### **Essential Wines and Wineries of the Pacific Northwest** The Countryman Press

A comprehensive visitor's reference profiles hundreds of eateries from roadside diners to four-star restaurants, makes specific recommendations for a wide range of places to stay, covers historic and cultural sites of interest, and includes additional recommendations for visitors with pets, families, and other special needs. Original.

*A Guide to Oregon South Coast History*  
The Countryman Press

"Consistently rated the best guides to the regions covered...Readable, tasteful, appealingly designed. Strong on dining, lodging, and history."—National Geographic Traveler Explorer's Guide North Carolina's Outer Banks & Crystal Coast covers the coast from Virginia to Hammocks Beach State Park. Includes Manteo, Kitty Hawk and Kill Devil Hills, Nags Head, Hatteras Island, Ocracoke, Beaufort, Morehead City, Atlantic Beach, Emerald Isle and Swansboro. Distinctive for their accuracy, simplicity, and conversational tone, the diverse travel guides in our Great Destinations series meet the conflicting demands of the modern traveler. They're packed full of up-to-date information to help plan the perfect gateway. And they're compact and light enough to come along for the ride. A tool you'll turn to before, during, and after your trip, these guides include

these helpful features: chapters on lodging, dining, transportation, history, shopping, recreation and more; a section packed with practical information, such as lists of banks, hospitals, post offices, laundromats, numbers for police, fire, and rescue, and other relevant information; and maps of regions and locales.

### **Oregon Wine Country** The Countryman Press

Praise for North American Pinot Noir: "Every religion needs its scripture. Now pinot noir worshipers have theirs."—Carol Emert, San Francisco Chronicle "A great resource . . . . Exciting, thought-provoking reading."—Tara Q. Thomas, Wine & Spirits magazine

*Explorer's Guide Oregon Wine Country: A Great Destination (Explorer's Great Destinations)* Timber Press

This all-new Explorer's Guide takes you on a tour through Washington, from the timbered coast to remote mountains, to Seattle and beyond the Columbia River Valley. Washington is as diverse as it is evergreen. Discover the hidden treasures of Puget Sound by car and ferry; view the dramatic and transformed landscape of Mount St. Helens and the awesome scope of Mount Rainier; stare over the edge of the Grand Coulee Dam and across the expanse of the Columbia River Gorge. Hundreds of lodging and dining recommendations are augmented with suggestions on what to do, where to shop, and what to see. 23 maps, 100 black & white photographs, index.

**The Northwest Coastal Explorer** The Countryman Press

One of the most geographically diverse states in the U.S., marked by volcanoes, abundant bodies of water, mixed forests as well as high deserts and semi-arid shrublands, hikers can find an experience to appeal to virtually any outdoor interest. Oregon Day Hikes offers 20+ family-friendly and accessible hikes either in or within driving distance from cities and major communities.

Oregon Wine: A Deep Rooted History The Countryman Press

Superbly balanced pinot noirs; crisp rieslings; rich, heady syrahs: these are only a fraction of the expertly crafted wines being produced in the Pacific Northwest's diverse and distinctive wine countries. Second only to California in production, the Pacific Northwest is the largest wine region in North America, home to more than 1,000 wineries. What was once a young wine-growing area with a reputation for eccentricity is today recognized as a dynamic region producing world-class wines, with a focus on ecologically sound practices. This definitive volume profiles the wines, the people who make them, and the wine countries of Washington, Oregon, British Columbia, and Idaho. The journey begins with the region's climates and geology, which create a fascinating tapestry of wine-growing areas. Next, the book focuses on the unique qualities of each wine region, with profiles of more than 160 representative wineries to visit. Included are legacy wineries that helped to build the region's reputation, prestige wineries with a national presence, under-the-radar artisan wineries that embody the pioneering spirit of the Northwest, and promising new wineries. Each profile lists the winery's signature, premium, value, and estate wines. Beautifully illustrated with photographs and helpful maps, this in-

depth guide is a milestone in the North American literature on wine. It will enable wine lovers everywhere to plan their touring, select their wines, and explore and discover the riches of the Northwest's wine country.

Trees of the Pacific Northwest Waterford Explorer Guide

A comprehensive guide to traveling in Oregon that provides information on transportation, sights, activities, outdoor areas, accommodations, restaurants, entertainment, shopping, and special events.

Explorer's Guide The Santa Fe & Taos Book Timber Press

Captain John Mullan was a soldier, explorer and topographical engineer assigned with the arduous task of finding a route and building a wagon trail between Montana and the newly created Washington Territory. His experiences are highlighted in this travel guide.

Explorer's Guide Northern California (Second Edition) The Countryman Press

Learn common color names in this whimsical repeated sentence book! Each page focuses on a new brew, allowing the reader to associate the changing colors with the changing vocabulary, while giving them ample opportunities to repeat the tricky "-tion" phoneme combination. Like all First Fantasy Books, the Spell Scroll section in the back allows the reader to utilize multiple functions of the brain to commit the vocabulary to memory.

Explorer's Guide Northern California (Explorer's Complete) Graphic Arts Center Publishing Company

Central Oregon is a big place. To the west, high Cascade lakes and peaks offer a world of alpine adventure, while to the east, the high-desert beckons explorers to another world, one filled

with thrilling experiences and geologic wonders. In between is a land of scenic vistas, majestic waterfalls, amazing attractions, and countless outdoor and indoor adventures just waiting to be explored, and they're all here for you in the new Central Oregon - An Explorer's Guide!

