BENTON MAYO

Rick Steves Switzerland Apa Publications (UK) Limited

Ein Reiseführer mit Übersichtskarten für die Schienenreise selbst und die Entdeckungen neben den Gleisen. Erstklassige Fotos machen Lust auf diese besondere Reise. Denn zwischen Zermatt und St. Moritz windet sich der Glacier Express durch eine spektakuläre Landschaft. Aber was erlebt man denn wirklich im langsamsten Schnellzug der Welt? Eine Bilder-Zugreise durch schroffe Felsen, enge Schluchten, über 291 Viadukte und durch 91 Tunnels, über einsame Hochebenen und an urigen Bergdörfern vorbei. Entdecken Sie die Schweiz entlang einer der schönsten Bahnstrecken der Welt - mit dem Taschen-Reiseführer für unterwegs.

Glacier-Express Rowman & Littlefield

In dieser Ausgabe kommen wir endlich zum Zug: Wie oft hatten wir uns schließlich schon vorgenommen, eine Titelgeschichte dem Thema Bahnreisen zu widmen. Zumal die Fanggemeinde

innerhalb der Redaktion groß ist. Kaum jemand unter uns, der beim Wort »Zug« nicht aus dem Stand ins Schwärmen und Erzählen gerät. Eine Kollegin reiste beispielsweise eine Woche in einer Dampflok und mit ihrem jungen Neffen durchs schottische Hochland (was sie weitaus weniger Geld als Nerven kostete). Eine hat streikenden italienischen Bahnern eine ungeplante Nacht im Zug und die ungewöhnlichste Freundschaft ihres Lebens zu verdanken. Einer anderen ist die Winterreise durch die watteweiße Schweizer Alpenwelt unvergessen, und uns selbst fielen die Interrailtouren ein, die uns beide unabhängig voneinander quer durch Europa führten. Was für abwechslungsreiche Tage und Wochen: Heute Rotwein trinken unterm Eiffelturm, morgen Kopfschmerzen in Barcelona. Vielleicht wirken Zugreisen auch deshalb heute noch so anziehend, weil beim Gedanken daran immer eine Nuance Melancholie mitschwingt. Zugreisen stehen für eine romantische Art des Unterwegsseins, so zeitgemäß sie auch sind. Besondere Lust möchten wir Ihnen an dieser Stelle noch auf eine andere moderne Form des Reisens machen: Ab Seite 118 haben wir für Sie spezielle Touren für Elektroautos zusammengestellt. Denn was uns als Reisemagazin ja besonders beschäftigt, ist die Mobilität von heute, morgen und übermorgen. Viel

Spaß beim Lesen und Nachreisen wünschen.

Der Glacier-Express Zermatt-St. Moritz Routledge

Glacier Express Apa Publications (UK) Limited

Time Out Great Train Journeys is a selection of forty of the world's best train journeys, from nostalgic steam lines to state of the art high-speed locomotives. Beautifully illustrated and written with passion, it will appeal to dyed-in-the-wool enthusiasts, but also reaches out to a new generation of train travellers, both actual and armchair.

Glacier-Express of Switzerland Rick Steves

This book focuses on the complex issues of tourism development, governance and sustainability in the long-standing popular island destination, The Bahamas, where tourism remains one of the primary fiscal industries. The book achieves this by looking at the impacts of mass tourism development from social, economic and environmental perspectives; panarchy and resilience; assessing sustainability; moving towards a blue economy; impacts of climate change and innovative alternative tourism offerings to ensure sustainable tourism – a welcomed but challenging essential contemporary focus of the tourism industry. It further looks at how development, governance and sustainability come together in the aftermath of a recent natural disaster, hurricane Dorian, which proved to be a strong catalyst for action, innovation and change in The Bahamas. Given the complexity of these key concepts and The Bahamas as an established popular tourism destination archipelago which relies so heavily on the industry, this book offers significant insight for other tourism regions and will therefore be essential reading for upper-level students and academics in the field of Tourism research.

Unforgettable Journeys Rowman & Littlefield

DK Eyewitness Travel Guide: Europe will lead you straight to the best attractions this diverse continent has to offer, from the majestic peaks of the Alps to the turquoise waters of the Mediterranean. Global Climate Change Impacts in the United States Cambridge University Press
Europe by Eurail has been the train traveler's one-stop source for visiting Europe's cities and countries by rail for over forty years. Newly revised and updated, this comprehensive annual guide provides the latest information on fares, schedules, and pass options, as well as detailed information on more than one hundred specific rail excursions and sightseeing options.
The New York Times Practical Guide to Practically Everything, Second Edition Penguin
The Routledge Handbook of Small Towns addresses the theoretical, methodical, and practical issues related to the development of small towns and neighbouring countryside. Small towns play a very important role in spatial structure by performing numerous significant developmental functions for rural areas. At the local scale, they act as engines for economic growth of rural

regions and as a link in the system of connections between large urban centres and the countryside. The book addresses the role of small towns in the local development of regions in countries with different levels of development and economic systems, including those in Europe, Africa, South America, Asia, and Australia. Chapters address the functional structure of small towns, relations between small towns and rural areas, and the challenges of spatial planning in the context of shaping the development of small towns. Students and scholars of urban planning, urban geography, rural geography, political geography, historical geography, and population geography will learn about the role of small towns in the local development of countries representing different economic systems and developmental conditions.
