New York Times and USA Today Best Seller! Discover the amazing secret of the ages...and the mystery of your life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery*

of the Shemitah, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of *The Stranger*, *The Lost City*, *The Man With the Measuring Line*, *The Land of Seven Wells*, *The Birds*, *The Number of the End*, *The Man in the Black Robe*, *The Prophet's Song*, *The Matrix of Years*, *The Day of the Lions*, *The Awakening of the Dragon*, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. The Book of Answers Zondervan

The husband-and-wife treasure-hunting team of Sam and Remi Fargo return in a new adventure as they search for an ancient scroll—which carries a deadly curse—in this thrilling addition to Clive Cussler's bestselling series. In 533 A.D., the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army. The oracle tells the king that a high priestess cast a curse upon the Vandal Kingdom after a sacred scroll was stolen. In order to lift the curse, the scroll must be returned to its rightful home. But the kingdom falls before the scroll is found, leaving its location a great mystery...until a current day archeological dig, funded by Sam and Remi Fargo, uncovers some vital clues. The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen, and they travel to Nigeria to deliver new supplies themselves. But their mission becomes infinitely more complicated when they run afoul of a band of robbers. The group takes Remi and several students hostage, and there are signs that the kidnapping is related to the missing scroll. The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure...and lift the deadly curse.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Jubilean mysteries are a mystery of mysteries. They were birthed in a desert not unlike this one and on a mountaintop not unlike the one on which we sit. They have determined the course of empires and superpowers, kings and presidents. #2 I was a skeptic. I didn't believe in any purpose or significance in life. I saw everything as a series of random events and accidents. I was the last person to be telling you about the fingerprints of God. #3 The Oracle was a person who spoke divine revelation or counsel or prophecy. The ancient world was filled with oracles, and as long as people seek revelation, there will always be oracles of one kind or another. #4 The oracles were a part of pagan religion. The Bible speaks of the pagan soothsayers and warns against their practices, the channeling of spirits, the practicing of divination, and the worship of pagan gods. But the Bible is also filled with those called and appointed to bring forth divine messages and revelations, to share divine counsel, and to discern and interpret the signs of the times.

Since being written, the end-time prophecies of the Bible have been shrouded in mystery. Our world is now inundated with book after book on the subject of end-time interpretation. Often, the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie. Expertly sifting through the modern fog covering these important prophecies, David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times. Using the proven techniques of the scientific method, David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy. Beginning with a solid faith in the Bible as the infallible Word of God, he now presents his findings in God's Prophetic Timeline. Never before has there been such a clear and concise presentation of God's timeline for the future, along with many

passages that David admits we cannot yet understand. Written for the minister and layperson alike, it begins by explaining the church age and progresses through each of Revelation's seven phases, ending with new heaven and new earth. His approach details even subtle prophetic material, including Israel's future wealth, the world war it triggers, and Jesus' coronation. Don't be puzzled any longer by confusion on the subject of prophecy. Leave behind the many contradictory theories propagated by the misinformed. Follow along as God's Prophetic Timeline shows you, in detail, the tested, validated, and unified understanding of the Bible's prophecies.
