*The Kaya Girl* Simon and Schuster  
For years, it has been what is called a 'deteriorating situation'. Now all over South Africa the cities are battlegrounds. The members of the Smales family - liberal whites - are rescued from the terror by their servant,

July, who leads them to refuge in his native village. What happens to the Smaleses and to July - the shifts in character and relationships - gives us an unforgettable look into the terrifying, tacit understandings and misunderstandings between blacks and whites.

The Road Cambridge University Press  
Nobel Laureate in Literature Wole Soyinka

considers all of Africa--indeed, all the world--as he poses this question: once repression stops, is reconciliation between oppressor and victim possible? In the face of centuries-long devastation wrought on the African continent and her Diaspora by slavery, colonialism, Apartheid, and the manifold faces of racism, what form of recompense could possibly suffice? In a voice

as eloquent and humane as it is forceful, Soyinka boldly challenges in these pages the notions of simple forgiveness, confession, and absolution as strategies for social healing. Ultimately, he turns to art--poetry, music, painting, etc.--as the one source that can nourish the seed of reconciliation: art is the generous vessel that can hold together the burden of memory and the hope of forgiveness. Based on Soyinka's Stewart-McMillan lectures delivered at the DuBois

Institute at Harvard, *The Burden of Memory* speaks not only to those concerned specifically with African politics, but also to anyone seeking the path to social justice through some of history's most inhospitable terrain. *July's People* Xist Publishing  
In this novel the author draws back the curtains on a deeply felt and ongoing tradition. Through the eyes of the main character, Geeta, she goes behind the scenes into a way of life that has long been

shrouded in mystery. When Geeta, an educated, outgoing young woman from Bombay, marries into a staunchly traditional family, she suddenly finds herself forced to live in purdah in her husband's ancient home, the haveli. Unable to escape from the conservative customs that now define her life, she struggles to hold on to the modern values she has grown to cherish. Can she discover new meaning and dignity in what at first seems to her a strange and stultifying existence?

*Wole Soyinka's The Lion and the Jewel* Courier Corporation  
 Out of the Jaws of the Lion reveals, for the first time, the full story of horrors endured in the Congo by missionaries whose only crime was their dedication to spreading the Word of God. -- From book jacket.  
Kancule na Iona Vintage  
 DIVTwo classics in one volume: "Bartleby," a disturbing moral allegory set in 19th-century New York, and "Benito Cereno," a gripping sea adventure that probes the nature of man's depravity.

/div  
The Jewel in the Wound  
 Quartet Books (UK)  
 The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English-speaking drama since Synge's discovery of the Western Isles.' The Times  
 The ironic development and consequences of progress' may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka's plays. The Lion and the Jewel shows an ineffectual

assault on past tradition soundly defeated. In Kongi's Harvest, however, the pretensions of Kongi's regime are also fatal. The denouement points the way forward. The two Brother Jero plays pursue that way, the comic propheteering' of the earlier play giving way to the sardonic reality of Jero's Metamorphosis .  
 Madmen and Specialists, Soyinka's most pessimistic play, concerns the physical, mental, and moral destruction of modern civil war.  
**Aesop's Fables** British

Broadcasting Corporation  
This rags-to-riches story by an award-winning Ghanaian author has page-turning appeal with luminous literary resonance. Writing with effortlessly engaging prose, Wolo showcases the interweaving layers of Ghanaian culture to create a prismatic, multifaceted world in which two young girls, against all odds, are able to find each other. When Faiza, a Muslim migrant girl from northern Ghana, and Abena, a wealthy doctor's daughter from

the south, meet by chance in Accra's largest market, where Faiza works as a porter or kaya girl, they strike up an unlikely and powerful friendship that transcends their social inequities and opens up new worlds to them both. Set against a backdrop of class disparity in Ghana, *The Kaya Girl* has shades of *The Kite Runner* in its unlikely friendship, and of *Slumdog Millionaire* as Faiza's life takes unlikely turns that propel her thrillingly forward. As, over the course of the

novel, Abena awakens to the world outside her sheltered, privileged life, the novel explores a multitude of awakenings and the opportunities that lie beyond the breaking down of barriers. This is a gorgeously transporting work, offering vivid insight into two strikingly diverse young lives in Ghana. *The Lion and the Jewel*  
A&C Black  
The ASPCA Award-winning creators of *And Tango Makes Three* present the true story of a domesticated lion cub whose devoted owners

return him to the wilds of Kenya. 35,000 first printing.

**Chronicles from the Land of the Happiest People on Earth** Penguin

A play about a day in the strange life of a group of drivers on a Nigerian road. Their aimless existence, waiting for jobs, drinking, sleeping, dreaming of an exciting future is dominated by the obscure but powerful presence of the Professor.

The Lion & the Jewel

Wordsworth Editions

A collection of animal fables told by the Greek slave Aesop.

**Collected Plays** Parallax Press

This is one of the best-known plays by Africa's major dramatist, Wole Soyinka. How the Lion hunts the Jewel is the theme of this ribald comedy.

