Discover the rich and complex history of the peoples of Africa, and the struggles and triumphs of Black cultures and communities around the world. With profiles of key people, movements, and events, The Black History Book brings together accounts of the most significant ideas and milestones in Black history and culture. This vital and thought-provoking ebook presents a bold and accessible overview of the history of the African continent and its peoples - from the earliest human migrations to modern Black communities and the African diaspora. Powerful images and innovative infographics bring to life the stories of the early kingdoms of Ancient Egypt, Nubia, and Carthage; the powerful empires of the Medieval and Early Modern eras; and the struggle against European colonizers. Black history and culture beyond the African continent is also explored in detail - including the Atlantic Slave Trade; the quilombos (slave resistance camps) of Brazil; the Harlem Renaissance and Jazz Age; the "Windrush" migration; Civil

Rights and Black feminist movements; and Black Lives Matter. Using the "Big Ideas" series' trademark combination of authoritative, accessible text and bold graphics, *The Black History Book* examines the achievements and struggles of Black communities across the world up to the modern day, as well as the influence of Black cultures on art, literature, and music the world over.

This book was written as a help for individual persons who want to organize their creativity, be it for science (incl. engineering and commercial projects), art, or private projects. Its aim is to enlarge your options when having ideas and to improve the chance of realizing creative projects. It is written as a practical handbook and describes how organization can support generating, capturing, collecting (incl. enlarging, restructuring, etc.) and realizing ideas. While creativity "techniques" are dealt with, the focus is on the infrastructure to enable you to capture

your fleeting ideas and cultivate them to finally realize them as creative projects.
