## **HOLMES CAREY**

*A New Kind of Big* B&H Publishing Group  
Lead a small church? New Testament Church Dynamics is perfect for you! Unlike many church growth books, we present proven, Biblical strategies to grow your church both spiritually and numerically. These are not theories cooked up in an ivory tower. Our network of churches lives these principles out in multiple cultures and countries around the globe. By following Scriptural strategies, our unity, participation, purity, community, size, love, and evangelistic fervor have grown dramatically. Our joy is helping leaders of small churches follow Christ's model for church practice and planting.

### *Self Centeredness*

Lulu.com

As a way of infusing participants with a sense of God's unconditional (agape) love, tangible signs of agape are everywhere during a Walk to Emmaus or a Chrysalis weekend. This book explains the various forms of agape and anonymous acts of servanthood that

are vital to communicating unconditional love during each 3-day event.

### **How Can Our Church Find a Faithful Pastor?**

Wipf and Stock Publishers  
The Bible was central to John Wesley's faith and the Christian movement he founded. In Scripture and the Wesleyan Way, you will discover a Wesleyan approach to the Bible and the Christian life through a Bible study using Wesley's own words. In this study, authors Scott and Arthur Jones use John Wesley's sermons to illuminate the Bible passages at the heart of Wesley's understanding of what it means to be a real Christian. Each chapter explores a key Scripture text and one of Wesley's sermons on it. Through their insightful and engaging study, Bishop Jones and his son Arthur show how the teachings of Wesley address questions that many of us in the twenty-first century still struggle with today. The Leader Guide contains everything needed to guide a group through the eight-week study including session plans, activities, and discussion questions, as well as multiple format options.

Making the Connection in the Church Xulon Press  
Drawing on his experience at Community Church of Joy, Kallestad makes the case for transforming congregations into mission centers that bring Christian witness and practice into all the arenas of personal and civic life.

### *Love: In Defense of Small Churches* Xulon Press

Spiritual formation is the key to the survival of our faith. According to worship leader Rory Noland, in order to stem the tide of nominal Christianity we need to reclaim our worship services as formative spaces that are substantive and purposeful. Combining discipleship and worship—what Noland calls transforming worship—he offers a vision for worship as spiritual formation.

### *A Year's Work in the Harvest Field* Wipf and Stock Publishers

There's a growing desire among believers to reach beyond the walls of their churches to impact communities for God. But when the average church size hovers around 150 members and the problems of even midsized cities seem insurmountable, how can

we hope to make a difference? A New Kind of Big tells the inspiring story of how Perimeter Church in suburban Atlanta started a partnership called Unite! with other area churches in order to increase its reach in a community that desperately needed God's light and aid. This partnership has grown to a network of nearly 150 churches that are bringing kingdom transformation to Atlanta. For instance, on just one weekend in 2007, 6,000 volunteers from over 60 churches in metro Atlanta gathered to work on 250 service projects inside the ten-mile radius around Perimeter Church. Thirty welcome baskets were delivered to refugees, a dozen homes were repaired, a thousand Bibles were given away, 750 "encourage a teacher" gift bags were distributed. And that's not all: volunteers orchestrated 20 block parties in low-income apartment communities and 65 neighborhood food drives that collected 25,000 pounds of food. Chip Sweny shows Christian leaders how they too can discover the power of this "new kind of big" to pool their resources, energy, and

time to minister to their communities, no matter how long or short their membership rolls. *Increasing Koinonia in Mulls Memorial Baptist Church Through Agape Feasts* Review and Herald Pub Assoc Reinder Bruinsmas far-ranging look at the doctrine of the church moves from Old and New Testament foundations for this doctrine up through church government and on to controversial issues such as ordination and church discipline. Fittingly, he concludes with the mission and future of the church. His fourfold approach biblical and theological, historical, practical, and with an Adventist perspective ensures that every facet of the doctrine is explored in detail. *Charisology* Harper Collins Filled with humorous and sometimes heart-rending stories that will help readers rethink the meaning of church, this text presents an honest examination of the effects of church on the authors journey in order to encourage Christians to re-examine their own pilgrimage. *The Institute Tie* Crossway Dizzying changes have taken place in American religious life in the last

half century. Yet in spite of that fact, taking a snapshot of a "typical" Christian church in America would reveal a surprising number of small-to-mid-sized congregations, rooted in a local neighborhood or community, tied to a specific denomination, where most of the members know each others' names, and hence are blessed (and cursed) with being the church together. In this clear-eyed, humorous appraisal, Jason Byassee contends that the "church around the corner" occupies a particular place in the divine economy, that it is especially capable of forming us in the virtues, perspectives, and habits that make up the Christian life. Not that he romanticizes these churches, however. Having been a rural, small membership church pastor, Byassee knows too well the particular vices and temptations to which they are subject. But he also knows the particular graces they've been given, graces like the "prayer ladies," those pillars of the congregation who, "when one told you she was praying for you it meant something. When one hugged you, you remembered all week.

When one cooked for you the casserole tasted like love. And when you were around them you were in the presence of Jesus." Anyone who serves, or belongs to, a "church around the corner" will find their ministry strengthened by this enlivening, inspiring book.