*The Book of the Lion*

Chiron Publications

The Teeth of the Lion tells the story of the common dandelion, that remarkably widespread

plant that is known, for better or worse, by just about everybody. Through a series of short essays, written in accessible language and a thoroughly engaging style, Anita Sanchez takes the reader on a journey through the natural history of the dandelion and its long association with humans. Joan Jobson's illustrations add important details and subtle accents that enhance this journey. Well adapted ecologically to spread into and thrive within disturbed sites --

such as the lawns, playgrounds, roadsides, and parking lots in which they are most often encountered today, and viewed as weeds -- dandelions also have had a lengthy, welcomed association with humans as medicine, food, and objects of ritual, magic, and folklore. The Teeth of the Lion will be a source of enjoyable, fascinating, memorable information of interest to all users. It will provide naturalists, wildflower enthusiasts, gardeners, interpreters, teachers, landscapers,

and homeowners a better understanding of one of the most common, well-known, and perhaps underappreciated plants to be found anywhere. *Notes on Wole Soyinka's The Lion and the Jewel* McDonald and Woodward Publishing Company The Lion, the Witch and the Wardrobe is the second book in C. S. Lewis's The Chronicles of Narnia, a series that has become part of the canon of classic literature, drawing readers of all ages into a magical land with unforgettable

characters for over fifty years. Four adventurers step through a wardrobe door and into the land of Narnia, a land enslaved by the power of the White Witch. But when almost all hope is lost, the return of the Great Lion, Aslan, signals a great change . . . and a great sacrifice. This ebook contains the complete text and art. Illustrations in this ebook appear in vibrant full color on a full-color ebook device and in rich black-and-white on all other devices. This is a stand-alone read, but if you

would like to explore more of the Narnian realm, pick up *The Horse and His Boy*, the third book in *The Chronicles of Narnia*.

*The Lion and the Jewel* Oxford University Press Biodun Jeyifo examines the connections between the innovative and influential writings of Wole Soyinka and his radical political activism. Jeyifo carries out detailed analyses of Soyinka's most ambitious works, relating them to the controversies generated by Soyinka's use of

literature and theatre for radical political purposes. He gives a fascinating account of the profound but paradoxical affinities and misgivings Soyinka has felt about the significance of the avant-garde movements of the twentieth century. Jeyifo also explores Soyinka's works with regard to the impact on his artistic sensibilities of the pervasiveness of representational ambiguity and linguistic exuberance in Yoruba culture. The analyses and evaluations of this study

are presented in the context of Soyinka's sustained engagement with the violence of collective experience in post-independence, postcolonial Africa and the developing world. No existing study of Soyinka's works and career has attempted such a systematic investigation of their complex relationship to politics.

*The Lion and the Jewel*, by Wole Soyinka Penguin A National Book Award nominee! Returning to the same era of his "In a Dark

Wood", Cadnum's majestic novel--part mystery, part history--chronicles the pageantry and brutality of the Crusades under King Richard. Edmund, a young apprentice, is awaiting punishment as a counterfeiter when a knight intervenes on his behalf--and compels Edmund to join Richard Lionheart's forces in the Holy Land. There, amidst the savagery of the twelfth-century Crusades, Edmund learns both courage and compassion, and discovers that cruelty

is sometimes considered the will of Heaven. Set in medieval England and the war-torn shores of the Middle East, Cadnum's tale weaves together a rich tapestry of storms at sea, the brutality of hand-to-hand combat, and one of the classic horse and lance battles in recorded history--the Battle of Arsuf.

Oxford : Oxford University Press

A horror story from the author of Dracula "We learn of great things by

little experiences." - The Jewel of Seven Stars, Bram Stoker The Jewel of Seven Stars is a novel that explores common fin-de-siecle themes such as imperialism, the rise of the New Woman and feminism, and societal progress. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends,

neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

**The Lion Is In** Little, Brown Books for Young Readers  
Offers profiles of major writers outside the United States from all time periods, accompanied by

analysis of their significant titles of fiction, drama, poetry, and nonfiction.

The Jewel of Seven Stars

Harper Collins  
Ariel (1965) contains many of Sylvia Plath's best-known poems written in an extraordinary burst of creativity just before her death in 1963, including 'Lady Lazarus', 'Edge', 'Daddy' and 'Paralytic'. The first of four collections to be published by Faber & Faber, Ariel is the volume on which Sylvia Plath's reputation as one of the

most original, daring and gifted poets of the twentieth century rests. This beautiful hardback reproduces the classic design of the first edition of a volume now recognised to be one of the most shocking and iconic collections of poetry of the twentieth century. 'If the poems are despairing, vengeful and destructive, they are at the same time tender, open to things, and also unusually clever, sardonic, hardminded . . . They are works of great artistic purity and, despite

all the nihilism, great generosity . . . the book is a major literary event.' A. Alvarez in the Observer

**The Lion and the Jewel**  
London ; New York :  
Oxford University Press

This is the compelling story of how the author's disfiguring scars guided her search for a connection with her mother, who died at her birth and, ultimately, led to her own psychological development. In this process, the scars became the sacred jewels that illuminated the pathway of self-

understanding. Movingly told from a Jungian point of view and in the intimate context of analysis, it is not only the autobiography of a person with a lifelong dedication to understanding the psyche, but also a portrayal of the unconscious as it reveals itself throughout the course of that person's life. As a journey of the soul, the book includes dreams, art work and active imagination-all ways of accessing the archetypal dimension underlying body

symptoms. Ms. Rothenberg explains, through focused work, how body symptoms and physical illness can help us to discover our personal myth. In her case, the journey led her to Africa and a study of the art of scarification, during which she interviewed shamans who helped her unveil the symbolic and spiritual meaning behind her own physical and psychological scars. Rothenberg explores wounding in a way that opens us to healing. It is

the tale of a life lived consciously and with great integrity. She

includes a rich variety of art work, images of

cultural artifacts, and pictures from her visits with shamans.
