Wilhelm Muller to music. The complete text of the 24 poems is presented in both German and English, with 116 b&w photographs of winter scenes on the facing pages. An introductory essay by Susan Youens (musicology, U. of Notre Dame) offers a critical examination of the song cycle. The music CD features a new recording of Winterreise, performed by baritone Paul Rowe and pianist Martha Fischer. Oversize: 10.25x10.25". Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Vols. for 1957-61 include an additional (mid-January) no. called Directory issue, 1st-5th ed. The 6th ed. was published as the Dec. 1961 issue.

*Slumber Song* FriesenPress

The Song Index features over 150,000 citations that lead users to over 2,100 song books spanning more than a century, from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed; an index of sources from which the songs originated; and an alphabetical composer index.

Sleeping with Schubert Skyhorse Publishing Inc.

The first book to examine Schubert's songs as active shaping

forces in the culture of their era rather than a mere reflection of it. His songs project a kaleidoscopic array of unexpected human types, all of whom are eligible for a sympathetic response. Kramer shows how Schubert sought to validate these types in his songs.