### **The Birthing of a**

**Church** Abingdon Press  
The Church Member is written as a handbook. It is a collection of exegetical studies on strategic passages that cover the biblical expectations for those who profess Jesus Christ. It provides sound interpretation to some of the most controversial issues in the church today such as baptism, the Lord's Supper, worship through music, and church leadership. While it is written from a Southern Baptist perspective, this book is the result of experiences from a variety of other denominations. It captures what the Scriptures teach regarding membership in a "church" and ultimately reveal that church is more than something a believer does; it is something he is. If you are interested in understanding your place in the body of Christ, this book is for you!

Agape Star Song Communications Group  
"Loving One Another" focuses on an important New Testament principle: God's plan is that local bodies of believers, functioning as loving and caring units, provide a dynamic community in which both personal witnessing and evangelistic preaching can become intensely productive. This new, updated edition of the 1979 classic includes a personal and group study guide.

*House Church - Simple, Strategic, Scriptural* Baker Books

This booklet is a collection of quotes and sayings from Andrew Wommack and other Charis instructors.

### **Where Do We Go from Here?**

David C Cook  
Much of my experience in ministry has come as result of a great deal of perseverance and after many trials and test at the hand of God. Perhaps the most valuable lesson I have learned is that "the trying of our faith worketh patience," and that a great deal of the hurt that believers experience in ministry is for the testing of their faithfulness. This book will focus on the birthing of the church and if after having read it you

conclude that the church is a place where you can draw closer to God, strengthen your personal relationship with Him, add to your character, and increase your integrity this book will have served one of its purpose. The Church builds strong communities, families, cities, and ultimately strong nation. The Church enhances visionary purpose and spiritual development. The Church has been the most prevalent institution in the lives of Black and Brown communities since the ending of the institution a slavery. It has given rise to political, economic, social, and educational advancements; it gave rise to preachers as the voice of the community. My involvement in the church gave me the impetuous to go to college, become a writer and motivation speaker. It increased my desire to become a caring and compassionate person and like the pastor of this church who will be there for you and your visionary purpose; you can stand on its promises.

Loving One Another  
Baptist Sunday School Board

IT IS IMPORTANT THAT WE CONNECT TO THE LOCAL CHURCH WHERE CHRIST

HAS PLACED US. IT IS THERE WHERE WE GROW IN GRACE THROUGH WORSHIP, FELLOWSHIP, PRAYER, GIVING, BEARING BURDENS AND CARRYING OUT THE MANDATE THE LORD GAVE TO THE CHURCH "MATTHEW 28:19, 20". BEING FIRMLY ROOTED AND GROUNDED YOU WILL GROW DEEPER IN YOUR FAITH IN GOD AND HIGHER IN YOUR TRUST IN GOD. YOU WILL LEARN HOW AGAPE LOVE MAKES THE DIFFERENCE IN YOU AND THE BODY. IT IS THERE YOU WILL LEARN GOD'S PERFECT WILL FOR YOUR LIFE. MAKING THE CONNECTION IN THE LOCAL CHURCH WILL HELP THE BODY AND YOU. LET HIM RELEASE HIS SPIRIT IN YOU. LET HIS SPIRIT DO HIS PERFECT WORK IN YOU. DO IT, GET CONNECTED TO THE CHURCH, MAKE THE CONNECTION.

*The World's Twenty Largest Churches*

InterVarsity Press

"Taking dominion over sin, sickness, poverty, and death"--cover.

**Home Church** Fortress Press

Church leaders are presented with winning practices to strengthen growing and non-growing Sunday School programs, where the health of great churches is most often

rooted.

**My Appointment with God** NT Reformation Fellowship

"I eagerly commend this series." —R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary In this booklet, Greg Gilbert explains God's design for the office of pastor and elder, examining the structures of authority God established from the very beginning. Focusing on Genesis 1-3 and 1 Timothy 2, he makes a case for why God's original design for men in church leadership is not arbitrary but part of his good and beautiful plan. Church Questions is a series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions they have about church life.

Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment.

**Agape Evangelism** Wipf and Stock Publishers

It's easy to get discouraged at the reports of continuing decay in our inner cities and impoverished rural areas. Yet in the midst of the dark realities, some

churches are transforming lives and reclaiming communities through effective, holistic ministries. 'Restorers of Hope' tells their stories and identifies the keys to their success. And it goes further by challenging churches to take up Christ's command to love your neighbor and offering specific, practical guidance on how to reach out. By understanding the challenges of persistent poverty - and the opportunities afforded by welfare reform - you and your church will be better equipped to engage in redemptive ministry that presents the gospel as the true solution.

Restorers of Hope Wipf and Stock Publishers

"The United Methodist Church is a church in crisis. Since 1962, the church has been losing influence and membership at a dizzying rate...across this seemingly dismal landscape, comes the powerful, hopefilled rallying cry of *And Are We Yet Alive?*" Also by the author, publishing in April 2008 *The Tie That Binds* item number 9780687652082

*Insights Into Faith* Destiny Image Publishers  
This book provides pastors and church

leaders with the vision, values, and initial steps

necessary to begin building a church where small groups are

integrated throughout the entire ministry.