Fodor's Oregon Arcadia Publishing

Originally published in 1995, soon after Death Valley National Park became the fifty-third park in the US park system, The Explorer's Guide to Death Valley National Park was the first complete guidebook available for this spectacular area. Now in its third edition, this is still the only book that includes all aspects of the park. Much more than just a guidebook, it covers the park's cultural history, botany and zoology, hiking and biking opportunities, and more.

Information is provided for all of Death Valley's visitors, from first-time travelers just learning about the area to those who are returning for in-depth explorations. The book includes updated point-to-point logs for every road within and around the park, as well as more accurate maps than those in any other publication. With extensive input from National Park Service resource management, law enforcement, and interpretive personnel, as well as a thorough bibliography for suggested reading, The Explorer's Guide to Death Valley National Park, Third Edition is the most up-to-date, accurate, and comprehensive guide available for this national treasure.

*A Girl's Guide to the Wild* The

Countryman Press

A resource for travelers features tips on dining, lodging, transportation, shopping, shows, recreational activities, landmarks, and cultural opportunities.

**Washington** The Countryman Press

Iconic sites like Mount St. Helens, Mount

Rainier, and Grand Coulee Dam are complemented by those undiscovered places that only a longtime local can show you. From the eastern deserts to the western rainforests, Washington is home to some of the most varied and beautiful places in the country. Iconic sites like Mount St. Helens, Mount Rainier, and Grand Coulee Dam are complemented by those unknown and undiscovered places that only a longtime local like the author can show you.

*Northern Olympic Peninsula - An*

*Explorer's Guide* Scott Cook

At first, the basalt rims, high cold deserts, dry lakes, and vast expanses of grass and sage seem to be a barren realm. In fact, petite flowers bloom on rock shelves. Tiny organisms thrive in hot springs and salt water. Unique soil collects and retains water, allowing ancient pine stands to survive. Pikas build miniature grass haystacks to store winter food. Petroglyphs and remnants of ranches, mills, and mines provide evidence of human history. Indeed, remote southeast Oregon is a rich wonderland of mountains, forests, creatures, and more--one well worth exploring. Born and raised in Oregon's Outback, the author's affection for the region shines through. He designed "Remote Wonders" as a road tour guide, and his essays and numerous photos highlight notable natural and historical features. Supplemental information includes side trip and other travel recommendations, and a pull-out map is keyed to selected sites

Oregon Wine Country Morris Pub

Girls belong outdoors! This handbook covers everything you need to get outside, including ideas for what to do, camping and hiking basics, body stuff in the wilderness, advanced skills like maps, weather, and first aid, as well as

recipes, projects, activities, and profiles of inspiring outdoorswomen. Your definitive guide to getting outside--for girls ages 9-12! In addition to basic outdoor skills, this entertaining guidebook includes easy camping recipes, outdoor projects including science experiments and crafts, fun activity suggestions, and inspiring stories of diverse historical and contemporary outdoorswomen (such as Arunima Sinha, the first amputee woman to summit Mount Everest; Juliette Gordon Low, founder of the Girl Scouts; and Libby Riddles, first woman to win the Iditarod). The goal is to improve the quality of girls' outdoor time by increasing participation and independence, making them feel comfortable and safe, and giving them essential skills and knowledge. Charming and approachable, this book will encourage both reluctant campers and budding naturalists to go wild and embrace the outdoors.

**Rock and Roll Explorer Guide to San Francisco and the Bay Area** Caxton Press

An up-to-date reference by one of New Mexico's most respected food and travel journalists provides detailed coverage of the country's northern regions, in a guide to its major attractions, festivals, eateries, and accommodations that is complemented by historical information and hundreds of photographs. **Explorer's Guide The Shenandoah Valley & Mountains of the Virginias: Includes Virginia's Blue Ridge and Appalachian Mountains & West Virginia's Alleghenies & New River Region** Stackpole Books

There's always fun brewing in Oregon! Now with color highlights inside! If you think Oregon is the land of eternal rain, think again. It's a place of wide-open spaces, with just 3.6 million inhabitants in nearly 100,000 square miles. It's a land that contains at least seven ecosystems—from the damp territory west of the Cascades to the high deserts of the Great Basin, from towering volcanic peaks, to the mighty Columbia River estuary. With lots of elbow room and a relaxed atmosphere, Oregon offers something for everyone: wilderness and wine country, the rich heritage of many Native American peoples, a colorful and quirky cultural sense, and a history of westward expansion. Explorer's Guide Oregon gives you all the tools and information you need to explore this great state, with lodgings for all budgets and preferences, dining options for every taste, and activities of all kinds. No matter what you're looking for, you're sure to find it in the Beaver State and in the pages of this comprehensive

guidebook. Here eleven National Forests cover 17.5 million acres; there's a long list of designated Wild and Scenic Rivers; and 22 national wildlife refuges and 22 state refuges protect all sorts of habitats and species, from sea lions to butterflies. If you want the insider's take on this stunning part of the American West and a strong grounding in history and nature, look no further: Longtime Oregon resident and writer Denise Fainberg shares the best places to hike, bike, climb, bird-watch, raft, dine, museum-hop, and more. Her exhaustive research will help you find yourself amid pristine rivers, rain forests, glaciers, and hot springs; relish fine local wines and beers and the fresh, innovative cuisine of the Pacific Northwest; and enjoy artsy and educational pursuits in funky and friendly cities. Oregon is truly a great destination. New color highlights make it easier to find the info you need: activities jump off the page; find lodging, dining—and more—town by town at a glance; helpful hints such as community information and local guidance are easier than ever to see; highlights stand out. Includes: getting there, getting around, what to see, what to do, green space, family activities, where to stay, where to eat, entertainment, selective shopping, special events, and more!
