Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Learning Mandarin Chinese Characters helps students quickly learn the basic Chinese characters that are fundamental to the language. Intended for self-study and classroom use, this character workbook presents 178 Chinese characters and over 534 common words using these characters. These are the characters and words students need to know if they plan to take the official Chinese government HSK Level 1 Exam or the Advanced Placement (AP) Chinese Language and Culture Exam. Each character is presented in a very simple and clear way. A step-by-step diagram shows how to write the character, and boxes are provided for freehand writing practice. The meaning and pronunciation are given along with the key vocabulary compounds and an example sentence. Review exercises reinforce the learning process and an index at the back allow

you to look up the characters according to their English meanings or romanized Hanyu Pinyin pronunciation. Key features of this Chinese workbook include:

- Designed for HSK Level 1 and AP exam prep
- Learn the 178 most basic Chinese characters
- Example sentences and over 534 vocabulary items
- Step-by-step writing diagrams and practice boxes

Chinese Made Easy for Kids 2nd Ed (Simplified) Teacher's Book 1 Textbook 3 This workbook is designed for use with the Elementary Mandarin Chinese Textbook and offers a wealth of carefully-designed practice activities to help you solidify every aspect of your Chinese skills in listening, speaking, reading, and writing. It includes extensive interactive drills, exercises and other practice materials. Online audio files are available for use in the relevant exercises. The lessons in this workbook correspond to the 24 lessons in the Elementary Mandarin Chinese Textbook. The materials in this workbook are meant to be completed by students outside of class to strengthen and consolidate their understanding of the materials in the textbook. Lessons 1 and 2 of the Workbook contain exercises to learn to read and pronounce the Pinyin alphabet along with simple classroom expressions. They also introduce 48 basic Chinese characters. Beginning with Lesson 3, each lesson of the workbook contains two parts. Each part has two sets of listening comprehension exercises, one translation exercise, one character practice sheet, and one reading and writing exercise. Lessons 13 and 24 of the textbook are review lessons and therefore have no corresponding workbook materials.

**To Build a Fire** Simon and Schuster Step Up with Chinese is an innovative, standards-based Chinese textbook series designed for high school students with little or no Chinese background. Highly learner-friendly and task-centered, Step Up develops all four language skills while incorporating the principles of ACTFL Five C's - Communication, Cultures, Connections, Comparisons, and Communities. Students will learn all the necessary material to engage others in meaningful communication and gain a better understanding of the Chinese culture. This three-volume series covers three years of instruction at the secondary school level. Each volume includes a Textbook and a Workbook. Each textbook offers ten themed lessons that are structured around key communicative goals. It features a clear, step-by-step approach to help students progress from small steps towards larger communicative goals. The accompanying Workbook features a wide variety of activities to give students plenty of practice on all the skills of listening, speaking, reading and writing. *Holy Bible (NIV)* Independently Published The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you

exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. *Chinese Made Easy for Kids (Workbook 4)* Createspace Independent Publishing Platform

The primary goal of this series is to help total beginners, particularly primary school students, build a solid foundation for learning Chinese as a second/foreign language. This series is designed to emphasize the development of communicational skills in listening and speaking. The unique characteristic of this series is the use of the Communicative Approach, which takes into account the differences between Chinese and European languages, in that the written Chinese characters are independent of their pronunciation. With one daily lesson, motivated student could complete one book within one academic year and move onto Chinese Made Easy (Books 1 to 5) previously published. Topics include: greetings, classroom language, personal introductions, numbers and dates, countries and languages, occupations and work places, daily routines, school subjects and facilities, parts of the body and illness, articles in the house, house and rooms, animals, and etc. Materials include 4 color textbooks (Books 1 to 4), each supplemented by a CD and workbook.

Basic Mandarin Chinese - Reading & Writing Practice Book Tuttle Publishing  
This book details the accounts of three expeditions into the interior of Virachey National Park in Ratanakiri Province of Northeastern Cambodia, as well as an excursion into the forests of Mondulhiri Province. The author and his Khmer-Lao and indigenous guides penetrate the

remote canyons near the Laos border, a lost world of tropical jungles and remote grasslands that are known only to a handful of poachers and loggers. This book also describes the animist tribes who live on the park's periphery, including the Brao, Kreung, Tampuan and Bunong highlanders. This work of non-fiction is also concerned with the endangered wildlife that persists within the park's boundaries, such as tigers, clouded leopards, leopards, Asiatic elephants, gibbons, douc langurs, hornbills, and much more. For those interested in the natural history and indigenous cultures of Cambodia and Southeast Asia -as well as the current threats to the region- this book will be of interest.

This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli

and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. *Chinese Characters Made Easy* makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue—making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing "a person standing on two legs"—drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of *Chinese Characters Made Easy* include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.
