Caring for the Elderly in Japan and the US

Early English and French Voyages

Books in Print Supplement

Travels Into North America

## **MYLA SINGLETON**

**Trac-safe** Sagwan Press  
In an era of changing demographics and values, this volume provides a cross-national and interdisciplinary perspective on the question of who cares for and about the elderly. The contributors reflect on research studies, experimental programmes and personal experience in Japan and the United States to explicitly compare how policies, practices and interpretations of elder care are evolving at the turn of the century.

**History of Door County, Wisconsin, the County Beautiful** Routledge  
This book should be of interest to students and teachers of literature and literary theory.

*Allis-Chalmers Shop Manual Ac-202 (I&T Shop Service Manuals/Ac-202)* Haynes Manuals N. America, Incorporated  
Written as a sequel to *The Agricultural Tractor 1855-1950* by R. B. Gray and *Farm Tractors 1950-1975* by Lester Larson, each chapter lists most of the new tractors introduced for that year, a summary of the specifications for the models, and information about the companies

manufacturing the tractors.
